ANNEXURE – I

Should be kept in a separate cover (Annexure I to III)

TECHNO COMMERCIAL BID

ITEM NO. 04

NAME OF THE WORK : Fetting Of Castings In F&P On Job Contract Basis For The Year 2014-15.

TENDER NOTICE NO. DATE : HY/FDY/JC/Adv/14-15/01/05 .

DT . 31-Mar-2014

Cost of the Tender Document: Rs 500/- - If collected from the F&P (Non refundable) Rs 300 /- If downloaded through BHEL Website (Non refundable) It has to be submitted in the form of D.D. and shall be enclosed with the Techno-commercial bid..

EMD: An amount of Rs 1,50,000/- (Rupees One Lakh Fifty Thousand only) towards EMD shall be paid in any of the mode: 1) in BHEL cash office or 2) by way of Demand Draft/ Bankers Cheque drawn in the name of M/s "Bharat Heavy Electricals Limited" payable at Hyderabad and shall be enclosed to the tender bid (Techno commercial only) No other means of EMD payment will be accepted. One time EMD will also be accepted as per terms of BEHL WORKS POLICY.

The tenderer shall return the duly filled in tender document after affixing signature on all the pages of the Tender Documents.

Before tendering, the tenders are advised to inspect the site of work and its environments and be well acquainted with actual working and other prevalent conditions position of material and labour, drawings and specifications and other documents which for part of agreements be entered into. No, claim will be entertained later on the ground of lack of knowledge.

Prequalification requirements:

1. Contractor shall furnish and enclose copies of ESI Code, PF code, PAN No and Valid Labour license for execution of activities. In case of labour license, it should be submitted before commencement of work.
2. Tender bids without EMD as stipulated are liable for rejection.
3. Tender bids without cost of tender documents shall be rejected.
- 4 *No work shall be awarded without the successful tenderer submitting copy of his Service Tax Registration certificate. (in case not available, proof of having applied with acknowledgement from concerned authorities or Service Tax registration certificate before concluding the contract agreement).*
- 5 Contractor must quote rates for all the components mentioned in the work. Failure to quote for all the components mentioned in the work will deem the offer as incomplete and such offer shall be rejected. The total amount of the price bid will be calculated based on the rates quoted in the price bid for individual items. The total amount of the price bid thus calculated will be considered for deciding the lowest bidder (L₁)
- 6 Average annual turnover of the agency concerned during the last 3 years, ending 31st March of the previous financial year, should be at least 30% of the estimated cost.

Signature of the Contractor(s)

- 7 The personnel deployed by the contractor should have the knowledge about Fettling of castings in foundry, as detailed in **ANNEXURE – II** .
- 8 The personnel deployed by the agency shall be conversant with the use of safety equipment's related to the fettling operations of foundry, and also shall be conversant with the safety practices for the operations detailed in the work content. It is the responsibility of the contractor to supply the safety equipment to the personnel and for deployment of persons who are conversant with usage of all security/safety equipment.
9. B.H.E.L F&P Manufactures highly critical castings e.g. Exhaust hoods (Net wt. up to 22.7 Tons , size :- 5.5 M X 2 M X 2.6 M) , Mill bases (Net wt. up to 18.9 Tons size :- 3.5 M X 3.25 M X 1.3 M) , Guide wheels (Net wt. up to 2.56 Tons) & Bearing pedestals (Net wt. up to 1.875 Tons). For the exhaust hoods required for the Steam Turbine sets , the Steam chamber Bearing ,Parting plain and lubricating oil pipe areas are highly critical . as these affect the assembly and the performance of the turbine .Similarly , For the mill Bases required for Pulverizer sets, Bearing and Parting plain areas , For the Guide wheels required for Steam Turbine sets , the profile and the surface finish of the blades and For the Bearing pedestals required for Steam Turbine and Generator sets, the areas of Bearing ,Parting plain and lubricating oil pipe are highly critical with respect to the performance of these equipment's .
Aluminium Bronze impellers required for the Pumps , Cooling fans , Lab. Rings and air guide rings required for the Generator sets and sleeve casing required for the Steam turbines are manufactured in Non – Ferrous Foundry . Surface finish of impeller vanes of and blades of the Cooling fans , profile of Lab. Rings and air guide rings are very critical for the final assembly and the performance of the equipment's mentioned above .
In addition to these, the surface finish of non-machining area of all the castings is extremely Important from the point of view of aesthetics . It may also be noted that any damage caused due to improper handling , poor workmanship or negligence on behalf of the personnel deployed by the contractor may lead to rework or rejection of the castings . Utmost care is essential on behalf of the contractor while performing the operations,the work content of which are detailed in Annexure –II.
- The Contractor is also required to carry out the Marking operation for checking the dimensional accuracy of the Grey Iron, Steel and Non-ferrous Castings prior to the dispatch of these items to the respective product shops. This operation is also highly critical with respect to the final assembly of these products.
- 10.1 The contractor should possess the Experience of having successfully completed similar works of the Fettling operations in a foundry or Moulding or making of castings or Moulding related auxiliary activities in a foundry, during the last 7 years ending last day of month previous to the one in which applications are invited. The cost of such works should be either of the following :-
- a. Three similar completed works costing not less than the amount equal to 40% of the estimated cost.
 - OR
 - b. Two similar completed works costing not less than the amount equal to 50% of the estimated cost.
 - OR
 - c. One similar completed work costing not less than the amount equal to 80% of the estimated cost.
- 10.2 The contractor shall submit the experience certificate mentioning the Name and Address of the company where the work was executed, Reference no. of the work, Duration of the work, Nature of the work mentioning the size, weight and the criticality of the castings for which the fettling was carried out.
- 11 This work calls for knowledge on behalf of the personnel by the agency for the following activities
- a) Removal of the gating system and Risers of the castings - personnel deployed by the agency shall have the requisite knowledge in the handling and operation of pneumatic chisels and in arc/gas cutting which will be supplied by BHEL. free of cost

Signature of the contractor(s)

- b) Chipping off metallic fins, removal of metallic jams from the castings and leveling of parting plane - personnel deployed by the agency shall have the requisite knowledge in the handling and operation of pneumatic chisels and grinders.
- c) Opening of defect areas in casting for welding and final grinding to enable to offer for inspection . personnel deployed by the contractor shall have requisite knowledge in handling and operating pneumatic chisels and grinders
- d) Marking of Grey Iron, Steel and Non-ferrous Castings- Contractor shall deploy personnel having requisite knowledge in the use of the Vernier height gauge and in the study and interpreting drawings.
- e) Preparatory work of as cast rolls for Microstructure test - Contractor shall deploy personnel having requisite knowledge in carrying out grinding and polishing activity for the purpose of preparing the surface for Microstructure test. This operation is highly critical as it is performed as a part of the final inspection of the grinding rolls in the presence of customer /3 rd party inspector.

Any mistake caused during the above mentioned operations due to the lack of knowledge of the personnel deployed by the agency may lead to re-work or rejection of the castings. Contractor shall be solely responsible for the performance of the personnel deployed by him. In case the casting is rejected due to the negligence or quality work by the persons deployed by the contractor, the cost of the casting shall be recovered from the bills of the contractor. In case of rejection of castings, at any stage because of material defect, the contractor shall be paid to the extent of work done only.

- 12. Personnel deployed by the agency shall be conversant with the use of safety equipments related to the Fettling operations of foundry. Also, the personnel deployed by the agency shall be conversant with the safety practices for the operations detailed in the work content

The required safety practices related to this work are detailed below

- a) personnel deployed by the agency shall wear Safety Shoes with pair of socks , Protective cloth (Uniform) and Head Helmets all the time while inside the shops as a general safety measure.
- b) personnel deployed by the agency shall wear Leather Hand gloves during all the operation related to this work . (Ref Annexure –II for the details about the work content).
- c) During the De coring of the castings, sound and dust will be generated. The personnel deployed by the agency shall wear Ear plugs/muffs to protect against sound and Air Respirators to protect against the dust particles. Plastic Face Shields shall be used to avoid any flying chips/particles from injuring the eyes and face.
- d) During the Removal of gating system, Risers and Fins by electric arc cutting , the contract personnel deployed by the agency shall use Welding shields to protect the eyes from the rays emitted during welding . Welding aprons and Welder shoes have to be worn to protect against the heat generated during electric arc cutting. Plastic Face Shields shall be used by the contract personnel assisting in the operation to avoid any flying chips/particles from injuring the eyes and face.
- e) During the Removal of gating system, Risers and Fins of the steel castings by gas cutting , heat will be generated . The contract personnel deployed by the agency shall use Spectacle type colour goggles for protection of the eyes from effect of exposure to high temperature Welder shoes and Welding aprons shall be used to protect against the heat generated during this operation. Plastic Face Shields shall be used by the contract personnel assisting in the operation to avoid any flying chips/particles from injuring the eyes and face.

Signature of the contractor(s)

- f) During the Chipping of metallic fins, removal of metallic jams from the castings and Opening of defect areas sound will be generated. The contract Labour deployed by the agency shall wear Ear plugs/muffs to protect against this . Plastic Face Shields shall be used to avoid any flying chips/particles from injuring the eyes and face.
- g) During the grinding operation, the personnel deployed by the agency shall observe the following safety practices :-
- h) Guard must be fitted on the grinding machines prior to grinding in order to avoid any accidental injury.
- i) **Special type goggles (Clear lenses) and Plastic Face Shields shall be used to avoid any flying chips/particles from injuring the eyes and face.**

OTHER CONDITIONS:

With their quotations, the Bidders shall sign all the pages of the tender specification including appendices, specifications conditions and schedules in token of complete acceptance thereof and enclose the same along with the technical bid.

If a Bidder expires after the submission of his tender or after the acceptance of his tender, the Bharat Heavy Electricals Limited, may, at their discretion, cancel such tender. If a partner of a firm expires after the submission of the tender or after the acceptance of the tender, the Bharat Heavy Electricals Limited may cancel such tender at their discretion unless the firm retains its character.

CONTRACTORS DEFAULT:

If the contractor shall fail or neglect to execute the work with due diligence and expediency, or shall refuse or neglect to comply with any orders given to him by the Engineer (BHEL) in connection with the work or shall contravene the provisions of the Contract, the Engineer (BHEL) shall give notice in writing to the contractor to make good such failure, neglect or contravention. Should the Contractor fail to Comply with the notice within the period specified in the notice, the Engineer shall be at liberty forthwith, to execute such part of the work as the Contractor may have failed or neglected to do, or without prejudice to any other right BHEL may have under the contract to take the work wholly or in part out of the Contractor's hand and contract with any other person to complete the work or any part thereof, and in that event BHEL shall have the free use of all construction equipment and other things that may be at any time on the site in connection with the work, without being responsible to the contractor for fair wear and tear thereof and to the exclusion of any right of the Contractor over the same and BHEL shall be entitled to retain or withhold and balance amount which may be otherwise due under the Contract to the Contractor or such part thereof as necessary to the payment of the cost of executing the said part of the work or by completing the work as the case may be and of meeting claims of third parties against BHEL arising from or in consequence of the Contractor's failure, neglect, refusal or contravention as aforesaid. If the cost of Completing the work or executing a part there of or of meeting claims of third parties as aforesaid shall exceed the balance due to the Contractor, the Contractor shall pay such excess to BHEL.

Signature of the contractor(s)

BHEL'S LIEN ON ALL MONEYS DUE:

BHEL shall have a lien on and over all or any money that may become due and payable to the Contractor under these presents, and/or also on and over the deposit or Security amount or amounts made under the contract and which may become repayable to the Contractor under the conditions in that behalf herein contained and/or any sums that may become due and payable by Bharat Heavy Electricals Limited, the Contractor either alone or jointly with another or others and either under this, or any other contract or transactions whatsoever between BHEL and the Contractor

Whenever any claim for payment of a sum of money arises out of or under the contract against the Contractor, the BHEL shall be entitled to recover such sum by appropriating in whole or in part the Security deposit deposited by the Contractor and BHEL shall be entitled to realize securities forming the whole or part of any such Security deposit. In the event of the Security deposit amount being insufficient, the balance shall be recovered by appropriating any sum due to the contractor or any sum which at any time thereafter may become due to the Contractor under this contract, or any other contract with BHEL. If even such sum is not sufficient to cover the full amount recoverable the contractor shall on demand pay to BHEL, the balance amount remaining due.

For the purpose of this clause, where the Contractor is a Partnership firm, BHEL shall be entitled to recover such amount by appropriating in whole or in part any sum due to any partner of the Firm either in his individual capacity or otherwise.

Any sum of money due and payable to the contractor (including Security Deposit returnable to him) under the Contract may be appropriated by the BHEL and set off against any claim of the BHEL for the payment of a sum of money arising out of or under any other Contract made by the Contractor with the BHEL Hyderabad-32 or any other units of BHEL.

TECHNOCOMMERCIAL TERMS, CONDITIONS AND SPECIAL INSTRUCTIONS

Reverse Auction (RA) : BHEL reserve the right to resort to Reverse Auction procedure i.e On line bidding on internet, instead of opening the submitted sealed bid, which will be decided after technical evaluation. RA terms and condition will be intimated separately. In case any tenderer refuses to participate in the Reverse Auction process the tender will be rejected.

General Terms and conditions of Reverse Auction (RA) & information.

Against this enquiry for the subject job-contract with detailed scope of work as per enquiry, BHEL may resort to “REVERSE AUCTION PROCEDURE” i.e ONLINE BIDDING (THROUGH A SERVICE PROVIDER)

- a) For the proposed reverse auction, technically and commercially acceptable bidders only shall be eligible to participate.
- b) BHEL will engage the services of a Service Provider who will provide all necessary training and assistance/demonstration before commencement of on line bidding on internet.
- c) BHEL will inform the Vendors in writing in case of reverse auction, the details of Service Provider to enable them to contact & get trained.
- d) Business rules like event date, time, start price, bid decrement, extensions etc. also will be communicated through Service Provider for compliance.
- e) Vendors have to fax the Compliance form in the prescribed format (provided by Service provider) before start of Reverse Auction. Without this, the vendor will not be eligible to participate in the event.
- f) BHEL will provide the calculation sheet (e.g. EXCEL sheet) which will help to arrive at “Total cost to BHEL” like schedule of items rates, inclusive of all taxes and duties except service tax which is extra as applicable for each of the vendor to enable them to fill in the price and keep it ready for keying in during the Auction.
- g) Reverse auction will be conducted on a scheduled date & time.
- h) At the end of Reverse Auction event, the lowest bid value will be known on the network.
- i) The lowest bidder has to fax/e-mail the duly signed filled-in prescribed format as provided to BHEL through Service Provider within 24 hours of Auction without fail.
- j) In the event of RA the sealed price bid envelope along with price impact envelope if any, of L₁ bidder discovered in RA alone shall be opened to verify that the L₁ bidder has quoted the same or lower price in the online sealed bid as compared to sealed cover bid. In case of higher online sealed bid price by that L₁ bidder, Suitable action shall be taken on the bidder.**
- k) **In case RA results are not fruitful, BHEL reserves the right to resort to normal tendering procedure for finalization of the contract by opening the sealed price bids submitted by the tenderers.**
- l) The agencies are advised to keep a copy of the Price bid submitted along with tender for Their reference for providing at the time of online sealed bid value.
