ANNEXURE- II**I. General Instructions :**

1. If the tender is made by an individual, it shall be signed with his full name and his address shall be furnished. If it is made by firm, it shall be signed with the co-partnership name by a member of the firm, who shall also sign his own name, also furnish the name and address of each member of the firm. If the tender is made by a corporation, it shall be signed by a duly authorised Officer who shall produce with the tender, satisfactory evidence of his authorisation. Such tendering corporation/firm is required to furnish evidence of its existence along with bid.
2. The EMD will be refunded to the unsuccessful Tenderers on application after rejection of the tender is intimated. The earnest money will be retained in the case of the successful tenderers and either of the cases will not carry any interest. It will be dealt with as provided in the conditions attached to the tender.
3. Whenever a tender is to be accepted, the tenderer, whose tender is under consideration, shall attend the Office of " Officer Inviting the Tender " on the date fixed by written intimation to him. He shall forthwith, upon intimation being given to him by the "Officer Inviting the Tender " for acceptance of his tender, complete the execution of the agreement by signing all documents connected therewith. Failure to do so and not to commence the work within one month from the date of intimation, shall entail forfeiture of the earnest money.
4. Tenderers shall peruse carefully the instructions and directions to the parties given in the tender document and the conditions there of and all other relevant documents before quoting the rates for the work. The approximate quantity of work to be executed under each class is given in the schedule. The quantities are given with a view to enable tenderer to quote his overall rate for each class of work in the tender form and for an uniform comparison of tenders. It shall be definitely understood that the schedule is liable to alterations at the discretion of accepting authority.
5. Tenderers shall keep the offer valid for a period of 90 days from the date of opening of tender. After submitting the tender, he will not recall his offer or modify the terms and conditions thereof. Should the tenderer fail to observe or comply with the foregoing stipulations, the EMD shall be forfeited.

Contd...10

Signature of the Contractor with seal**Issuing Authority**

6. Tenderers have to quote their rates in the tender schedule legibly written in figures and words and those not submitted in proper form are liable for rejection.
7. The submission of tender shall be strictly in accordance with the terms and conditions stipulated in this tender notice. No counter conditions will be acceptable or valid.
8. Contractor shall be deemed to have included in his tender price of all the appliances/equipment/tools required for the purpose of all operations connected with the work embraced under the contract to secure a satisfactory quality of work and rate of progress which in the opinion of the " Contract Signing Officer" will ensure the completion of the work within the time specified.
9. BHEL is having every right to split the schedule and to award the work to single or many parties on the lowest offered rates basis.
10. This is a time bound contract for period mentioned, and does not envisage any extension of time / period.
11. The rates quoted by the contractor should be firm for the contract period. There shall be no revision in contract rates during the period of the contract.
12. BHEL reserves the right to negotiate for price reduction with L1 party and negotiated price will be considered as contract amount for all practical purposes.
13. BHEL reserves the right to terminate the contract at any stage without assigning any reason.
14. Tender should be submitted in sealed cover addressed to the Sr.DGM /CMM/ stores and duly super scribed with the tender number, tender date, name of the work and due date of tender opening on the envelope. The tenders will be opened on tender due date at 13.30 Hrs in presence of those tenders who choose to be present.
15. The contractor must have phone facility at his office/ residence or cellular phone for proper communication. Email ID will be an added advantage.
16. PF, ESI and other statutory contribution from each worker should be remitted to appropriate authorities with the stipulated time prescribed such authorities. Penalties and interest accordingly an account of delay payment to above stated statutory authority shall be born by the contractor fully. In the event of any default by the contractor permission will not be renewed. Proof of remittance shall be submitted by the contractor in the form of receipts/ challans by the appropriated authorities.

26. The contractor has to produce the bank guarantee, in the prescribed proforma valid for the contract period for a value calculated at the rates mentioned, towards security deposit. The claim period under the guarantee shall be valid for six months after expiry of the contract.
27. In the agreement no mention shall be made regarding the number or the sex of the laborers to be employed by the contractor. The agreement shall not contain provision to hire labour like number of men, category of men, and number of maydays from the contractor for any type of work. All types of job work agreements shall be based on clearly quantified volume of work only.
28. The Executing Officer shall ensure the execution of work on quantifiable basis taking into account equipment and machinery deployed rather than availability of labour.
29. Disputes, grievances between the contractor and his labour, will have to be settled by the contractor only.
30. The labour employed by the contractor, if found in abetting any of fellow labour or contractors or any BHEL employee, the same shall be considered as an act of indiscipline. Such labourers shall be removed from the services of the contractor, on the advice of BHEL. Further the contractor shall initiate every necessary action in accordance with the relevant Laws, Rules & Regulations and enactments of state and Central Governments.

31. **Earnest Money Deposit:**

Earnest Money is to be paid by each tenderer to ensure that the tenderer does not refuse to execute the work after it is awarded to him. The rate of earnest money deposit shall be as per tender schedule.

EMD by the Tenderer will be forfeited as per Tender Documents if

- i) After opening the tender, the tenderer revokes his tender within the validity period or increases his earlier quoted rates.
- ii) The tenderer does not commence the work within the period as per LOI / Contract. In case the LOI / contract is silent in this regard then within 15 days after award of contract.

EMD shall not carry any interest

Contd...13

32. **Security deposit:**

Security Deposit should be collected from the successful tenderer. The rate of Security Deposit will be as below:

Upto Rs. 10 lakhs	- 10%
Above Rs. 10 lakhs upto Rs.50 lakhs	- 1 lakh + 7.5% of the amount exceeding Rs. 10 lakhs.
Above Rs. 50 lakhs	- 4 lakhs + 5% of the amount exceeding Rs. 50 lakhs.

The security Deposit should be deposited by the successful tenderer before start of the work.

Security Deposit may be furnished in any one of the following forms

- i) Cash (as permissible under the Income Tax Act)
