

Corrigendum – 1 Dated Mar 16, 2012

To

Tender specification BHEL: PSSR: SCT 1492

The clarifications issued for one of the bidder are furnished below for your information.

Sl no	Bidder's Query	BHEL's Clarification
1	The detailed bifurcation of Bought Out Items (500 MT) as mentioned in TCC, Volume-IA, Part-I, Chapter-IX, BOQ, Sr. No. 1.9.1.g. is required	<p>The list of major equipments / components covered under the title Bought Out Items -500 MT is listed in the clause no 1.13.119.5 of Technical Conditions of Contract (Volume-IA Book-I) of tender specification.</p> <p>The individual weights of some of the equipments / components were not available at the time of tender preparation. Being the contract is for lumpsum price on total weight basis, individual weights of all the equipments / components were not mentioned in the tender specification.</p>

**All other conditions of the tender remain unchanged**
