**Description:** works contract for supporting valves / stores activities at BHEL trichy-14 for a period of one year.

**Details of corrigendum-1**

Contractor scope in Tender schedule has been revised as per the following:-

**Revised Tender Schedule :**

Annexure III (Page No. 9 of 29 on Techno commercial bid)

**CONTRACTOR'S SCOPE:-**

- 1.1 The total tonnage to be handled by the contractor within the period of one year is approximately 12521 Metric tons. One person should be capable of handling approximately 1.6 MT per day.
- 1.2 Accordingly contractor should mobilize unskilled sufficient manpower (approx. 20 to 25 manpower per day) to complete the assigned jobs as per schedule. The number of **manpower is indicative only** and contractor may have to deploy more or less manpower depending on the workload for completion of work on time as prescribed by BHEL.
- 1.3 There should not be any hindrance to the job being executed by BHEL due to contractor. If work is affected due to insufficient deployment of manpower, the wages for the absent manpower will be deducted from the contractor's running bills as per certification provided by user agencies.
- 1.4 The Contractor has to deploy additional manpower as per BHEL requirement subjected to condition that the same will be intimated to the Contractor before 24 hrs. (Including Sunday and holiday). No extra wages will be paid for Sunday & holiday work and all payment will be made on Rate / MT only.
- 1.5 The contractor should deploy manpower in general shift or night shift as instructed by BHEL
- 1.6 Contractor has to provide required personal protective equipment (whatever required) to their workmen and supervisor at their own cost and shall comply with all safety regulations under Factories Act.
