

TENDER NOTICE NO: NP:WEG: 02 / 2016 Dated 10.05.2016

RATE SCHEDULE

1. The tenderer is expected to fill the rate schedules both in figures and words after satisfying all the terms and conditions of the tender specification. The scope of work and responsibility of the contractor as mentioned under this specification shall be covered within the quoted rates.
2. The tenderers shall quote rates in English Language and International numerals. Rates for each item of the tender schedule should be quoted in Rupees and Paise only. In case of any difference in the rates quoted in figures and in words, the lower of the two rates will be taken as the tenderer's rate. In the event of an error occurring in the amount column of schedule of items as a result of wrong extension of the unit rate and quantity, the unit rate shall be recorded, as firm and extension shall be amended on the basis of the rate. All errors in totalling in the amount column and in carrying forward totals shall be corrected.
3. Rate quoted for the Transformers rewinding services shall be firm throughout the contract period including total extended period if any and include all royalties, service taxes, tax on works contract and any other taxes levied and liveable under the state or central government rules during the currency of the contract. In addition, the rates shall not vary in case the contract is extended by one or two months. However, in case of any revision in **Service Tax** applicable during the contract period, same will be borne by BHEL.
4. All entries in the tender either shall be typed or be written in ink and over writings are not permitted. All cancellations and insertions shall be duly attested by the tenderer.
5. The tenderers are required to quote their rates including the cost of all facilities provided to their employees like uniform, shoes, torch light, maintenance cost of vehicles, medical, transport, ESI, Employee's insurance etc. and no claim will be entertained later on this account.
6. For the purpose of evaluation of quotes against this tender the overall / aggregate amount quoted for the total scope of work shall be taken into account.
7. In the event of more than one party being L1, BHEL reserves the right to split and award the contract.
8. The tenderers are advised to assess the correct distances, availability of work force, transportation facilities and the prevailing site conditions by visiting the site before submitting the quotation. BHEL shall not be responsible in any way for lack of contractor's knowledge on the same and no claim will be entertained later on this account.
9. The rates quoted shall remain the same as the services are to be provided throughout the period including Sundays and holidays. No extra claim shall be entertained on this account by BHEL.
10. The quantities shown in the attached schedule are only approximate and are liable to variation without entitling the contractors to any compensation.
11. The tenderer has to follow all the safety regulations prevailing in the site. The contractor should take note of these situations. No extra claim on this account shall be entertained.
