In line with the approved note dated 27.10.2015, the referred tender was floated on open tender basis through e-procurement portal (<https://bheleps.buyjunction.in> ). The extended due date of tender submission is today i.e., 17.11.2015. However, till date only one offer has been received.

The same was communicated to Indentor/Projects seeking advice. Indentor vide mail dtd. 17.11.2015 has advised to extend up to 23/11/2015 (copy of mail attached in file).

In view of the above, and as only one offers has been received till date and inorder to have more participation, the due date of tender opening may be extended till 23.11.2015.

Corrigendum regarding Extension of due date shall be uploaded on CPP Portal and vendor shall be informed through our e-procurement portal i.e., <https://bheleps.buyjunction.in>

Submitted for approval as above.
