Enquiry No. : 77/15/6212/RCD

Stacker Machine and Reclaimer Machine Package for 5X800 MW Yadadri TPS

Sl. No.	Bidder's Query	BHEL Reply
1	<p>We have reviewed the mandatory spares list for mechanical and Electrical and Instrumentation items. As per as the mechanical spares are concerned we don't have any issue, we can submit the unit price for each mandatory spare as per your list.</p> <p>However if we refer to the mandatory spares list for Electrical and instrumentation items wherein you have asked us to quote per piece price for each E&I item. In this case we are concerned about the quantity as you have not clearly indicated the required quantity in numbers or set. whereas for some of the items you have mentioned the quantity mentioned is XX Set for each type and rating.</p> <p>At present we can't predict the ratings required and required types of those small items, which can be finalized during detail engineering only.</p> <p>So we kindly request you provide your exact requirement in numbers accordingly we can submit the per piece price. For more clarity in this regard you may please refer to the enclosed list wherein we have indicated our comments against each item.</p> <p>Meantime kindly note the enclosed list is for stacker cum reclaimer, there is no separate list for stacker and reclaimer.</p> <p>On the other hand at present we are of the opinion that we will submit the total price for complete E&I spares on lump sum basis (as per your list) and the price break shall be submitted during detail engineering prior to dispatch.</p> <p>Rest be assured the quantity will be supplied as per your enclosed list only.</p> <p>As per your technical enquiry specifications you have asked us to submit list of commissioning spares and unit prices for the same. We can't predict the commissioning spares list at this situation it can be during commissioning only.</p>	<p>Bidder shall indicate the total/lump sum price against Sl no B.3 for mandatory spares of Electricals and C&I (as listed in ANNEXURE-A3) ONLY. However detailed break up including qty , type & rating shall be submitted during detailed Engg as per the list given in the offer.</p> <p>Regarding separate list of spares for stacker & Reclaimer, the query has been already clarified in corrigenda/addendum 3_sl no 11 issued on 4.01.2016. Kindly refer the same.</p> <p>However, for ANNEXURE-A1 & ANNEXURE-A2 (as mentioned in sl. no. B.1 & B.2) item wise unit price to be necessarily submitted</p>
