

Annexure – B : Terms and Conditions
Enquiry Ref: BAP/PUR/PM/9530021E dt.04.04.2013

1. Tender shall be submitted in **two parts**. Part-1 shall consist of Technical and all commercial terms without price . Part-2 shall consist only price bid. Both bids shall be submitted in separate covers sealed and superscribing **Enquiry no , Due date and Technical Bid / Price Bid**.
2. This enquiry shall be subject to jurisdiction of the courts at Ranipet , Vellore District , Tamilnadu.
3. Any revised offer (s) sent by vendors on their own , after the tender opening will be treated as “Unsolicited Offer”. Such offers will not be considered and necessary action as deemed fit will be taken by BHEL on those vendors. Hence , competitive offer to be given in the original offer itself.
4. Tender should be sent in duplicate in a **sealed cover**. Inner cover sealed with tenderer’s distinctive seal and superscribed with correct **tender no , item of supply , due date of opening** and validity of offer addressed by designation to Manager/Purchase , Bharat Heavy Electricals Limited , Boiler Auxiliaries Plant , Indira Gandhi Complex , Ranipet , Vellore District-632406 , India.
5. Point wise confirmation required for Technical Specification Annexure-A.
6. Commercial terms and conditions annexure-C is to be submitted along with technical offer.
7. Unpriced Bid (Price bid without price) is to be submitted along with technical offer.
8. **All tenderers submitting their offers are requested to fill up the “Supplier Registration Form (SRF)” (Annexure-II for Indian Suppliers ; Annexure-III for Foreign Suppliers) and submit along with technical offer. The SRF’s will be assessed and considered for vendor registration purpose separately.**
9. **Offers from manufacturers will only be considered. Incase if manufacturer is not willing to quote , they can authorize their distributor / dealer located closest to Ranipet to quote on their behalf. Only one dealer/distributor shall be nominated. Such offers will be considered only on being accompanied with detailed authorization issued by the OEM. The authorization shall clearly specify the period for which the dealer/distributor is authorized to have business relationship with BHEL. Necessary certificate of dealership/distributorship (where available) shall also be sent along with authorization letter.**
10. **70% of the tender quantity is reserved for ordering on the L1 vendor. 30% of the quantity will be distributed equally among the other techno-commercially qualified bidders (other than L1) provided they are willing to accept the finalized ordering price of BHEL. Orders placed against this tender will be treated as “trial orders only”. The quantity split in this tender will not be applicable for the items where the quantity is equal to or below 150 square meters.**
11. BHEL reserves the right to increase or decrease the tender quantity.

12. Lowest prices received against BHEL tenders need not be the technically acceptable L1 Price and BHEL reserves the right not to consider the same.

13. BHEL reserves the right to negotiate or re-float the tender opened if L1 price is not the lowest acceptable price to inter- alia other reasons.

14. BHEL reserves the right to negotiate the L1 rates.

15. **Authorization Letter** : Such of those tenderers who wish to participate in “tender opening” should attach an authorization letter which shall be duly signed and stamped in original , identifying the representative to be deputed for tender opening.

Quantity Split :

16.a) BHEL reserves the right to split the tendered quantity as follows: 70:30 (70% for the original L1 and 30% for the next higher bidder who accepts to supply the goods and quantity at the same rates, commercial terms and conditions as that of the L1).

16.b) The quantity split is considered on the grounds of:

- (1) Higher quantity
- (2) Higher tender value
- (3) Capacity limitation of the suppliers.
- (4) Delivery requirement of BHEL
- (5) One or a combination of above or all of the above.

16.c) In no case the highest quoted bidder (H1) would be given the opportunity of the quantity split. Similarly, if there are only two bidders, quantity split will not be generally considered. However in exceptional circumstances, BHEL may still resort to quantity split between the two bidders, to meet their requirements.

16.d) It is understood that Bidders participating in this tender have agreed to this condition.

Mere stipulation of the quantity split condition in the tender does not guarantee that BHEL will split the order. BHEL reserves the right to place orders on respective L1 only without resorting to the quantity split, even if the quantity split provision is made available in the tender.

16.e) The quantity split ratio is only indicative and BHEL has the right to modify the same depending on the quantities requirement of their customer projects. Such modifications would be within the range of $\pm 10\%$ of the indicated split ratio.

16.f) The L1 prices and their agreed commercial terms and conditions would be counter-offered to the next higher bidders in the order of their ranking and the quantity split would be given to the bidders who accept it in –toto on the basis of their ranking in the price bid.

16.g) If none of the other bidders accept the counter-offer viz the Price, Quantity, commercial terms and conditions, then the entire quantity of the tender would be ordered with the original L1 only without any further recourse by BHEL.

16.h) The decision that the quantity split would not be operated would generally be intimated to the technically successful bidders before the price bid opening. However in exceptional circumstances, BHEL may resort to ordering only on the respective L1, without the quantity split, even after the price bid is opened. The decision of BHEL in this would be final and would be binding on all the bidders.

Note:

In the event of non-operation of Quantity split , Suppliers are expected to pass on the volume / quantity discounts, as applicable to BHEL.

Counter offer: Will be made matching the lowest landed cost to BHEL(L1)
