

CORRIGENDUM TO TENDER NOTICE SCT 1427

CLARIFICATIONS TO TENDER SPECIFICATION BHEL PSSR SCT 1427

SUB: TENDER SPECIFICATION BHEL PSSR SCT 1427: Handing at Site Stores / Storage yard, Transportation to Site of Work, Erection, Testing and Commissioning of Electrostatic Precipitator and its Auxiliaries include supply and application of final painting for units -1&2 of 2x800MW sets at Sri Damodaram Sanjeeviah TPP, Krishnapatnam, Near Nellore, AP

Some of the bidders sought clarifications on the subject tender and the clarifications are furnished below for your information.

Q1: Time schedule of 29 months for unit 1&2. Kindly specify exact period for unit 1&2 and phase shift for each unit.

Reply: No phase shift and both unit will progress in parallel.

Q2: 75T crane, 18T crane, 8T crane requirement by sub contractor shown as 1no each. Please specify these cranes are required for the both the units or for a single unit.

Reply: This quantity is per unit only and also Refer CL 3.6.16 in the tender specification.

Q3: Please specify the area of painting

Reply: As per standard practice

Q4: Ref 2.b, b.1: in the event of providing hired cranes: Operator will be provided by BHEL through hiring agency free of charges for 135T or above capacity cranes. Please confirm for cranes below 135T, incase it is hired by BHEL, the operator will be provided by BHEL through the agency or not?

Reply: As per Tender specification only.

Q5: Note: 3-Cranes are for erection purpose and shall not be available for the material handling and for transportation purpose for which contractor shall make his own arrangement.

Please confirm whether these cranes can be used for unloading the materials brought at site on trailer and shift the materials already at site as this is required to be done incidental to the erection work.

Reply: As per tender specification only.
