TENDER SPECIFICATION No : BHE / PW / PUR / RGIT-STR / 838/839

Some of the bidders have asked the clarifications on tender specification which are as below :

1. **Ref Clause 2301 GI Handrails is a part of total structural steel works.**

Bidders query: GI Handrails should be deleted from item description and it shall be separate item head like supply of electro forged gratings of item no-2307.

BHEL Reply: During the course of execution GI Hand rails may be required to suit site condition. Therefore the word GI Handrail can't be deleted.

2. **CI NO 3.2.1 (A) Page-33 TCC-II**

Electricity for construction purposes will be provided by BHEL at single point source.

Bidders query: Electricity for construction purposes will be provided at least two points in fabrication yard and two points at erection yard .BHEL should confirm that electricity will be provided at 4 points.

BHEL Reply: Electricity for construction purposes will be provided by BHEL at single point source provided fabrication yard is made available by customer within 500 meter from erection site, otherwise one source in fabrication yard and one at erection site.
