TO THE TENDER REF: LOG/CCC/12-14/5052E DT:11.01.2013 FOR  
HYDRAULIC AXLE RATE CONTRACT - 2012-2014

NIT-13458

The following corrigendum is notified to the above cited Open Tender - NIT-13458

1. Eligibility Criteria for Technical Qualification: - Clause 5 (Page 58)

This Clause regarding IBA is waived off from the Technical Eligibility Criteria since IBA is kept under abeyance now for Transport Operators.

2. Specific Guidelines : - Clause 8.3.3 (Page 10)

This Clause is amended as “In case of tie in the L1 rates, then the selection of L1 transporter will be on the basis of the date of their offer. In case more than one Vendor submitted offer on the same date, then the time of receipt of offer, as evidenced by the official date & time seal of CCC/Logistics will be the basis for deriving the ranking accordingly.”

3. Specific Guidelines : - Clause 8.4.5 (Page 11)

This Clause is amended as “Counter offering will be given to the Bidders - Rate Schedule wise. The Bidders who accept the counter offer for particular rate schedule(s) will be awarded Contract for that rate schedule(s) only.” Hence for a particular rate schedule, BHEL will proceed only with those transporters who have accepted counter offer of BHEL for the particular rate schedule.

All other tender conditions remain unaltered. This corrigendum-1 is an integral part of the tender and Tenderers are requested to Sign & Stamp this corrigendum and enclose along with the Techno Commercial Bid. Bids received without this corrigendum duly signed are liable for rejection.
