AMENDMENT -01 to NIT No. 14997

Dated 12.09.13

Ref: Tender Spec No: TBSM/PUGALUR/CIVIL/TENDER, Dated 02.09.13

With reference to above tender for "Execution and handing over of civil works for 400kV bay extension at Pugalur in Tamilnadu" following amendments may please be noted.

1. Conditions of contract for civil works

Cl. No.	Existing Terms & Conditions of contract for civil works	Modified Terms & Conditions of contract for civil works
A 17.1	The Security Deposit shall be deposited within 15 days from the date of award of work	The successful bidder shall deposit the Security Deposit of requisite value to BHEL on award of the work inline with the clause no A.17.0 of GCC before start of work.
A 17.4	Failure to deposit the Security Deposit within the stipulated time, may lead to forfeiture of EMD and cancellation of the award of work	The successful bidder shall submit unconditional acceptance to the LOI within 15 days of the issue of the same. In case the bidder fails to convey unconditional acceptance or to initiate work as per site requirement, it may lead to forfeiture of EMD and cancellation of the award of work. However, the work order shall be issued only after submission of security deposit as per clause A.17.0 of GCC.
C-29.1	The contractor shall be paid monthly running bill to a maximum of 95% (retaining 5% from each running bill) of value of the works actually executed on site provided the work has been executed to the satisfaction of the Engineer. The payment for yard tower and equipment foundations shall be admitted only after the full completion of the foundation including the fixing of the foundation bolts and for cable trenches, the payment will be admitted for the completed portion of the trench with trench walls. From this amount recoveries such as security deposit, income tax etc. would be made. The certificate of the Engineer regarding such approval and passing of sums so payable shall be final and conclusive against the contractor.	The contractor shall be paid monthly running bill to a maximum of 95% (retaining 5% from each running bill) of value of the works actually executed on site provided the work has been executed to the satisfaction of the Engineer. The payment for yard tower and equipment foundations, cable trenches shall be admitted on progressively on completion of work. However, fixing of foundation bolts of tower & equipment and welding of insert plate & trench wall is to be executed as per time schedule prescribed by Engineer-In-Charge. In case of delay due to contractor, payment made equivalent to amount of work done in tower, equipment and trenches will be withheld from successive bills. From payable amount recoveries such as security deposit, income tax etc. would be made as per rule. The certificate of the Engineer regarding such approval and passing of sums so payable shall be final and conclusive against the contractor.

2. **Materials**

All material such as cement, steel, foundation bolt, coarse/ fine aggregate, bricks etc. required for construction works have to be procured from Customer (PGCIL) approved sources only. Customer (PGCIL) approved source/ vendor list for procurement of foundation bolts is attached. Final inspection of foundation bolts shall be carried out by PGCIL and BHEL. It will be the bidder's responsibility to get the approval of materials and vendors for all other materials.

- All other terms & conditions of the tender specifications remain unchanged.
- Please enclose with your Technical Bid a copy of this amendment-01 duly signed by your authorized signatory and stamped.
