Disclaimer

The information contained in this Tender Document or subsequently provided to Bidder(s) whether verbally or in documentary form by or on behalf of BHEL or by any of their employees or consultants, shall be subject to the terms and conditions set out in this Tender Document and any other terms and conditions subject to which such information is provided.

This Tender Document is not an agreement and is not an offer or invitation by BHEL to any party other than the Bidder who is qualified to submit the Bid. The purpose of this Tender Document is to provide the Bidder with information to assist the formulation of their Proposal in response to this Tender Document. This Tender Document has been prepared with care and attention to provide all required information to the Bidders. However, Bidders may need more information than that provided. In such an event, the Bidder is solely responsible to seek the information required. BHEL reserves the right to provide additional requested information at its sole discretion and shall provide the same to all Bidders (i.e. the Bidder who has sought for such information as well as all other Bidders). In order to respond to the tender, if required, and with the prior permission of BHEL, each Bidder may conduct his own study and analysis, as may be necessary to supplement the information and data. BHEL, its employees and consultants make no representation or warranty and shall incur no liability under any law, statute, rules or regulations on any claim the Bidder may make in case of his failure to understand the requirement and make the proposition. BHEL may, in its absolute discretion, but without being under any obligation to do so, update, amend or supplement the information in this Tender Document.
