CLARIFICATIONS TO BIDDER'S QUERIES

HALDIA TPP, WB.

(ii)Package-B: Field Quality Assurance Services for Erection of Boiler & Auxiliaries, piping & other mechanical packages etc. for 3x150 MW Units at IPCL HALDIA TPP, WB.

Tender No. PSER:SCT:HLD-Q1539: 14.

Sl.No	Reference clause or tender document	Existing Provision	Bidder's query	BHEL's clarification
1	Clause 2.8.7 of GCC	While BHEL could pay the inspection fees, of the Boiler Inspectorate, all other arrangements for the visits periodically by Boiler Inspector to site, inspection certificates etc. will have to be made by the contractor.	Our understanding is that coordination with IBR authorities/Boiler inspector will be done by BHEL or fabrication/erection contractor and not in the scope of TPIA, kindly clarify.	AS PER TENDER.
2	Clause 7.2 of Technical Specification and SCC	Field quality assurance engineer(s) should be young energetic graduate engineer(s) in mechanical engineering with minimum 3 years related job experiences or diploma engineers in mechanical engineering with minimum 5 years related job experiences (experience in 150 MW unit or above is preferable).	In the Tender Doc. mentioned that Sr.Engineer & Engineer is of having same experience (Either Graduate Engg with Three Years or Diploma Engg with 5 years), How will you differentiate between Sr.Engineer & Engineer especially for considering Manmonth Rates in Invoicing/Billing purpose	Sr. Engineer must be a graduate in mechanical engineer with 5 years experience as a QA Engineer in power plants(150 MW unit or above). He must have ANST Level-II certificate in RT and UT.
3	Clause 6.2.3 of Technical Specification and SCC	All test equipments/ Instruments required for mechanical tests will be provided by BHEL/ its sub-contractors (other contractors working at site),free of any charges. As regards facilities for witnessing/ carrying out various checks/tests at site, BHEL shall provide, besides normal test equipments, unskilled manpower and scaffoldings If needed, free of any charges. BHEL shall not provide skilled personnel/lab assistant for handling day to day testing jobs.	For conducting Mechanical NDT, BHEL or their sub contractor should provide skilled personnel/lab technician for handling day to day testing Jobs. Handling of Testing Equipments by TPIA Engineer or unskilled manpower may lead to damages.And Engineers with 3/5 years of experience may not be having adequate knowledge of testing Equipments functioning.	NDE will be done by separate contractor FQAE to verify process of NDE And results as per standard.He has to do/verify/supervise visual or metrological tests.
4	Clause 6.2.3 of Technical Specification and SCC	Contractor shall make available suitable personnel/senior level technical personnel (personnel,other than posted at site) for discussions/interactions with BHEL, Customer and consultants, vendors/sub-contractors whenever need arises.senior level personnel of Contractor will visit periodically to site to ascertain the quality of jobs performed by their site personnel. Such visits of senior personnel will be free of any additional charges to BHEL.	Will BHEL provide accomodation and local transport free of charge during the visit of our senior level technical person at site?	No
