		observed that civil/mechanical Erection front and material inputs are not available timely hence the project gets delayed. In such cases site overhead beyond contract period are to be paid by BHEL over and above as mention in clause no. 2.12 of GCC.	
6	3.6.17 of TCC	Since distance up to erection site not mentioned we are not in a position to access cost of dragging of transformer. As such we are quoting unit rate for per meter dragging and billing can be done based on actual length of dragging.	Quotings are to be made as per Price schedule Volume-III A of the tender. However, 100 mtr. maximum length of dragging can be considered by the bidder while quoting.
