	5.0	Other References, if any.

With reference to above, following points, relevant to tender, may please be noted and complied with while submitting the offer.

- 1.0 [Annexure-A to TCN-03](#) with modifications to tender terms.
- 2.0 [Revised BOQ cum price schedule format VOL-III- PRICE SCHEDULE, REV-01](#) superseding VOL-III PRICE SCHEDULE, REV-00 issued earlier along with NIT.

Bidders are requested to submit their offer as per revised BOQ (Rev-01) only. Offer from bidders in superseded price schedule (Vol-III, REV-00) shall not be considered. Bidders are also requested to submit a declaration in techno-commercial offer that they have submitted their price bid in sealed envelope as per REVISED price schedule format (VOL-III- PRICE SCHEDULE, REV-01).

- 3.0 [Revised 'No deviation certificate'](#) is attached. Bidder to submit 'No deviation certificate' as per attached format only.
- 4.0 All other terms & conditions shall remain unchanged.

Thanking you,

Yours faithfully,
for BHARAT HEAVY ELECTRICALS LTD

Dear Sirs,

With reference to above, this is to confirm that as per tender conditions, we have visited site before submission of our offer and noted the job content & site conditions etc. We also confirm that we have not changed/ modified the tender documents as appeared in the website/ issued by you and in case of such observance at any stage, it shall be treated as null and void.

We hereby confirm that we have not taken any deviation from tender clauses together with other references as enumerated in the above referred NIT. We hereby confirm our unqualified acceptance to all terms & conditions, unqualified compliance to technical specification, integrity pact (if applicable) and acceptance to reverse auctioning process.

In the event of observance of any deviation in any part of our offer at a later date whether implicit or explicit, the deviations shall stand null & void.

We confirm to have submitted offer in accordance with tender instructions and as per aforesaid references.

Thanking you,

Yours faithfully,

(Signature, date & seal of authorized
representative of the bidder)

**VOLUME-III
PRICE SCHEDULE, REV-01**

Design, engineering, manufacturing, supply, fabrication, erection, hydro test, painting, commissioning, etc of Miscellaneous Tank Package, comprising of 2 (Two) numbers 10.5 mtr dia x 10 mtr height condensate storage tanks and 2 (Two) numbers 4 mtr dia x 16 mtr height service water storage tank for 2x660 MW units at IB TPS, Banharpalli, Odisha.

TENDER NO - PSER:SCT:BNP-M1622:14

PREAMBLE

SL NO	DESCRIPTION
1	This preamble forms part of tender document and schedule of items. The tenderer should read this preamble carefully in rates for various items. Clauses under this preamble shall be read in conjunction with Volume-IB, ID, IE , Volume – IF and other tender sections as applicable.
2	The work shall be carried out strictly as per specifications, description of the items in these schedule and / or engineer's instructions.
3	Items of work provided in this schedule but not covered in this specification shall be executed strictly as per instruction of the engineer.
4	Unless specifically mentioned otherwise in the tender document, the tenderer shall quote for the finished items and shall provide for the complete cost towards power, fuel, tools, tackles, equipment, constructional plants, temporary works, labour, dismantling of all temporary piping, structures, valves, pumps, tanks & other misc. equipment, strengthening of roads/culverts/bridges etc. including arranging all clearances etc. required for carrying out different activities & tests, materials, levies, taxes(except service tax), transport, layout, repairs, rectification, maintenance till handing over, supervisions, colonies, shops, establishments, overheads, profits and all incidental items not specifically mentioned but reasonably implied and necessary to complete the work according to the complete tender document and this schedule.
5	The quantities of the various items mentioned in this schedule of items are approximate, based on very preliminary information and may vary to any extent or be deleted altogether. The quoted rates of each item will remain firm throughout the period of execution including extension, for reasons whatsoever, as long as variation in the total value of work executed under any part of this contract including extra items, if any but excluding any price variation remains, within thirty percent ($\pm 15\%$) of the awarded price as per LOI .
6	Prior written approval of BHEL shall be sought by the contractor in case quantity variation of any item crosses +50% (plus fifty percent) limit during execution and approval to be obtained before execution of further quantity for this item.
7	In case Sealed /Paper Price Bids are opened for finalisation of the tender, for any Item Rate/BOQ based contract, possibility of variation of quantity/ addition/deletion of items can not be ruled out. Under such circumstances, after execution of work, if it is observed that standing as L-1 is changed based on actual quantity executed, the bidder shall give suitable rebate to maintain your standing as L-1. Since this aspect can be assessed at the end of execution, necessary adjustment will be effected at the end of execution in final bill.This condition shall not be applicable where the tender is finalised through Reverse Auction.
8	BHEL reserve the right to rationalize the rates, quoted by L-1 bidder against unit rate items and/ or other optional items with respect to item-wise lowest rates (amongst the participating bidders), before placement of order.

SL NO	DESCRIPTION
9	The rates quoted shall be inclusive of cleaning of site of any vegetation, dressing , clearing of old structures and leveling etc. including fixing of grid pillars, benchmarks etc. required for commencement of site activities. No separate payment will be made towards the same.
10	Rates shall be quoted in figures and in words in clear legible writing. No overwriting is allowed. All scoring and cancellations should be countersigned and in case of illegibility the interpretation of engineer shall be final. All entries shall be in English language.
11	All works item wise shall be measured upon completion and paid for at the rates quoted and accepted as per BHEL approved payment schedule/billing break-up.
12	The tender shall be deemed to have visited site and made himself aware of all the site conditions, studied the specifications and details of work to be done within the time schedule attached and to have acquainted himself of the conditions prevailing at site.
13	No splitting of the job is envisaged. Decision of BHEL in this regard shall be final and binding to the bidders.
14	Bidders are not allowed to alter the Price Schedule format including item description, quantity etc. and the offer is liable for rejection if the bidders submit their prices in Price Schedules modified by them. BHEL reserves the right to reject the offers of bidders who submit offers in Price Formats which are modified/ altered by them.
15	Bidders to note that for Civil &/Structural packages, against a particular item against a ST No. appearing in more than one schedule of the BOQ, same rate must be quoted in all schedules for that particular items with same descriptions. If by error, different rates are quoted in different schedules for same ST No.(i.e. item with same description), then the higher of the rates shall be considered for evaluation but awarding shall be done with the lower rate ,if the bidder becomes L-1.”
16	In case of Lumpsum contracts, addition or deletion of the scope beyond the variation limit specified shall be derived from the quoted Lumpsum price and the tendered scope of work considering the allowable variation limit.
17	Engineer's decision shall be final and binding on the contractor regarding clarification of items in the schedule with respect to the other sections/volumes of the contract.
18	In case of tender for Civil and/or Structural works , the Non-schedule items are not quoted by the bidder, it will be treated at par with rate of corresponding item of CPWD/PWD/DSR schedule as prescribed in the tender/BOQ cum Rate Schedule.
19	Size and weights of various items are mentioned in the attached BOQ cum rate/price schedule for reference purpose only & these shall not be taken into consideration for quoting/calculating amount in the rate schedule. These shall be utilised as per relevant sections of tender. Bidders shall quote for each item in the rate column, taking unit as mentioned in the quantity column. Rates shall be filled in both figures and words. Amount shall be calculated based upon these rates multiplied by the mentioned quantity for the respective items.
20	Bidder's GRAND Total price will be shall be considered for evaluation unless stated otherwise.
21	In case of BOP packages, if Bidder does not quote/indicate the price for freight chages against indicated rate schedule, the same shall be considered as 2% of basic price and adjusted with the total quoted price against each item keeping the total quoted price unaltered.

**VOLUME-III
PRICE SCHEDULE, REV-0**

Design, engineering, manufacturing, supply, fabrication, erection, hydro test, painting, commissioning, etc of Miscellaneous Tank Package, comprising of 2 (Two) numbers 10.5 mtr dia x 10 mtr height condensate storage tanks and 2 (Two) numbers 4 mtr dia x 16 mtr height service water storage tank for 2x660 MW units at IB TPS, Banharpalli, Odisha.

TENDER NO - PSER:SCT:BNP-M1622:14

SCH-1 - TOTAL PRICE

SL NO	DESCRIPTION OF EQUIPMENT/ ITEM	TOTAL QUOTED PRICE (Rs)
1.0	Total price for supply & service parts together for design, engineering, manufacturing, fabrication, inspection, testing, painting, supply/ delivery duly packed at project site including freight (Except the material, BHEL will supply free of cost as per tender), receipt, unloading, storage & handling at site, erection, commissioning, trial run, handing over, etc in line with drawings/ documents/ test procedures approved by BHEL/ customer, for the total scope defined in the technical specification and terms & conditions of tender, taking into account all clarifications, confirmations, agreements till date, complete with all accessories, including supply of consumables, erection & commissioning spares, special tools & tackles for maintenance, mandatory spares, of Miscellaneous Tank Package, comprising of 2 (Two) numbers 10.5 mtr dia x 10 mtr height condensate storage tanks and 2 (Two) numbers 4 mtr dia x 16 mtr height service water storage tank for 2x660 MW units at IB-TPS, Banharpalli, Odisha.	
2.0	Total loading value for steel plate (to be supplied by BHEL free of cost as per tender). (Loading rate - Rs 55,000.00 per MT).	
3.0	Total price for evaluation (1.0 + 2.0).	

NOTE

1.0	Bidder to note that total price at sl no 3.0 above shall be considered for evaluation and awarding will be done as per price at sl no 1.0. As such total price at sl no 3.0 should be complete in all respect for the full scope defined and considering all terms and conditions.
2.0	Bidder shall note that Service Tax (On service part) shall be paid extra at actual as per tender provision. As such, bidder's price shall be exclusive of these components and evaluation of bidders total price will be done on this basis.
3.0	Bidder to note that percentage break-up of above total price at sl no 1.0 into supply part, service part are frozen and indicated in SCH-2. Base on this break-up and further break-up in subsequent schedules, separate orders will be placed for (i) Main supply; (ii) Mandatory spares supply and (iii) Service, as per respective price components. Based on this broad break-up, item/ system-wise pertenage break-up of supply part & service part are frozen & indicated in subsequent schedules.
4.0	For supply part, bidder shall furnish break-up of broad allocated item/ system-wise prices into basic price, taxes & duties, freight, total in the respective schedule in the following manner.
4.1	SCH-3 - Main supply price break-up into basic, taxes & duties, freight, total for various items/ systems as per prescribed format.

SL NO	DESCRIPTION OF EQUIPMENT/ ITEM	TOTAL QUOTED PRICE (Rs)
4.2	SCH-4 - Erection & commissioning spares price break-up, indicating items-wise break-up into basic, taxes & duties, freight, total, corresponding to allocated percentage of SCH-3..	
4.3	SCH-5 - Special tools & tackles for maintenance price break-up, indicating items-wise break-up into basic, taxes & duties, freight, total, corresponding to allocated percentage of SCH-3..	
4.4	SCH-6 - Mandatory spares price break-up, indicating items-wise break-up into basic, taxes & duties, freight, total corresponding to allocated percentage of SCH-3.	
4.5	SCH-8 - Import content.	
5.0	For service part, break-up of allocated item/ system-wise prices is frozen and furnished in SCH-7 and shall be followed for all contractual purpose. For this, bidder need not to furnish any further break-up.	
6.0	For import content, price of which is included in sl no 1.0 above, but to enable issue of requisite documents by BHEL, bidder shall furnish details of CIF content in SCH-8.	
7.0	Bidder shall note that while the allocated price in each schedule correspond to their respective prices, rates of various components will be worked out by apportioning the amounts wrt respective indicated quantities.	
8.0	If the bidder fail to furnish break-up as per above or furnish break-up in variance to above, BHEL reserve the right to fill-in or amend break-up, as applicable, as per BHEL's discretion in line with broad frozen break-up. Decision of BHEL in this regard shall be final & binding on bidder.	
9.0	Based on mode of finalisation of contract (Either through Reverse Auction or price bid opening, followed by negotiation, if any, while absolute price may change, percentage allocation as per the price schedule shall remain unchanged.	
10.0	If freight component is not specifically indicated in the relevant section of price schedule, 2 % of total corresponding amount will be considered as freight component against each item for further processing.	
11.0	Bidder shall furnish item-wise rate/ price for mandatory spare as per list & as per technical specification, in the relevant schedule, if included. In case, bidder do not furnish any rate/ price or indicate 'NA' against any item due to non-applicability as per bidder's design, etc, they have to supply such items, if found required on detail engineering or due to any other reason at a later date as per direction of BHEL/ customer.	
12.0	Bidder shall furnish item-wise rate/ price for special tools & tackles for maintenance as per specified list of technical specification or separately furnish item-wise rate/ price break-up against allocated percentage in the price schedule. In case, bidder do not furnish any rate/ price or indicate 'NA' against any item due to non-applicability as per bidder's design, etc, they have to supply such items, if found required on detail engineering or due to any other reason at a later date as per direction of BHEL/ customer.	
13.0	Bidder shall furnish item-wise rate/ price for erection & commissioning spares as per specified list of technical specification or separately furnish item-wise rate/ price break-up against allocated percentage in the price schedule. In case, bidder do not furnish any rate/ price or indicate 'NA' against any item, they have to supply such items, if required on detail engineering or due to any other reason at a later date as per direction of BHEL/ customer.	

SL NO	DESCRIPTION OF EQUIPMENT/ ITEM	TOTAL QUOTED PRICE (Rs)
14.0	In case bidder do not indicate price component or indicate `NA', etc in the relevant schedule for any other items component required for completion of package, if applicable, they have to supply & execute such items, if required on detail engineering for completion of the package, at no extra cost to BHEL.	
15.0	Quantity of variable items (marked *), if included, is likely to vary during detailed design & engineering stage mainly due to change in layout/ dimension, etc. The unit rates quoted & accepted by BHEL for these items shall be considered and no separate unit rates shall be quoted. Unit rates shall be valid throughout contract.	
16.0	Unit rate items, if included, shall not be considered for evaluation. The rates for the Unit rate items shall be applied for addition/ deletion of scope and rates shall be valid through out the contract period, including extension.	
17.0	Other optional items, if included, shall not be considered for evaluation.	
18.0	BHEL reserve the right to rationalize the rates, quoted by L-1 bidder against variable items, Unit Rate items other optional ,items with respect to item wise lowest rates (amongst the participating bidders), before placement of order.	
19.0	BHEL shall issue requisite document, if required, for imported items, if included, limited to the CIF values furnished by bidder in the relevant schedule.	
20.0	Any item as per scope of work, if not included in the price quoted above and shown separately will not be taken cognizance of and the offer shall be liable for rejection.	
21.0	Price format shall not be changed by bidder in any case, since it may lead to cancellation of bidder's offer.	

VOLUME-III			
PRICE SCHEDULE, REV-01			
Design, engineering, manufacturing, supply, fabrication, erection, hydro test, painting, commissioning, etc of Miscellaneous Tank Package, comprising of 2 (Two) numbers 10.5 mtr dia x 10 mtr height condensate storage tanks and 2 (Two) numbers 4 mtr dia x 16 mtr height service water storage tank for 2x660 MW units at IB TPS, Banharpalli, Odisha.			
TENDER NO - PSER:SCT:BNP-M1622:14			
SCH-2 - TOTAL PRICE BREAK-UP			
SL NO	DESCRIPTION OF EQUIPMENT/ ITEM	ALLOCATION OF TOTAL PRICE (IN PERCENT)	ABSOLUTE VALUE IN Rs.
(1)	(2)	(3)	(4)
BREAK-UP OF TOTAL PRICE, SL NO 1.0 OF SCH-1			
1.0	MAIN SUPPLY Total price for supply part for design, engineering, manufacturing, inspection, testing, painting, supply/ delivery duly packed at project site including freight (Except the material, BHEL will supply free of cost as per tender), etc in line with drawings/ documents/ test procedures approved by BHEL/ customer, for the total scope defined in the technical specification and terms & conditions of tender, taking into account all clarifications, confirmations, agreements till date, complete with all accessories, including supply of consumables, erection & commissioning spares, special tools & tackles for maintenance of Miscellaneous Tank Package, comprising of 2 (Two) numbers 10.5 mtr dia x 10 mtr height condensate storage tanks and 2 (Two) numbers 4 mtr dia x 16 mtr height service water storage tank for 2x660 MW units at IB-TPS, Banharpalli, Odisha.	59%	
2.0	MANDATORY SPARE SUPPLY Total price for supply part for design, engineering, manufacturing, inspection, testing, painting, supply/ delivery duly packed at project site including freight, in line with drawings/ documents/ test procedures approved by BHEL/ customer, for the total scope defined in the technical specification and terms & conditions of tender, taking into account all clarifications, confirmations, agreements till date of mandatory spares of Miscellaneous Tank Package, comprising of 2 (Two) numbers 10.5 mtr dia x 10 mtr height condensate storage tanks and 2 (Two) numbers 4 mtr dia x 16 mtr height service water storage tank for 2x660 MW units at IB-TPS, Banharpalli, Odisha.	1%	
3.0	SERVICE Total price for service part for receipt, unloading, storage & handling at site, fabrication, erection, commissioning, trial run, handing over, etc in line with drawings/ documents/ test procedures approved by BHEL/ customer, for the total scope defined in the technical specification and terms & conditions of tender, taking into account all clarifications, confirmations, agreements till date, complete, of Miscellaneous Tank Package, comprising of 2 (Two) numbers 10.5 mtr dia x 10 mtr height condensate storage tanks and 2 (Two) numbers 4 mtr dia x 16 mtr height service water storage tank for 2x660 MW units at IB-TPS, Banharpalli, Odisha.	40%	
TOTAL (MAIN SUPPLY + MANDATORY SPARES SUPPLY + SERVICE)		100%	
NOTE			
1.0	Bidder to note broad percentage break-up prices at sl no 1.0 (Main supply, mandatory spare supply & service) in SCH-1 as per above.		
2.0	Bidder to note based on above break-up and together with break-up in subsequent schedules, separate orders will be placed for (i) Main supply; (ii) Mandatory spares supply and (iii) Service.		

**VOLUME-III
PRICE SCHEDULE, REV-01**

Design, engineering, manufacturing, supply, fabrication, erection, hydro test, painting, commissioning, etc of Miscellaneous Tank Package, comprising of 2 (Two) numbers 10.5 mtr dia x 10 mtr height condensate storage tanks and 2 (Two) numbers 4 mtr dia x 16 mtr height service water storage tank for 2x660 MW units at IB TPS, Banharpalli, Odisha.

TENDER NO - PSER:SCT:BNP-M1622:14

PRICE SCHEDULE, REV-01**

Design, engineering, manufacturing, supply, fabrication, erection, hydro test, painting, commissioning, etc of Miscellaneous Tank Package, comprising of 2 (Two) numbers 10.5 mtr dia x 10 mtr height condensate storage tanks and 2 (Two) numbers 4 mtr dia x 16 mtr height service water storage tank for 2x660 MW units at IB TPS, Banharpalli, Odisha.

TENDER NO - PSER:SCT:BNP-M1622:14

SCH-6 - MANDATORY SPARES SUPPLY PRICE BREAK-UP

SL NO	DESCRIPTION OF EQUIPMENT/ ITEM	QUANTITY	QUOTED PRICE (IN Rs)					TOTAL PRICE
			BASIC PRICE	ED (As per tender)	CST (As per tender)	VAT (As per tender)	FREIGHT	
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)=(4)-(8)
BREAK-UP OF MANDATORY SPARES SUPPLY PRICE, SL NO 2.0 OF SCH-2								
1.0	Condensate storage tank							
1.1	Level gauge.	1 no.						
4.0	Service water staorage tank							
4.1	Level gauge.	1 no.						
TOTAL (MANDATORY SPARES SUPPLY)								

NOTE

- 1.0 While allocation for mandatory spares supply price is frozen in SCH-2, further break-up of mandatory spare supply price (100 %) of into various components of to be furnished by bidder in this schedule as per prescribed format.
- 2.0 Unless stated otherwise, a 'set' means item or sub-items required for each type/ size, range of assembly/ sub- assembly required for complete replacement in one equipment system; it is further intended that the assembly/ sub-assembly which have different orientation (like left hand or right hand, top or bottom), different direction of rotation or mirror image positioning or any other reasons which result in marinating two different sets of spares to be used for subject assembly/ sub assembly, these shall be considered as different type of assembly/ sub assembly.
- 3.0 Wherever quantity has been specified as percentage (%), the quantity of mandatory spares to be provided by successful bidder shall be the specified percentage (%) of total population required to meet the specification requirements. In case the quantity of mandatory spares so calculated happens to be in fraction, the same shall be rounded off to next higher whole number.
- 4.0 Wherever the quantities have been indicated for each type, size, thickness, material, radius , range, etc, these shall cover all the items supplied and installed and the breakup of these shall be furnished by successful bidder during detail engineering.
- 5.0 In case spares indicated in the list are not applicable to the particular design offered by the bidder, the bidder should offer spares applicable to the offered design with quantities genaerally in line with the approach followed in the above list.

**VOLUME-III

29.11	All aforesaid taxes, duties, etc amount will be included for evaluation of bidder's total price.
Volume-ID	
37.0	TAXES, DUTIES, ETC
37.1	All taxes (excluding Service Tax, Educational Cess and other Cess), Works Contract Tax/ VAT under state VAT Act, charges, royalties, duties, Entry Tax, Cess, any state or central levy & tax for materials obtained for the work and for the execution of the contract shall be borne by successful bidder and shall not be payable extra.
37.2	Service Tax along with Educational Cess as legally leviable & payable by successful bidder under Sec-65B (44), shall be paid by BHEL on production of GA R-7 challan. In case Service Tax is payable by BHEL under reverse charge mechanism, vide Notification no 30/2012 - Service Tax, dated 20-06-2012, shall be paid separately.
37.3	Vide Section 68(1) of Finance Act, 1994 read with Rule 6(1) of Service Tax rules, 1994, payment of Service Tax at the rate specified in Section 66B in Section 68 wef 01-07-2012, vide Order no 1/2012, dated 15-06-2012 is reimbursable by BHEL. Successful bidder shall furnish proof of Service Tax registration (ST-2) with Central Excise Division covering the services under this contract. Registration should also bear endorsement for the premises from where billing shall be done by successful bidder on BHEL for this project.
37.4	Successful bidder shall issue invoice complying with Rule 4A of the Service Tax Rules 1994. The invoice shall indicate the name, address and the registration number (PAN Based STC no) of successful bidder; the name, address and the registration number of BHEL (AAACB4146PST005); the description and value of taxable service provided; and the Service Tax payable thereon by successful bidder.
37.5	BHEL will not be held to be responsible for non-compliance of various Service Tax rules, being framed from time to time.
37.6	Point of Taxation Rule, 2012 has come into operation from 01-04-2012. As per the rule Invoice must be generated within 30 days from the date of completion of service. In such case, the date of invoice will be the relevant date. However, if the invoice is not generated within 30 days as stated above, the date of completion of service shall be the relevant date.
37.7	Successful bidder shall furnish all documentary evidences towards payment of Works Contract Tax as & when required by BHEL.
37.8	Submission of tax invoice is a must after grossing up the bills/ invoice as the price is inclusive of VAT.
37.9	Successful bidder must be a registered dealer with the state Value Added Tax Act, 2004, if not registered yet, and a copy of the said registration certificate along with TIN number must be provided to RAO, BHEL site.
37.10	No Road Permit/ Way Bill will be provided by BHEL for this job for bringing materials from outside state to Odisha state. Successful bidder have to make their own arrangement at their cost for completing the formalities, if required, with state VAT Act authorities, for bringing their materials, plants & machinery at site for execution of the works under this contract. Road Permit/ Way Bill, if required, shall be arranged by successful bidder.
37.11	With introduction of Cenvat Credit Rules, 2004 which came into force wef 10-09-04, Excise Duty paid on input goods including capital goods used for providing the output service and Service Tax paid on Input Service can be taken credit of against the Service Tax payable on output service. As such, while offering the rates, successful

	bidder may take into account the benefit of above provisions, as the cost of input to successful bidder will be net of Excise Duty and Service Tax and adjust their offer price accordingly to make it more competitive.
37.12	Any increase in taxes, Works Contract Tax/ VAT under state VAT Act, charges, royalties, duties, Entry Tax, Cess, any state or central levy & tax for materials obtained for the work and for the execution of the contract, at any stage during execution of the contract, including extension, shall have to be borne by successful bidder. Accepted rates/ price shall be inclusive of all such requirements after taking the Input Credit, if any, as per provisions of the state VAT Act.
37.13	New taxes, duties, etc, if imposed by statutory authority during the contract period including extension, if any shall be borne by successful bidder and no claim in this regard shall be admissible to BHEL.
37.14	TDS under Income Tax, VAT etc, shall be deducted at prevailing rates on Gross Invoice Value from the bills unless Exemption Certificate in Form VAT-606 from the appropriate authority/ authorities is/ are furnished
