ERRETA-I

1) At many places unit-V is appearing instead of Unit-Vi. For all practical purposes, the same shall be read as Unit-VI.

2) Payment terms is appearing twice at Page-75 and 66. Please note that the clause no.12.1, page 75 only stands deleted.

3) The line “For the purpose of payment of piping & insulations, the rate shall be valid for a tonnage of 331.700 MT and shall remain firm for a variation of (+/-) 20% of the weight”, written under note against payment terms in page 75 stands deleted.

4) Page-10 –cl 1.6.3 stands modified as under :

On availability, the cranes (ref. Annexure-IV) will be provided to contractor on sharing and free of any hire charges basis. Required fuel and consumables for the Crane will be provided by BHEL free of cost. During normal working hours, crane operator (along with helper, if any), if available, will be provided by BHEL on free of cost basis. In the event, the deployed BHEL Crane, is used by the contractor beyond normal 8 hours of working (In single/multiple operation) in any day excluding (working day / holidays / Sundays), the contractor has to deploy his own operator for crane operation during these extended hours. In case the proficiency of contractor’s crane operator is not found satisfactory for safe operation of the crane, BHEL’s crane operator will be engaged for operation and in this eventuality, the contractor has to bear the overtime charges of BHEL’s crane operator (along with helper, if any) as per BHEL’s norms. However, BHEL engineer’s decision in this regard will be final after judging the proficiency of the contractor’s crane operator.

5) In regard to computer operators as described against cl no.1.27.1, page no 35, The clause no. 1,27.1 stands modified as under : All the bidders to note as under :

Receipt and issue of Boiler components will be managed through totally computerized SOMS (Site Operating Management System) and to facilitate issue of TG etc material and reconciliation of the same at regular periodicity.
