14. Contractor on the advice of the Company official shall immediately remove any person employed by him, who may in the opinion of the Company official is incompetent or misconducts himself and such persons shall not be again employed on the works with out written permission of the Company official.
15. The contractor shall erect and maintain at his own cost temporary weather proof sheds at such places approved by the Company for keeping materials under cover (if necessary).
16. The contractor shall give all notices required by the acts, regulation, bylaws, legal acts and pay all fees in connection therewith unless and otherwise arranged and decided in writing with the Company. He shall also ensure that no attachments are made against materials or work forming part of or for the use of the contractor. In all such cases, contractor shall protect and indemnify the Company against any claim or liability arising from or based on the violation of any such laws, ordinances, regulations, orders, decrees or attachment either by himself or by his employees.
17. It shall be contractor's sole responsibility to protect the public and his employees against accident from any cause and provide required safety equipments and shall indemnify the Company against any claims for damages for injury to the person or property resulting from any such accidents and shall, where the provisions of the workmen's compensation Act apply, take steps to properly insure against any claims therunder.
18. In the event of any accident in respect of which compensation may become payable under the workmen's compensation Act.VIII of 1923 whether by the contractor or by the Company as principal, it shall be lawful for the Company to retain out of monies due and payable to the contractor such sum or sums of money as may, in the opinion of the Company shall be final in regard to all matter arising in this clause.
19. No work shall be done on Sundays or on other declared Holidays of the Company without the written permission of the Company officer incharge of the work. The contractor shall comply with the provisions of the factory act if the same are applicable.
20. The contractor shall keep his work place clean and safe to avoid injuries to men and damage to finished products/equipments.

21. On the occurrence of an accident, which results in the death of any of the workmen employed by the contractor or which is so serious as to be likely to result in the death of any such workmen, the contractor shall within 24 hours of the happening of such an accident intimate in writing to the Company official incharge of the work.
22. The contractor shall indemnify the Company against all losses or damages sustained by the Company resulting directly or indirectly from his failure to give intimation in the manner aforesaid including the penalties or dues if any and become payable by the Company, as a consequence of failure, the Company to give notice under the workmen's compensation Act or otherwise conform to the provisions of the said Act in regard to such accident.
23. The contractor shall ensure adherence to all statutory requirements applicable to BHEL.
24. The contractor shall ensure abidance by all the labour laws especially including contract labour (R&A) Act, payment of wages Act, workmen's compensation Act, minimum wages Act, ESI Act and provident fund act as amended from time to time.
25. The contractor shall obtain a separate Provident Fund Code for his establishment and ensure implementation of Provident Fund Act in the case of all eligible employees and in the process shall conform to all stipulated conditions under the Provident Fund Act and rules framed there under.
26. Notwithstanding the above clause, in case of any financial loss incurred by company on account of contravention of the Provident Fund regulations or any regulations of rule touching the same by the contractor, the contractor shall submit an undertaking to indemnify the company to the extent of the loss incurred by the company.
27. The contractor should engage only those labourers who shall be more than 18 (eighteen) years of age.
28. The contractor shall not resort to subcontracting under any circumstances.
29. The contractor shall provide the required safety equipment to the labours engaged by him.
30. Contractor shall issue "Employment Card" to all labour and supervisors covered under the job work contract.
31. A copy of the agreement between contractor and his labour shall be submitted to the personnel department.
32. Whenever the term " CONTRACTOR" is used, it shall be understood to refer to the particular person, firm or corporation with whom an agreement has been made by the concerned Company official for executing the work defined in the concerned agreement and for the purpose of instructions regarding compliance with contract conditions, it shall include the contractor's authorised agents, who are entrusted with the work by contractor.
33. The quantities mentioned in the agreement schedule are worked out and may or may not be the actuals required for execution.
34. The Company does not expressly or by implication agree that the actual amount of the work to be done shall correspond there with, but reserves the right to increase or decrease the quantity of any class or portion of the work as he deems necessary.
35. All the works shall be carried out in accordance with the directions and to the satisfaction of the Company official in accordance with the drawings, specifications and instructions. Supplementing or explaining the same as may from time to time shall be done by the Company official.
36. The Company shall have power to reject at any stage, any work which is considered to be defective in quality of material or workmanship and shall not be debarred from rejecting wrong materials by reasons of having previously passed them in an unworked condition. Any portion of the work or materials rejected or pronounced to be inferior or not in accordance with specifications shall be taken down and removed from the work site at the contractor's expenses.

37. The decision of the Company shall be final and binding on the contractor on all technical questions which may arise in the contract with respect to material, workmanship, removal of improper work, interpretation of the working drawings, specifications, notes, procedures etc.
38. The decision of the "Contract Signing Officer" or any officer deputed by him duly authorized on his behalf, in respect of the rate of progress and the quality of work or material shall be final.
39. Contractor shall be deemed to have included in his tender price of all the plant, Machinery and appliances required for the purpose of all operations connected to secure a satisfactory quality of work and rate of progress which in the opinion of the Company will ensure the completion of the work within the time specified.
40. If at any time, during the progress of work or any part of it such methods or equipment appear to the Company official to be insufficient or inappropriate for ensuring the quality of work required or rate of progress, he may order the contractor to increase their efficiency or to improve their quality of work and the contractor shall comply with such order and on failure of which the Company may take such action as it deems it fit to improve the quality of work or the rate of progress required from the contractor and all such actions taken by the Company shall be at the cost and risk of the contractor.
41. It is open to the Company to lend or supply to the contractor any tools, implements, materials and machinery that are needed by the contractor, which in the opinion of the Company is essential to improve the quality or progress of work. The contractor shall pay such deposit or charges that may be fixed or determined by the Company for any such articles or machinery lent or hired to the contractor.
42. Any electric power required for contractors machinery for the purpose of work shall be supplied by the Company at the written request of the contractor at one point subject to the observance of rules and regulations of Electricity Board/Company and charges there on shall be recovered from the contractor.
43. The contractor shall conform to the regulations and laws of Central/State Govt. or any local authority and that of the Company with whose system the machinery is supposed to be connected.
44. All rubbish as it accumulates shall be removed from the site to the point of disposal as indicated from time to time by the Company. If this is not adhered to, the Company shall remove the scrap and recover the cost of these operations from the bills of the contractor.
45. Any sum due from the contractor on account of tools and plants, stores, or any other items provided by the Company shall be deducted from the respective bills due to him.
46. In case of breach of any of the terms and conditions of the contract, a claim shall be lodged under the bank guarantee with the guarantor at the discretion of the competent authority of the Company. On successful completion of the contract to the satisfaction of the Company, the bank guarantee shall be released after due claim period.
47. In the event of any question or dispute under this contract, the same shall be referred to a competent Authority in the Company for sole arbitration and his decision shall be final and binding on the parties to this contract.
48. In case of any suit or other legal proceeding arising under this contract, the courts at Sangareddy (Medak Dist.) A.P only shall have the jurisdiction.
49. The Company reserves the right to enter into parallel agreement with one or more contractor at their discretion.
50. Disputes, grievances between the contractor and his labour, will have to be settled by the Contractor only.
51. The labour employed by the Contractor, if found in abetting any fellow labour or Contractors or any BHEL employee, the same shall be considered as an act of indiscipline. Such labourers shall be removed from the services of the contractor, on the advice of BHEL. Further the Contractor shall

initiate every necessary action in accordance with the relevant Laws, Rules & Regulations and enactments of State and Central Government.

52. Wherever BHEL/COMPANY standards are mentioned, copies of which are enclosed shall be strictly followed.
53. Nothing contained in the contract agreement and its conditions shall be deemed to preclude or render inoperative the service of any notice, letter or other communication upon the contractor personally.
54. The decision of the "Contract Signing Officer" shall be final and binding on the contractor on all technical questions which may arise touching the contract with respect to the quality of material, workmanship, removal of improper work, interpretation of the working drawings, specifications, notes, procedures etc.

SPECIAL CONDITIONS

1. Time is the essence of the contract and the specified time of completion is upto which will be reckoned from the date of commencement of work, ***Completion Time for this work is 1 month***.
2. These special conditions supplement the conditions to tenders and contracts and the general conditions of contract and form part of the contract documents. Where these special conditions are at variance with the general conditions of contract. These special conditions shall prevail.
3. All rates quoted shall be finalized work in site inclusive of all leads, lifts and other incidental charges and those in general conditions.
4. Before quoting his rates of the work, the tenderer shall inspect the site of work and the quarries from which various materials are to be brought and should satisfy him about the nature and scope of work to be executed and quality of materials procurable from the quarries. In every case the materials shall confirm to the relevant IS and shall have got to be approved by engineer in charge before they are used on the work. BHEL will not, however, after acceptance of a contract rate. Pay extra charges for any other reason. In case the contractor is found later on to have misjudged the nature and scope of the work and also the availability of materials.
5. BHEL reserve the right to deviate either by addition or by deletion from the schedule of items of work given in the tender document after awarding the work.
6. In case of any difference between agreement wording and detailed drawings the interpretation of the site engineer shall be final and binding on the contractor.
