Pre-Bid Tie Up for Execution and Handing over of Civil Works for 400/220kV New Substation at Kishanganj and 400/220kV & 400kV Extension of Substations at Kishanganj & Patna in the states of west Bengal and Bihar respectively.  <b>Customer:</b> Power Grid Corporation of India Limited	As per clause 3.0 of salient T.C. for Pre-Bid Tie up.	Rs.2,00,000/- (in form of DD or Pay Order)	11.09.09 15.00 hrs.	11.09.09 15.30 hrs. (Technical bid only) and  Date of opening of Price bid Shall be decided after Techno-commercial scrutiny.

**2. ADDRESSES FOR SUBMISSION AND OPENING OF TENDER:**

**BHARAT HEAVY ELECTRICALS LIMITED,  
TRANSMISSION BUSINESS GROUP,**

**Lodhi Road New DELHI,**

**ATTN : R. LODWAL, AGM (TBSM)**

**Phone : 01141793381, Fax : 011-24369509**

**e-mail: rlodwal@bhelindustry.com**

3. BHEL is in the process of bidding on turnkey basis, for 400/220kv New Substation at Kishanganj and 400/220kV & 400kV Extension of Substations at Kishanganj & Patna.. BHEL intends to have a tie-up for the complete civil works associated with the above project on a back-to-back basis with the bidder whose offer is found to be most competitive.
4. Bidders should quote their most competitive rates.

---

Regd.Office : BHEL House, Siri Fort, New Delhi - 110049

5. BHEL shall enter in to MOU with L1 bidder for pre-bid tie up with a condition that the work will be awarded to L1 bidder in case BHEL gets the order from customer. MOU shall contain all major terms and conditions to be included in the contract. Please note that in the event of price reduction during negotiation by BHEL with customer, the bidder shall give the corresponding reduction in his final offer submitted to BHEL.
6. The bidder shall furnish 1% of the value of the final agreed price as bid-bond in the form of Bank Guarantee immediately after signing of MOU. The bidder shall keep the Bank Guarantee valid till the customer finalise the tender.
7. The prospective bidders who have downloaded the tender documents from our website are requested to send their acknowledgement and willingness to participate in the tender to the undersigned, through fax or email.
8. Offers should be strictly in accordance with the Tender Specifications and General Instructions to Tenderer enclosed herewith.
9. The contractor shall give his explicit confirmation without any deviations to the HSE (Health, Safety and Environment) requirements as per enclosed specification No. TBSM-HSE-SPES,Rev-00 Dtd. 28.10.2003. Contractors are also required to furnish details as per Annexure (HSE) to NIT along with their offer. Offers received without compliance & data about HSE requirements are liable to be rejected.
10. Clarifications, if any, can be obtained from the undersigned but such requests should be submitted well before the due date for submission of tenders. Due date for submission and opening of tenders will not be extended on such grounds.
11. Technical Bid will be opened **in camera** in the office of undersigned. If required, technical discussions will be held with only those bidders who have taken any deviation(s). The price bids will also be opened **in camera** subsequently, after Technical Bids of all the Tenderers which have been evaluated and frozen. IT WOULD BE PREFERRED THAT YOUR OFFER IS WITHOUT ANY DEVIATION w.r.t. TENDER SPECIFICATIONS AND THE SAME MAY BE CLEARLY MENTIONED ON THE COVERING LETTER ACCOMPANYING THE TECHNICAL BID. Offers with deviations are likely to be rejected. However if the bidder insists on any technical or commercial deviations, from the specification and/or tender conditions, the price implication if any, of withdrawing the deviations must be submitted along with the price bid in a separate sealed envelope superscribed "Price Implication for withdrawal of deviations".
12. Offers will be scrutinized based on the qualifying requirements and only those who are technically and financially capable to execute the Job and who fulfil the Qualifying Requirements [QR] are eligible to quote against the above NIT. However, final acceptance of the bidder/ offer shall be subject to acceptance of our customer (Power Grid).
13. All material such as reinforcement steel, cement, structural steel, coarse/ fine aggregate, bricks etc. required for construction works have to be procured from approved sources only. It will be the bidder's responsibility to get the approval of vendors / material.
14. **Please note that wherever there is a contradiction between the 'Customer's conditions of contract' (GCC Section IV and SCC Section V and Section VI) and 'BHEL's conditions of contract', the 'Customer's conditions of contract' clauses shall be governing and binding on the contractor except those modified in T.C. for pre-bid tie up. Please visit [www.powergridindia.com](http://www.powergridindia.com) site at tender ID 1867 for complete tender specification for this package.**
15. The bidders are advised to visit site to have better understanding of job.

16. The purchase preference for central P.S.U.s shall be given as per the prevailing Government policy.
17. Work schedule and the deployment of manpower and T&P resources committed by the contractor in their offer, to match the scheduled completion, shall be submitted by contractor and mutually agreed with site In-charge immediately after the award of work. Further, the contractor shall mobilise at site within two weeks of award of work.
18. In case an offer is not being submitted by the prospective bidders against this tender, they may send their "regret" letter to this office, for information.

Thanking you,

Yours faithfully,  
for and on Behalf of BHEL,

**(R. Lodwal)**  
**AGM (TBSM)**
