

Inspection Clauses

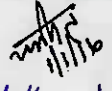

1. Vendor is to give Inspection call, during manufacturing stage. BHEL may involve third party inspection agency (any govt. Approved agency) for the inspection. All charges of third party inspection will be borne by BHEL. Third party inspection before despatch may be done at intermediate stage and/or final stage at vendor's works to ensure that the raw material being used and finished product conform to the approved BHEL Specification, so that the ultimate product is likely to be as per the approved sample.
2. The Vendor is required to send the inspection call minimum fifteen days in advance. The members of WIC may be sent to visit Vendor's works for inspection in two teams (approx. 10 members each) along with HR representative as coordinator to inspect the product and procedure based on the shape, feel, finish & workmanship and also to follow up/ expedite the delivery.
3. After manufacturing of Shoes, Vendor to submit Test Certificate to BHEL certifying that the product conforms to BHEL Specifications. Based on satisfactory Test Certificate / recommendations / report of third party (if involved) the dispatch clearance shall be given by BHEL.
4. Supply to be made in single lot on F.O.R BHEL store basis
5. The vendor will be required to provide minimum SIX (06) Months guarantee against any manufacturing defect.
6. The vendor has to make free replacement within 15 days from the date of reporting of such defects.
