

VENDOR QUALIFICATION REQUIREMENTS

SILICONE TRANSFORMER OIL AS PER JS-27197 REV. 04

1. Technical

- a. Should have tested the Silicone Transformer oil as per JS -27197 (Rev-03 or Rev-04) within last 3 years (from date of opening of bid).
- b. Should be the original manufacturer or authorized distributor/dealer of the silicone oil. In case of distributor/dealer– authorization from principals (manufacturer) has to be submitted along with the bid.
- c. Should be NTPC approved (NTPC Ltd. is the largest power generating major in India). If approval is not there, vendor has to obtain and submit the approval before opening of the price bid.

2. Commercial

- a. Unregistered bidder must submit necessary documents for vendor registration in prescribed format (SRF) and must clear the SRF assessment before price bid opening.
- b. Bids not fulfilling the qualification requirements shall be summarily rejected.

Important Note:-

Documentary proof for each of the above qualifying requirements must be submitted along with Part-I “Techno-Commercial Bid.” Bids received without documentary proof are liable to be rejected for not meeting the qualifying requirements.
