### **Annexure A**

### **NOTICE INVITING TENDER**

**Ref: BAP/PUR/UTY/LPG /19 dt. 27 08.2014**

#### **(a) Technical Requirement for Vendors Supplying LPG**

Sealed Bids (Two Part Basis) are invited from prospective suppliers for supply of Liquefied Petroleum Gas as per IS 4576 as per Scope, Specification, Standards and Quantities as listed below.

Sl No	Material Code	Description	Monthly Requirement (Approx)
<b>1</b>	<b>IM1950100200</b>	<b>Liquefied Petroleum (Commercial) confirming as per IS 4576. Staggered delivery of 18 MT per trip to be supplied. TC should be required along with supply.</b>	<b>18 MT</b>

- Delivery: Approximately One load of 18 MT is required for One Month
- Initially the offer (both techno commercial & Price bid offers each in a separate sealed cover and both the covers, shall be kept in a common sealed cover) should be submitted before the tender submission schedule indicated in our tender. The technical offer will be opened first and the same will be evaluated. Once, the offer is technically accepted, the same will be valid for one year.
- Subsequently, for each supply of 18 MT, a separate tender opening (i.e price bid opening alone) will be carried out through web based Electronic Procurement System (EPS) through our service provider (or) through sealed cover, to finalise the order for each month.
- If the offer does not meet the above technical specification, the same will be rejected.
