INSTRUCTIONS TO TENDERERS

- Above tender is in two Bid System (Techno Commercial Bid & Price/ Rate Bid).
1. The tender is to be processed in two parts viz. 1) Techno Commercial bid 2) and price/rate bid. The Technical Bid Application (Annexure - I) and its enclosures (along with the Contractor's Obligations, General Terms & Conditions and copies of qualifying requirements) must be submitted in one sealed envelope superscribed as "Tender for **FCX/TE/05/03/R TECHNOCOMMERCIAL BID**". EMD/Cost of Tender Document or Documents required as per qualifying requirements must be enclosed. The second envelope duly sealed should contain the price bid (Annexure-J) only super scribed as "(**Repair and maintenance of BHEL railway siding for one year**)". Any other enclosures, which the tenderer wishes to submit, must be enclosed with the Technical Bid only. The price bid envelope should contain the rates only. Offers not in line with the above procedure or quoted in any other format is liable to be rejected/by passed.
 2. Both the technical bid and price bid sealed envelopes must be again sent in a single envelope duly sealed and super scribed as "TENDER FOR TENDER NO **FCX/TE/05/03/R DUE DATE OF OPENING 26/06/2015**". The same should be dropped in the tender box kept in the CISF gate of Administrative Building, BHEL, Khailar, Jhansi, within the specified date and time by the representative of the tenderer.
 3. All tenderers can witness the opening of the Technical Bid. After evaluation of the Technical Bid which may involve visit to the tenderer's /clients place by authorized officials, price bids of only those tenderers who are technically found suitable will be opened on a subsequent date which will be informed to the concerned whose technical bid has been accepted, in advance for witnessing the Price Bid opening.
 4. All entries in the tender document should be in one ink. Corrections, over writing, cuttings, etc. will not be permitted. All the columns in the tender form should be filled without leaving blank in any page of the tender and all the pages must be duly signed & stamped by the tenderer before submission.
 5. The price / rate should be quoted in figures as well as in words. Price quoted in Price Bid shall be inclusive of all taxes & duties, all statutory requirements/liabilities like PF/ESI/Bonus/Min. wages etc. However service Tax shall be payable extra as applicable.
 6. The rate quoted will be valid for the period of contract.
 7. The contract will commence on the date as applicable against the contract and shall be valid as per the validity period of the contract. The contract can be extended further on mutually agreed terms and conditions.
 8. Successful bidder will have to submit registration with Zila Panchyat as a civil contractor before start of work.

Annexure 'E'

TENDER EVALUATION CRITERIA

The evaluation of the Tender will be carried out as follows:

1. BHEL officials may visit the tenderer's office & their client's place to evaluate the capability and assess the performance.
Capability of the Contractor will be assessed on the basis of employees including supervisors on their rolls, machinery, equipments in its possession, previous track record, experience in other organizations, etc.
2. Successful techno commercial qualified tenderers after the above process only will be invited for opening of the rate / price bid.
3. The contractor shall be awarded the work on over all L-1 basis (i.e lowest Grand Total of Price bid at Annexure J) if otherwise not specified in the tender.

Annexure 'F'

CONTRACTOR'S OBLIGATIONS

A) CONTRACTUAL

Towards selection, control and supervision of employees

- 1) Contractor shall decide the number of employees to be deployed for execution of the work awarded to him and he or his authorized representative will be solely entitled to instruct such workers about the manner of carrying out the work as per the prescribed specifications and quality plan.
- 2) Contractor shall supervise the work allotted to him and to be carried out by his employees.
- 3) Contractor will ensure that the job is executed through his employees on his rolls and under no circumstances the contractor will deploy any casual employee to carry out the job nor shall sub-contract the job without prior written permission.
- 4) **Age of workers:** The contractor shall not employ any person who has not completed his 18 years. Also age of worker deployed should not exceed 60 years.
- 5) Contractor to ensure that the employees deployed in the premises of BHEL are physically and mentally fit and do not have any criminal record. Such employees should possess requisite skill, proficiency, qualification, experience etc. acceptable to concerned department.
- 6) **Discipline:** The Contractor shall be responsible for the discipline of his own employees deployed under the contract. In case of any loss to the BHEL Jhansi on account of indiscipline of employee then such loss shall be assessed and recovered from the running bills of the contractor or from the security deposit.
- 7) The contractor, on advice of authorized BHEL official, shall immediately remove any person employed by him, who may in the opinion of such authorized BHEL official is involved in misconduct. Such person shall not be re-employed by the contractor without prior permission.
- 8) Contractor will keep watch on his employees and he will be liable for any pilferage / loss to BHEL due to acts of omission and commission by his employees. Similarly, I/We agree with the above

Signature of contractor with Seal

Executive In-Charge

liability for any compensation to outsiders on account of any act of omission and commission by the employees deployed by the contractor shall lie exclusively with him.

9) Contractor to ensure that all precautions are taken for safety of his employees and equipments.

10) **Record Keeping:** Contractor to maintain appropriate records of his employees deployed to carry out the job(s). Contractor shall maintain neatly written, complete and legible registers, records, reports and returns for inspection by various authorities at short notice.

11) In the event of termination of contract for any reason whatsoever, the contractor shall withdraw all his employees from the establishment of BHEL. In case contractor decides to terminate services of his employees, he should settle all terminal dues required.

12) Tools, tackles and materials: Contractor shall obtain all tools tackles and materials required for the work from FCX department and provide to his employees and maintain the same to carry out the job under the contract at his risk and cost. BHEL shall not have any liability for maintenance of these tools, tackles, equipments or material.

B) Towards statutory liability

1. As mentioned in the terms and conditions enclosed as Annexure 'F' of this contract.

2. Contractor shall indemnify BHEL against all claims by statutory authorities and losses under various Labour Laws, statutes or any civil or criminal law in connection with employees deployed by him.

3. Contractor shall be responsible for making payment of wages before expiry of 7 days from the last day of wage period (wage period shall be from 1st day of the month to the last date of the month).

C) Towards Finance

Contractor to arrange his own finance for carrying out the job including supply of tools, tackles and equipments, if required, to his employees, materials, payment of wages to his employees etc. Rates to be as per Letter of intent issued to successful bidder.

TENDER NO. FCX/TE/05/03/R

3 LABOUR LICENCE AND OTHER REQUIREMENTS:-

(a) Labor License

i) Contractor shall within 15 days of commencement/completion of work-order submit Form VI-A to RLC office. The first & final bill shall be processed only on clearance regarding submission of Form VI-A by contractor.

ii) Contractor shall apply for Form V to BHEL for obtaining labour license (if the number of workers deployed is more than 19) from appropriate government (as on date Central Government) and submit the same within one month from the date of award of the contract. Contractor shall possess separate valid Labour license from appropriate government for each contract in line with CL(R&A) Act before deploying their employees.

iii) In case the number of employee desired to be deployed by the contractor against the contract during execution exceeds the number of employees allowed in the license then the contractor shall obtain prior amended valid labour license for the contract for the requisite number of employees.

iv) The contractor cannot deploy the contract worker without obtaining requisite Labour licence from the Appropriate Government (Central Govt.) authority. Till then the contractor shall be allowed to deploy maximum 19 workers or the numbers required whichever is less.

(b) Group Insurance Policy

i) Contractor shall buy Group Accident Insurance policy for all of his employees deployed under the contract before the start of work. No employee should enter the BHEL factory premises or working area without insurance cover as stated below.

ii) The policy should cover the accidental death of workers for 24 Hrs for all the seven days of week.

iii) The policy should be purchased from Govt. under taking company.

iv) The Maximum coverage shall be of Rs. 5 lakhs per individual. The sum assured (Rs. 5 lakhs) shall become payable to the nominee/legal heir in the event of death due to accident of insured person.

v) In the event of death of any contract worker deployed by the contractor without proper insurance cover, the contractor shall be liable to pay Rs. 5 lakhs to the nominee/ legal heir of such deceased contract worker.

4 APPOINTMENT AND ENTRY IN FACTORY PREMISES:

4.1 The contractor shall submit the following to HR, contracting department and CISF

(a) The details of the worker proposed to be deployed.

(b) Character certificate issued by District Magistrate's Office or Proof of remittance of fees for character certificate at District Magistrate's Office. Further he should submit the character certificate within 60 days failing which he will be discontinued.

(c) Copy of employment card issued by contractor to his own worker. Annexure II

4.2 After submission of documents the contractor shall issue photo identity card to the employee and submit to HR department. This identity card shall be forwarded by HR department to CISF, which shall then authorize the employee to enter the factory premises initially for a period of one month.

4.3 The photo identity card shall have to be revalidated every month on last working day of the month or any other date fixed to do so. In absence of such revalidation, duly forwarded by HR department, CISF shall not allow any employee to enter the premises of BHEL Jhansi.

4.4 The contractor shall maintain a register of persons employed by him in the format prescribed under Rule 75 of Contract Labour (R&A) Central Rules. A copy of this format is annexed as **annexure III**.

4.5 The entry of contractor's worker in factory premise shall be through biometric/smart cards. The contractor shall ensure issuance of biometric/smart card through time office section of BHEL Jhansi. After the conclusion of works contract, the contractor shall collect

I/We agree with the above

Signature of contractor with Seal

these biometric cards from his workers and submit the same to Time office section through contracting department. In event of any contract worker leaving the service before completion of the contract, the contractor shall ensure return of biometric card to BHEL Jhansi. In case of non return of biometric card, Rs 200/- (Rupees two hundred only) per card shall be deducted from the security deposit of the contractor.

5 ATTENDANCE AND PAYMENT OF WAGES

- a) Contractor should maintain attendance register by recording daily attendance duly signed by both contractor and contract worker.
- b) The contractor shall pay minimum wages as applicable of the Appropriate Government.
- c) The contractor shall issue pay slips to his workers, for the month deployed for undertaking activities under the contract, at least a day prior to disbursement of wages.
- d) The contractor shall make payment to the his own employees/ Before the expiry of the 7th day after the last day of the wage period in respect of which the wages are payable. The payment of wages to the employees shall not be subject to payment against the bills by BHEL. The payment to workers employed by the contractor may be made preferably through bank account for better control & smooth disbursement of wages.
- e) The contractor shall remit the cheques favoring RPFC and ESI Kanpur with the appropriate banks with such period as stipulated under relevant provisions. Last date for remittance of PF is 15th and that in case of ESI is 21st of each month.
- f) The contractor shall make payment of wages to his workers on due date.
- g) In cases where the payment to the contractor is due only after completion of work and the payment is not made monthly then the contractor shall have to produce documents as enumerated in respect of all workers deployed by him against the contract, for each month separately, along with final bills.

6 Payment of bills

The payment of bills shall be done as per contract on completion of work/stage and duly certified by agency as defined in contract.

The contractor's bills should be accompanied with the following.

d) In the event of contractor abandoning the work or BHEL revoking the contract BHEL shall have a right to get incomplete work completed at contractor's risk and cost. BHEL shall have a right to terminate the contract at any time without assigning any reason thereof.

e) Security deposit will be released on submission of following certificates from departments mentioned as under:-

i) Completion of work and certification of payment of minimum wages to employees from contracting department.

ii) Certificate of compliance of labour laws from Contracting Deptt.

iii) Certificate of payment of Bonus by Contracting Deptt.

iv) No dues certificate from contractor regarding Service Tax payment & any other dues liable to remitted by contractor under Financial Laws to Finance department.

v) In case of non satisfactory performance of the contract, BHEL shall have a right of forfeiting the security deposit. In case of any dispute decision of concerned Head of the Department will be final.

13.0 Risk & Cost: If the Contractor fails to perform/execute the work within time or fail to perform as per the specification prescribed in tender or acted in violation to prescribed terms and conditions, BHEL-Jhansi shall be entitled to terminate the Contract and take recourse to alternate source to get the work done at the risk and cost of the Contractor. In such case Contractor shall make good the loss to BHEL. BHEL shall be entitled to recover the difference in cost, if any incurred by BHEL due to getting the work done from alternate source. However, in such case Contractor shall not be entitled for any gain.

14.0 SETTLEMENT OF DISPUTE/JURISDICTION/ARBITRATION ETC.:-

BHEL Reserve the following rights to evaluate the bid as per BHEL policy and Govt. guidelines including CVC / Vigilance guidelines by the tender committee duly constituted by BHEL Management. The decision of BHEL, Jhansi Management or Tender committee duly approved by competent authority shall be final and binding to bidder.

15.0 CONFIDENTIALITY

The parties agree & acknowledge that in the course of their discussions and interaction, BHEL may disclose information of confidential proprietary nature relating to its business, products, know-how, technology, customers, employees and financial to the contractor. Such information shall be considered as confidential. The contract agrees to keep it confidential & secret at all times and not directly or indirectly disclose to any party other

TENDER NO. FCX/TE/05/03/R

DATE;- 11/06/2015

than its employees and authorized personnel's strictly on a need know basis, without the prior written permission of BHEL.

16.0 TERMINATION

BHEL reserves the right to terminate contract awarded for any contravention of statutory provision or any other reasons without assigning any explanation or notice to the contractor.

17.0 SUSPENSION

BHEL reserves the right to suspend performance of any or all of its obligations under the contract. Such notice shall specify the obligation of which performance is to be suspended, the effective date of the suspension and the reasons therefore. The Contractor shall thereupon suspend performance of such obligations until ordered in writing to resume such performance by the same authority that ordered for suspension.

18.0 JURISDICTION

Any matter of dispute arising out of or in connection with this contract shall be under jurisdiction of Jhansi Court only.

19.0 ARBITRATION:-

All disputes arising in connection with the contract shall be settled by mutual consultation. If no agreement is reached the dispute shall be settled in accordance with Arbitration and conciliation Act, 1996 and the rules made there under. The dispute shall be referred for arbitration to any arbitrator to be appointed by the Head of the unit (BHEL Jhansi).

The award of the arbitrator shall be final and binding on both the parties. The venue of the Arbitration shall be at Jhansi in India. The Award to be given by the Arbitration shall be a speaking award. All questions, disputes, differences arising under, out of or in connection with this contract shall be to the exclusive jurisdiction of Jhansi court.

INFORMATION TO TENDERERS

Tenders are invited on behalf of the BHARAT HEAVY ELECTRICAL LIMITED JHANSI for Work – **Repair and maintenance of BHEL railway siding for one year**. The work is estimated to cost **Rs. 10.95 Lakhs**. This estimate, however is given merely as a rough guide

- 1- The works are required to be carried out for a period of **One Year** from the fifteen days after the date on which the Engineer-in-charge issues written orders to commence the work.
- 2- No two or more concerns in which an individual is interested as a Proprietor and /or a partner shall tender for the execution of the same works, if they dose all such tenders shall be liable to be rejected.
- 3- The **MGR – (FCX)** shall be the Accepting Officer hereinafter refers to as such for the purpose of this contract.
- 4- Tender documents consisting of plans, specifications, Schedule (s) of quantity of the various classes of work to be done, the conditions of contract and other necessary documents will be open for inspection at factory civil office from **12/06/2015 to 25/06/2015** between 9 am to 3 pm.
- 5- Tenderers are advised to inspect and examine the site and its surroundings and subsoil (so far as it is practicable), the form and nature of the site, the means of access to the site the accommodation they may be require and in general shall themselves obtain all necessary information as to risks, contingencies and other circumstances which may influence or effect their tender. A tenderer shall be deemed to have full knowledge of the site, whether he inspects it or not and no extra charges consequent on any misunderstanding or otherwise shall be allowed.

- 6-** Submission of a tender by a tenderer implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the work to be done and of conditions and rates at which stores, tools and plants etc will be issued to him by the company corporation and local conditions & other factors bearing on the execution of the works.
- 7-** A tenderer should quote in figures as well as in word rate (s) tendered. Special care in figures only in such a way that interpolation is not possible. The total amount shall be written both in figures and in words. In case of figures the words Rs should be written before the figure of rupees and the words. 'Paisa" after the decimal figures e.g. Rs 2.15 and in case of words, the words 'Rupees' should precede and the words 'paisa' should be written at the end. Unless the rate is in whole rupees and followed by the word 'only " it should invariably be upto two places of decimal.
- 8-** The work shall be awarded to the overall lowest bidder. The quantities mentioned in the tender shall be used for comparative statement calculation and award of work. The actual quantities can vary during the course of the contract.
- 9-** The tender shall be accompanied by earnest money (unless exempted from depositing it) of **Rs (40,000/-)** in BHEL cash receipt (as permissible under Income Tax Act) pay order or Demand draft only in favour of BHEL Jhansi. The contractors who have deposited one time EMD as per BHEL system are eligible to participate. However they must prudence certificate of deposit one time EMD is valid for the duration of the contract.
- 10-**On acceptance of tender earnest money will be treated as part of the security if applicable.
- 11-**Bharat Heavy Electricals Ltd. Jhansi will return the earnest money, where applicable, to every unsuccessful tendered on the request of the tendered and after award of work to now successful bidder.
- 12-**A tenderer shall submit the tender which satisfies each and every essential condition laid down in this notice, failing which the tender will be liable to be rejected.
- 13-**The Bharat Heavy Electricals Ltd. Jhansi reserve to themselves the right of accepting the whole or any part of the tender and tenderer shall be bound to perform the same at his quoted rates.
- 14-**Sales Tax or any other tax on materials in respect of this contract if applicable shall be payable by the contractor and the company /corporate on will not entertain any claim what so ever in this respect.
- 15-**This notice of tender shall form part of the contract documents.
- 16-**Income Tax shall be recovered as per the applicable laws, from the contractor's bills.
- 17-**Failure to comply with any of the above conditions can result in termination of the contract, forfeiture of the security deposit, Penalty as may be decided and future blacklisting.
- 18-**In case more than one contractor quote the L1 (Lowest and technically accepted) rates, the work may be awarded through draw of lottery.

The contractor must go through the below important information before quoting.

1	SCHEDULE A	List of material issue to the contractor
2	SCHEDULE B	List of Tools and Plant issue to the contractor
3	SCHEDULE C	Special conditions
4	SCHEDULE D	Lead statement
5	SCHEDULE E	Reference to general condition of contract

General Conditions of contract including Contractor's labour Regulation, Model Rules for labour Welfare and Safety Code appended to these conditions.

DECLARATION

I/We hereby tender for the execution of the works referred to in the aforesaid documents upon the terms and conditions contained or referred to therein and in accordance in all respects with the specifications, designs, drawings and other relevant details at the rates contained in schedule G.

The rates offered in price bid may be fixed under the terms and conditions of the contract and within the period (s) of completion as stipulated in Schedule "F".

In consideration of I / We being invited to tender , I / We agree to keep the tender open for acceptance for Ninety (90) days from the due date of submission there of and not to make any modifications in its terms and conditions which are not acceptable to the Company/Corporation .

A cash of **Rs. (40,000)** is hereby forwarded in BHEL Cash receipt Pay order or demand draft only as earnest money. If /we fail to keep the tender open as aforesaid or make any modifications in the terms and conditions of the tender which are not acceptable to Company/Corporation. I/we agree that the Company /Corporation shall, without prejudice to any other right or remedy, be at liberty to forfeit 100 % of the said earnest money absolutely. Should this tender be accepted, I/we hereby agree to abide by and fulfill all the terms, conditions and provision aforesaid documents.

If, after the tender is accepted, I/we fail to commence the execution of the works as provided in the Conditions, I / We agree that the Company / Corporation shall, without prejudice to any other right or remedy: be at liberty to forfeit the said earnest money absolutely.

SCHEDULE "A"**MATERIALS FOR ISSUE TO THE CONTRACTOR**

SNo.	Particulars	Rs	Quantity
1	Nil	-	-
2	Nil	-	-

Note:- In addition to above mentioned rates, sales tax shall also be payable by Vendor at applicable rates.

SCHEDULE "B"

TOOLS, PLANT AND BUILDING TO BE HIRED TO THE CONTRACTOR, Subject to their availability on chargeable basis. Charges shall be as per BHEL'S norms.

Sl. No.	T & P	Rates
1.	Ladder	Free of cost (if available)
2.	All tools for railway maintenance work	Free of cost

SCHEDULE "C"**SPECIAL CONDITIONS OF CONTRACT**

1. The BHEL General Conditions of contract shall an integral part of this contract. (The BHEL General condition of contract may be seen in civil Office)
2. The Special Conditions of Contract (SCC) shall have overriding priority over General Conditions of Contract (GCC). Whenever there is any contradiction between the GCC and SCC, the SCC shall be treated as final.
3. The following General Conditions of Contract shall not be applicable; they shall be treated as deleted: 9(d), 34.A.2, 34.A.3, 34.A.4, 34.A.5, 34.A.6, 34.A.7, 34.A.8, 34.A.9, 34.A.10, 34.A.11, 34.A.12, 51.1 (b), 51.2, 51.3, 52.1, 53(b).2, 53(c), 53(d), 53(e), 53(e).1.
4. The contractor shall take necessary precautions for the safety of his workmen.
5. The contractor shall take proper care to avoid any damage to BHEL property. If any damage does take place, the contractor will be fully responsible for the same .The decision of Engineer in charge is such case shall be final and binding on contractor.
6. The contractor will follow all safety rules required in connection with execution of such type of works.
7. The contractor shall make his own arrangement for his residing the supervisor near by the township for execution/interest of work. If available the BHEL can provide the accommodation at commercial rent (electric charger and water charge extra) as per rule.

8. The workers should be trained enough for the work and should be engaged on approval of the engineer -in charge.
9. The contractor is advised to take insurance policy to cover accident risk under Workmen's Compensation Act in respect of workmen engaged by him.
10. The contractor shall be wholly responsible for the behavior of his workmen with the office staff and with the residents of the township.
11. Contractor will have to ensure that the work places are entirely cleaned
12. In case any time contractor fails to arrange the work BHEL will deduct the expenses to make alternate arrangement for the same.
13. **EXECUTION OF CONTRACT**
 - 13.1. The successful Tenderer's responsibility under this contract commences from the date of issue of the Letter of Intent by Bharat Heavy Electrical Limited. The successful tenderer shall be required to execute a contract in the "prescribed form" as per GCC with BHEL within 15 days after the acceptance of his tender and in any case before the commencement of work. The expenses for completion and stamping and registration of the agreement with prescribed authority, if necessary shall be borne by the Contractor.
 - 13.2. The contractor shall commence the work within the time indicated in the Letter of intent and shall proceed with the same with due expedition without delay.
 - 13.3. If the successful tenderer fails to commence the work within the stipulated time, BHEL, at its sole discretion, will have the right to cancel the contract. His Earnest money and/or Security Deposit will stand forfeited without any further reference to him without prejudice to any and all of BHEL's other rights and remedies in this regard.
 - 13.4. All the works shall be carried out under the direction and to the satisfaction of BHEL.
14. Work shall be carried throughout work period (contract period) without interruptions due to any Sunday /holiday round the clock and contractor has to make suitable arrangement for the same without any extra compensation.
15. The payment shall be made on the basis of measurement only as per unit given in schedule the contractor or his supervisor /authorized person maintained a register and entry the work/measurement immediately and verified daily/after the work by BHEL supervisor.
16. **MEASUREMENT OF WORK AND MODE OF PAYMENT**
 - 16.1. All payments will be made as per "Price Schedule" only after completion of that work. The same will be entered in measurement Book as running account (RA bill) & both the parties will sign in that.
 - 16.2. All recoveries due from the contractor for the month/period shall be affected in full from Corresponding running bills unless specific approval from competent authority is obtained to the contrary. The recoveries could be Income Tax, Stamp duty on S.D etc.
 - 16.3. Measurement shall be restricted to that quantity for which it is required to ascertain the financial liability of BHEL under this contract.
 - 16.4. The contractor shall bear the expenditure involved if any, in meeting requirements. The contractor shall, provide all the assistance with appliances and other thing necessary for Measurement or re-measurement.
 - 16.5. Passing of bills covered by such measurement does not amount to acceptance by BHEL of the completion of the work measured. Any left out work has to be completed by the Contractor, as directed.

16.6. Final measurement bill shall be prepared in the Performa prescribed for the purpose, based on the certificate issued by the Engineer that the entire work as stipulated in the tender Specifications has been completed in all respect to the entire satisfaction of BHEL. The Contractor shall give unqualified 'No claim' and 'no demand' certificate. The abstract of final quantities and financial values shall also be entered in the measurement book and signed by both the parties. The final bill shall be paid within a reasonable time after completion of the work. After the payment of final bill, only the guarantee obligation percentage value shall remain unpaid, which will be released as per GCC.

NOTE: - Normally it takes approximately 60 days for the payments to be released by BHEL after recording the measurements.

17. The quantity of each item has been mentioned in the tender on tentative. The actual quantity will be as per work given. The quantity may be variate as per requirement. The contract may be awarded on overall lowest basis only.
18. Contractor engaged in construction and maintenance work shall register his firm at Zila Panchayat and obtain license/registration no. from competent authority. Contractor shall provide license /registration no. to BHEL Jhansi before commencing the work.

SPECIAL CONDITIONS OF CONTRACT FOR CIVIL WORK

19. Test certificate for all materials to be made available by the contractor as per direction of Engineer-in-charge including strength of concrete cubes, bricks, aggregates. And any other materials provided by contractor.
20. Structural steel wastage /scrap shall be permissible upto 2% of total quantity of issued quantity. The wastage /scrap steel must be return by contract for reconciliation of steel. Wastage scrap beyond 2% will deducted @ Rs.66 per kg.
21. The works have to be carried out as per CPWD specifications 2012 (or latest), Wherever CPWD specifications are silent, and the work shall carry out as per BIS specifications. In case of defective BHEL will have full right to reject the work or part there of .Such defective work if any , will have to be rectified at contractor's cost. The opinion of Engineer in charge shall be final in this matter. If the defective work is allowed to stand BHEL shall have the absolute right to reduce the rates for such items and the contractor shall have no claims over such defective work allowed on reduced rates.
- 22 The works have to be carried out as per INDIAN RAILWAY specifications on labour basis. In case of defective BHEL will have full right to reject the work or part there of. Such defective work if any will have to be rectified at contractor's cost. The opinion of Engineer in charge shall be final in this matter. If the defective work is allowed to stand BHEL shall have the absolute right to reduce the rates for such items and the contractor shall have no claims over such defective work allowed on reduced rates.
- 23 The contractor shall have to make his own storage sheds for materials.
- 24 Electric power for the legitimate use in the work shall be provided free of cost.
- 25 The contractor shall get the daily attendance of staff engaged by him for the track laying work initialed form the engineer- in charge or by his authorized representative.
- 26 The quantity of each item has been mentioned in the tender on tentative. The actual quantity will be as per work given. The quantity may be variate as per requirement. The contract may be awarded on overall lowest basis only.

I/We agree with the above

Signature of contractor with Seal

Executive In-Charge

- 27 The contractor will have to depute a representative who shall (in the absence of the contractor) report to the departments on all working days and liaison with the supervisor in charge for the works to be undertaken. The quantum of work shall vary from day to day and season to season. Failure to complete the work during peak season and failure to undertake the work during lean season can result in termination of the contract, for which contractor shall not be entitled to any compensation.
- 28 Bharat Heavy Electrical Ltd does not bind it self to accept the lower or any tender but reserve to it self the right to accept or reject all or a part of any tender at its discretion. The work may be awarded to one contractor overall on lowest basis.
- 29 Welding set, cutting set including oxygen and DA cylinder and electrodes shall be issued by BHEL free of cost.
- 30 The supplier shall furnish proper account of material issued by BHEL from time to time and make good the deficiencies found, if any.
- 31 Following facilities shall be provided by BHEL free of cost.
- (a) Electrical power for fabrication and assembly shall be provided at one point
- (b) Compressed air for fabrication and assembly shall be provided at one point.
- 32 Each set of points & crossing and diamond Crossing shall be taken equivalent to 100 meters.
- 33 The contractor shall inform well in advance in writing the requirement of various items which are to be supplied by BHEL.
- 34 The contractor shall employ labor (such as mate keymen, gangman, trolley man etc) Having adequate experience in track maintenance/ laying the minimum strength of labour force shall be as per standard norms of Indian Railway, Which are as follow:
- | | |
|--------------------|-------------|
| Gangmen/Trolleyman | 1.22 per km |
| Keyman | 0.16 per km |
- 35 In addition to the above the contractor shall also engage a supervisor having wide supervisor experience of permanent way and held at least the rank of PWI on Indian Railway ways. He will inspect the work at least twice a month or more as per requirement and issue necessary instruction to the workers.
- 36 The contractor shall keep the point levers and the switch portion of the point & crossing clean and well oiled and in proper working condition at all time during the entire period of contract.
- 37 The curves, points and crossing, bridge level crossing etc. shall be inspected at regular intervals. The Schedule of inspection, made by the engineer - in-charge must be adhered and any defects detected in the course or such inspections, shall be rectified promptly and as per the direction of the engineer - in-charge.
- 38 It will be the responsibility of the contractor to contact the concerned Indian railway authorities for getting the Inspections done during the year before march and getting the safety certificate issued, which the contractor Will submit to the engineer - in-charge promptly, and further payments to the contractor shall be released only after the production of the safety certificate from the concerned railway authorities.
- 39 The scope of work for item no- 1 of schedule - A shall broadly cover the following:

A. Through packing of track including following operation (minimum one round over the entire track length in year)

- (a) **Opening of the road:-** Ballast is opened out on either side of the rail seat for a depth 50mm (2") below the bottom sleepers with the help of shovel or wire claw without distributing the cores under the sleepers. The width of opening should be upto end of sleeper on outside and on inside it should be 450 mm (18") for B.G., 350 mm (14") for M.G. and 250 mm (10") for N.G. from the rail seat
- (b) **Examination of rails, sleepers and fastenings:-** The rails, sleepers and fastening are thoroughly examined. Rails are examined for corrosion, fracture/crack & wear. Defective sleepers are replaced with new ones and loose fastenings are tightened. The kinks if any in the rails are removed by jim-crowing.
- (c) **Squaring of sleepers:-** The sleepers get out of square quite frequently resulting gauge variations and kinks. One of the rails is taken as sighting rail and on this rail correct sleepers spacing is marked. The position of the sleepers with reference to the second rail is checked with the help of a T- square. The sleepers, which are either out of square or not at correct spacing, are then attended.
- (d) **Slewing of track to correct alignment:-** The alignment of the track is normally checked by eye judgment sighting the rail from a distance of about 4 rail lengths or so. Small error in the alignment is corrected by slewing the track after loosening the cores at ends and drawing out sufficient ballast at the end of sleepers. Slewing is done by about 6 person by planting the crow bars deep in the ballast at an angle not exceeding 30 degrees from the vertical.
- (e) **Gauging of track:-** The gauge should be checked and a uniform gauge within permissible tolerance should be attempted. The following tolerances * for gauge variations including the side wear are prescribed at the time of laying from considerations of riding comfort provided uniform gauge can be maintained over long lengths.
- (f) **Packing of sleepers:-** The basis rail is sighted by the mate or Permanent Way Supervisor (PWS) and the dip or the low joints are lifted correctly to ensure a perfect longitudinal level of the sighting rail. The sleepers are then packed by Scissors Packing Method, Four men should tackle one sleeper simultaneously two at each rail. The ballast under the sleeper bed should be properly packed by the men standing back to back and working their beaters diagonally by lifting the same up to chest level. While carrying out packing, the second rail is brought to the correct cross levels thereby ensuring a perfect surfacing of the track. In case of wooden and steel through sleepers, it should be ensured that the sleepers are not centre bound and as such a trough is made in the ballast section at the centre of sleepers.
After Completing the packing, the alignment and top should carefully be checked and minor adjustment carried out.
- (g) **Repacking of joint sleepers:-** The Joint sleepers are then packed once again and the cross levels checked.
- (h) **Boxing ballast section and tidying:-** The ballast section is then properly boxed and dressed with the help of a special template. The cess should be dressed up and its level maintained in a way that proper drainage is ensured.

B. Picking up slacks (any number of times ad per required round the year).

C. Lubrication of and oiling of fish plate & bolts (minimum once a year after the entire track length)

- D. Creep adjustment (as and when required).
- E. Overhauling of track (25% of the entire ballast rack length in a years)
- F. Overhauling of level crossing (minimum once a year on all of level crossing)
- G. Overhauling of points & crossing (Minimum twice a year on all crossings.)
- H. Repairs to ducs and cleaning of side catch water drains (immediately before and during rainy season over entire track length)
- I. Earth work for repairs to banks and cutting (round the year particularly during and immediately after the rains)
- J. Clearing grass/ vegetation & pruning of trees (minimum twice a year over the entire track length)
- K. Emergency works (as and when required)

In case of emergencies such as accident, department and the contractor shall attend to restoration work.

A committee shall be appointed by MGR-FCX B.H.E.L Jhansi to ascertain the cause of such accident/Derailment. The contractor's authorized representative shall also be associated as the member of committee. The findings of the committee as accepted by MGR- FCX shall final & binding on the contractor.

In case it is established that the cause of accident/ derailment is faulty maintenance of permanent way contractor, the contractor will be penalized by an amount of Rs 2000/- plus 10% of the cost of repairs to the rolling stock as assessed by MGR - FCX and no additional payment shall be made for restoration work.

40 Workers required to work inside factory area shall have to follow the factory shift timings and follow security rules. The work shall normally be arranged on working days only. However, it may also be arranged on Sunday/Holiday /Late hours as directed by Engineer – in Charge Specific written permission of the Engineer – in – charge and chief of security shall be required for executing the work beyond normal working hours.

41 It will be the responsibility of the contractor /PWI to carryout joint inspection along with engineer in charge or his representative at least once in two weeks and submit Joint inspection report.

42 Routing Track inspection:

The PWI SHALL inspect the entire section at least one week or more often as necessary and shall:

(I) Take note of the kilometrages requiring immediate attention and direct and instruct the mate for doing the work.

(II) Check the gangs work done on the previous days in detail and take remedial actions on any short comings.

(III) Prepare schedule / programme for round the year systematic maintenance of railway siding .with consultation of the Engineer- in- charge, immediately after

TENDER NO. FCX/TE/05/03/R

DATE;- 11/06/2015

award of work and ensure systematic work to the, Round the year schedule/programme for track maintenance.

- (IV) Instruct and upgrade men at methods of work.
- (V) Mark and Initial musters of key men, gang men, trolley men, and mate.
- (VI) Check the correctness of the gauge and sprit levels with gangs once a month.
- (VII) Arrange for replaying of all unserviceable tools and plant sand defective of periodically examined.
- (VIII) Ensure that mate, keymen, gangmen, trolley men, have Knowledge of rules in which they should be regularly cancelled and periodically examined.
- (IX) Check the tools, safety equipment and materials with gangs once a month.
- (X) He shall maintain the progress of the maintenance work in a gang chart which should be up dated every time he makes a round of inspection.
- (XI) Measure and maintain the 'creep' of rails once in 3 month in creep register.
- (XII) Conduct detailed inspection of points and crossing and record the findings in appropriate points and crossing register. The points and crossings inspection shall be done once in 3 month for each points and crossings.
- (XIII) Take versine and super elevation and gauge readings of all curves in the section ad record the findings in the 'curve inspection register' where in each curve should be thus checked once in 3 months on cyclic order.
- (XIV) He shall specially be vigilant and check for and maintaining the relevant track parameters as per 'Indian Railway s schedule of standard dimensions for railway' Any infringement should be promptly removed.
- (XV) The PWI shall prepare monthly progress report of the works under his contral and submit the same to the engineer – in- charge of the contract by 2nd of each month.
- (XVI) The PWI shall keep liaison with concerned Indian Railways authorities and accompany periodical Obligatory inspection by the Indian Railway officials and obtain the fitness certificate' for the BHEL Railway siding.
- (XVII) The PWI should also act as an extension to the contractor to ensure that the rules laid down in Acts and regulation and as modified from time. Are strictly complied with.
- (XVIII) The PWI should maintain a' Material Transaction Register' which should show details of all materials received from BHEL and used for the maintenance of the track.

COMPENSATION FOR DELAY (L D CLAUSE)

- 43 If the contractor fails to maintain the required progress as per contract or to complete the work and clear the site on or before the contract. Or extended date – period of completion, he shall, without prejudice to any other sight or remedy of the company/ corporation on account of such breach, pay as agreed compensation amount calculated as stipulated below or such smaller amount as may be fixed by the authority on the contract value of the work for every week that the progress remains below that specified in condition 14 or that the work remains incomplete.**

This will also apply to items and groups of items for which separate period of completion has been specified.

Completion period (as originally stipulated)

TENDER NO. FCX/TE/05/03/R

- Not exceeding 6 months.
- Exceeding 6 months and not exceeding 2 years
- Exceeding 2 years

44.1 Provided always that the total amount of compensation for delay to be paid under the condition shall not exceed the under-noted percentage of the contract value or of the contract value of the item or group of item of work for which a separate period of completion is given.

Completion period (as originally stipulated)

- Not exceeding 6 months.
- Exceeding 6 months and not exceeding 2 years
- Exceeding 2 years

44.2 The amount of compensation may be adjusted or setoff against any sum payable to the contractor under this or any other contract with the company/ corporation.

SCHEDULE " D "**LEAD STATE MENT**

S NO	Name of Material	Name of source	Lead particulars
