**Sub: Qualifying criteria for the vendors participating in "open tender" to supply BQ Plates to BHEL  
Hyderabad – Reg.**

\* \* \*

1. The supplier / principals / manufacturers who are submitting the offer shall have in-house steel melting, rolling, heat treatment and testing facilities. Offers submitted by manufacturer or their subsidiaries (own stockists) will only be considered. Offers from traders will not be considered.
2. The offer shall be accompanied with relevant list of the in-house manufacturing and testing facilities which must contain details of steel melting and refining furnaces (including VD/VOD/VCD-for only BQ plates), hot rolling facilities, heat treatment facilities and testing facilities and their capacities / ranges etc.
3. Past experience data as given below shall be submitted:
  - A) For BQ plates
    - i) At least one copy of the mill/manufacturer test certificates for the same or similar grade (boiler quality grade of material as per ASTM spec) supplied by them to other customers shall be submitted. The date of the issue of "Test certificate" shall not be older than 3 years from the NIT date.
    - ii) The test certificates submitted as an evidence of the past experience of the manufacturer must indicate the compliance to the supplementary requirements such as vacuum degassing, low temperature impact tests and ultrasonic testing
4. The following additional information needed to be submitted by stockists (as indicated in point-1 above) along with details required as per clauses 2&3(above) regarding manufacturers from whom the material are/will be sourced.
  - i) Details of their stock yard w.r.to storage area.
  - ii) Facilities for handling of the material.
  - iii) Their system for document control.
  - iv) Traceability of material in stock viz-a-viz documents like mill TC's.
  - v) Their system for preservation of the material.
5. For all new suppliers, TC review shall be done by BHEL before dispatch of the materials.
6. MISCC approval is required for new suppliers/ manufacturers/ stockists whose offer get accepted during technical scrutiny, before price bid opening.
7. The above qualifying criteria (1, 2, 3 & 4) are not applicable to the vendors who are already registered with BHEL Hyderabad for BQ plates.
8. The vendors who are not registered with BHEL-Hyderabad, for the material category under tender shall submit duly filled in vendor registration application (available in BHEL web site) along with the enquiry. Otherwise, their offers will not be considered.
