2. Tender Enquiry No. BAP:SH:LT:001:2008-2009 dt. 12/11/2008

The tender enquiry for Packing and Handling contract for Shipping department for the year 2008-2009, from 24/12/2008 to 31/08/2010 (20 months) was floated to 11 (eleven) parties on 12/11/2008 as per the above reference. The scheduled date and time of Tender opening was fixed at 14:30 hrs on 27/11/2008 at Shipping Office.

It was noticed on 27/11/2008, that out of the 11 contractors, only 4 (four) of them had responded. Since the response is very poor from contractor's side it is proposed to extend the due date for opening of Tenders up to 09/12/2008 (Tuesday) from 27/11/2008. The competent authority has approved for the same and accordingly the Tender shall be opened at 14:30 hrs on 09/12/2008 at Shipping Office. This extension of Tender opening date information was sent to all the contractors by Telegram on 28/11/2008.
