

Corrigendum-4 to NIT No.16759 / Enq.No.852201

The following changes are effected in **ANNEXURE-C – Scope of Providing Manpower** in the Enquiry

A) Serial no. 1 & 2 are deleted

B) Serial no.5 may be read as follows:

“For supervising the work, one supervisor should be posted for every shift /Location of work place”

We have 5 location of work places in Unit-I & unit-II put together and 1 location of workplace at Thirumayam.

C) Under **“Common terms and conditions for works contract relevant to safety”**

HAND TOOLS & POWER TOOLS clauses deleted.

D) In case, if no. of eligible contractors/counter offer accepted contractors are less than the requirement as given in corrigendum-2 under clause (C), **“Load Distribution”**, then left out balance load will be re-distributed among the contractors in the original tender ratio.

For example, if only 4 contractors are eligible for Trichy unit I & II , then the balance load of L5 to L7 i.,e 30% will be re-distributed between contractors L1 to L4 in the ratio of 3:2:1:1.
