**Commercial Note of Scope:**

1. The above scope is only for your reference. Our future requirements of Deaerators shall be similar but the shell diameter, length, shell thick, weight may vary and may be with multiple sections, or single piece for storage tank.
2. Painting and Heat treatment as per scope.
3. The price is to be quoted on Rs per Kg basis for **“As per BHEL scope”** for storage tank and heater as given below.

Description	Rate in Rs/Kg in figures & words	Remarks
1. Deaerator assembly with Dished Ends and spherical dishes in Vendor Scope		

4. The scope is to be followed in entirety.  
In cases of any deletion of any operation from vendor’s scope due to any exigencies (at the discretion of BHEL), the value will be deducted based on the BHEL CMM rate contract rates for the deleted operations.
5. If the drawing specifies any special paint other than given in scope, special paint shall be issued as free issue material to the subcontractor for painting. If at any point of time special paints are not available in BHEL, the rate as per existing PSL will be given for procurement by vendor.  
In such cases, the cost of the paint as indicated in the reference scope given along with this enquiry will be recovered as per BHEL-PSL rates.

**Note :** The above terms and conditions are applicable for this tender.All the remaining terms & conditions are as per GCC and ITB.

**Vendors shall not claim any right for placement of orders.  
Extention of tender due date shall not be entertained.**

Thanking you,

Yours faithfully,
