Annexure - I

INSTRUCTION FOR SUBMISSION OF TENDER

1. The offers against the enquiry shall be submitted in two parts. The first part called Techno-commercial bid i.e. Part-A shall be un-priced and will be submitted in line with Annexure I, II, III & IV. Duly signed copy of annexures I, II, III, IV & V (unpriced bid copy) shall be submitted by supplier in techno-commercial bid as a token of acceptance of our tender terms & conditions. If above said signed documents are not submitted the offer shall be liable for rejection.

The second part called Price-bid i.e. Part-B shall be submitted in the format given in annexure -V.

2. The vendors shall submit Part-A and part-B of their bids in two different sealed envelopes duly super scribing- Enquiry No. and part No. of the bid. These two parts of the bid shall be kept together in the third envelope giving enquiry No. due date and time of opening as indicated the tender document (Enquiry No..... due date on, 13.15 Hrs)
3. Part-A of the bid alone shall be opened on the due date in presence of the tenderers in the first instance. This part of the bid shall be examined in detail. Part-B of the bid shall be opened only for those tenderers whose Techno Commercial offers are found acceptable by BHEL. Such tenderers shall be advised the date and time of opening of part B i.e. price part to their bids. Tenderers must carefully go through all the instruction and conditions before filling in part B of the bid. Any type of mistake in submission of the bids will make the tender liable for rejection.
4. The bids shall be submitted only in the format given in the tender documents. It may be noted that each page of the tender document has been signed. While submitting the bid, these very pages are to be used in original. The tenderer is also required to sign and stamp each and every page of the tender document clearly bringing out deviations, if any.
5. Tenders not complying with the above and other requirements of the tender shall be liable for rejection. Tenderers are therefore advised to read all the documents carefully before submission of the bids and ensure the fulfillments of the technical and commercial parameter.
