**Enquiry for Manufacture of Pipe Clamps-SA387 Grade-91 material on Conversion Basis
with BHEL Material**

Enquiry No : 4601400010 E dt 29.12.2014 due on 13.01.2015

2. **F.O.R DESTINATION RATE TO ANY BHEL PROJECT SITE IN INDIA OR TO BHEL SHIPPING (TRICHY or THIRUMAYAM)** shall be Quoted inclusive of manufacturing as per drawings and GMS and Quality requirements, Packing (as per Annexure F) and forwarding to the Various Project sites in India/ BHEL Shipping (Trichy or Thirumayam) with transit insurance charges, inclusive of Transportation rates, in **Rupees per KG** weight of Finished items and any other applicable taxes with details.

Quotation shall be furnished strictly as per **Price Bid Format** Annexure "B" in a SEPARATE SEALED COVER along with the main **Techno Commercial Offers** Annexure "A", with all details as called for. Any values not indicated in the Price Format even if covered in any form in the techno commercial offer will not be considered for evaluation.

Techno commercial Bid will be opened first and a detailed technical discussion to confirm the acceptance of Technical and commercial conditions clearly, and specification requirements are fully understood and complied with. Only after acceptance of the Techno Commercial Bids, Price bid will be opened or reverse auction will be conducted. Prices quoted shall be kept Valid for a period of 90 days from the date of opening of the Price Bid/Reverse Auction for finalizing the rate-contract.

The Vendors shall submit Rate per KG of Net cash outflow (Basic Rate + Paint Rate + Packing Rate +Freight rate) per KG on F.O.R destination basis (to any Project Site or to BHEL, Shipping(Trichy or Thirumayam)) as per the price format for items in **Annexure- B**.

3. Tender committee shall evaluate the bids and finalize the tender either through by Price Bid opening or Reverse Auction.

Incase of Price Bid Opening

All the techno-commercially qualified vendors shall be intimated on the date and time of Price bid opening. The sealed price bid shall be opened on the intimated date in the presence of the Vendors who may like to be present. Rates are to be quoted as per Price Bid Format Annexure "B". Overall rates Quoted by vendors for Item No. 1, 2, 3, 4, & 5 alone shall be considered for further processing.

Incase of Reverse Auction

Reverse Auction shall be conducted for individual line items in **Annexure-B**.

- i. All the techno-commercially qualified Vendors shall submit their **ONLINE DYNAMIC SEALED BID** during the Start of **REVERSE AUCTION** for item 1 to 5.
- ii. The online Start Price and decrement shall be provided by Tender Committee.
- iii. Subsequent reverse bidding price(s) (in decrements) as applicable shall be provided by the vendors.

**Enquiry for Manufacture of Pipe Clamps-SA387 Grade-91 material on Conversion Basis
with BHEL Material**

Enquiry No : 4601400010 E dt 29.12.2014 due on 13.01.2015

- iv. At the end of Reverse auction, vendors are again ranked by the Item No. 1, 2, 3, 4 & 5 of ***Annexure-B***.

Note: Incase RA is unsuccessful due to any reason then the tender shall be processed as per BHEL RA guidelines.

4. Finalizing the contract

From eligible vendors, L1 shall be arrived for each item individually. L1 rates arrived through Price bid/Reverse auction shall be counter offered to other eligible vendors and annual rate contract will be finalized valid for the Twelve Months period with L1 Vendor and other vendors who accept our counter offer rates.

Negotiation of prices if required will be made with eligible L1 Vendor(s)(in individual enquiry items as per ***Annexure-B***), both in case of price bid opening or in reverse auction process.

A rate contract will be entered with all eligible Vendors based on the lowest rates arrived by reverse auction/price bid opening, if required by negotiation, for placing of orders during a period of minimum Twelve months from the date of finalizing, with an option for extension with the concurrence of the vendor.

5. Loading on Vendors

- A. Loading on vendors will be progressively made as and when Design Documents are released. Loading to vendors shall be such that, in case of three vendors L-1 vendor gets 50 %, and balance divided in ratio of 3:2 between the other two vendors. In case of two vendors, L-1 vendor gets 60 % and L-2 vendor gets the balance 40 %. The quantum shall be on decreasing mode from L-1 to counter offer accepted vendors. Incase L1, L2, L3.... vendors are not approved by NTPC, maximum loading on them may not be possible depending on the quantum of NTPC projects available for loading.
- B. A constituted committee shall monitor the performance and loading of the vendors. In case of unsatisfactory performance by the vendors, the contract may be terminated.

Loading shall be subject to

- i. Capacity utilization based on performance of Vendors. (At the time of Tender document submission, Vendors shall be asked to submit their capacity for completion of Tonnage/Month).
- ii. The performance of vendors determined by completion within delivery date.
- iii. Customer approved Vendors as applicable.

**Enquiry for Manufacture of Pipe Clamps-SA387 Grade-91 material on Conversion Basis
with BHEL Material**

Enquiry No : 4601400010 E dt 29.12.2014 due on 13.01.2015

Quotations shall be strictly as per the price bid and should not be subjected to any correlation or indirect interpretations.

All clarifications may please be obtained to ensure the technical, quality, delivery, price requirements are understood, before submitting the offer.

6. Rates quoted shall be legible without any striking/over writing etc. in the format enclosed and as per conditions indicated.
7. Quotations shall fulfill all the above requirements. Otherwise the offers may be summarily rejected as a whole or as part thereof. Rates are to be quoted strictly as per the format attached taking care of the requirements of various project sites, including responsibility of transportation to various sites, as indicated.

Approximate Total quantum to be procured under this rate contract will be **500 MTs.**

Reverse Auction:

"BHEL reserves the right to go for Reverse Auction (RA) instead of opening the sealed envelope price bid, submitted by the bidder. This will be decided after techno-commercial evaluation. All bidders to give their acceptance for participation in RA. Non-acceptance to participate in RA may result in non-consideration of their bids, in case BHEL decides to go for RA.

In case BHEL decides to go for Reverse Auction, only those bidders who have given their acceptance to participate in RA will be allowed to participate in the Reverse Auction. Those bidders who have given their acceptance to participate in Reverse Auction will have to necessarily submit "online sealed bid" in the Reverse Auction. Non-submission of "online sealed bid" by the bidder will be considered as tampering of the tender process and will invite action by BHEL as per extant guidelines in vogue.

Abnormally Low Bids

Abnormally low bids may be rejected if the purchase committee determines that the price quoted by the bidder is abnormally low, in relation to the subject matter of the procurement and raises concerns on the ability of the bidder to execute the order/contract.

Vendors are cautioned that, quoting abnormally low rates which are unworkable or withdrawal after price bid opening or after PO will be construed as tampering of BHEL's Tender process, and the concerned vendor may be banned from doing business with any of the BHEL unit. Besides their pending payments shall be withheld and their BG also will be invoked against risk purchase, if any.

**Enquiry for Manufacture of Pipe Clamps-SA387 Grade-91 material on Conversion Basis
with BHEL Material**

Enquiry No : 4601400010 E dt 29.12.2014 due on 13.01.2015

A. General Requirements

1. SALIENT POINTS:

- a) Finished items are to be offered for final inspection to our Quality Department /BHEL/Piping Centre / Chennai- 600 017, The cost of transportation shall be included in the price quoted.

All the statutory obligations such as ESI, PF, Labour Acts, Factory Act etc., will have to be taken care of by the Vendor. BHEL will have no liability on them. Notwithstanding the above, if any demand notice is served by the concerned statutory authorities for recovery of any of their dues on BHEL, the same would be paid without notice to the Vendor and recovered as a due from any pending / future bills.

All safety precautions and use of safety equipments are to be followed while carrying out the fabrication and dispatch of the same. The Vendor must have proper tools and handling equipments. There should always be a responsible persons available to oversee the operation and compliance of safety regulation etc.

All documents of BHEL made available to the Vendor should be kept in strict confidence and under no circumstance be made available to others or allow others to make use of them. The secrecy of clause is binding on the employees of the Vendors also. Any contravention will be viewed seriously. Such documents should not be disposed of / destroyed without the prior approval of Outsourcing Department (PC), BHEL, Chennai.

**Enquiry for Manufacture of Pipe Clamps-SA387 Grade-91 material on Conversion Basis
with BHEL Material**

Enquiry No : 4601400010 E dt 29.12.2014 due on 13.01.2015

In addition to the above terms and conditions, the enclosed General Conditions of Contract will also apply in as they are not repugnant to the terms and conditions, specifically brought out above in this contract.

C. General Conditions

a. Definition

Throughout these conditions and in the specifications, the terms:

- a. a) 'THE CONTRACTEE' / 'BHEL' means the Bharat Heavy Electricals Ltd, acting through Deputy General Manager, Outsourcing, Piping Centre, Chennai, unless the contract otherwise provides.
- b. 'THE VENDOR' / 'FABRICATOR' / 'SUB VENDOR' means the person, firm, or company with whom the order for fabrication is placed and shall be deemed to include the Vendor's successor (as approved by the contractee), representatives, heirs, executors and administrators as the case may be unless excluded by the term of contract.
- c. 'DRAWINGS' means the drawings exhibited or issued for the guidance of the Vendor.

b. Execution

The whole contract is to be executed in the most approved substantial and workman like manner to the entire satisfaction of the BHEL or the Inspecting Officer, who shall have power to reject any of the fabrication of which he may disapprove and his decision thereon and on any question as to the true intent and meaning of the specifications of drawing or of the work necessary for the proper completion of the contract shall be final and conclusive. The BHEL may require alterations if any to be made during the progress of fabrication/machining and should these alterations be such that either party to the contract considers an alteration in the charges is justified, such alterations shall not be carried out until amended cost of fabrication /machining charges have been submitted by the Vendor and accepted by the BHEL. Should the Vendor proceed to fabricate and without obtaining the consent of the BHEL in writing to an amended cost of fabrication/machining charges, the Vendor shall be deemed to have agreed to execute fabrication at such charges as may be considered reasonable by the BHEL.

c. Force Majeure

If at any time during the continuance of this contract the performance in whole or part by either party of any obligation under this contract shall be prevented or delayed by reason of war, hostilities, acts of public enemy, civil commotions, sabotage, fire, flood, explosion, epidemic, quarantine restrictions or acts of God (here in referred to as events), then provided the notice of the happenings of any such event is given by either party to other party within 21(twenty one)days from the date of occurrence thereof, either party shall reason of such event, not be entitled to terminate this contract nor shall either party have any claim

**Enquiry for Manufacture of Pipe Clamps-SA387 Grade-91 material on Conversion Basis
with BHEL Material**

Enquiry No : 4601400010 E dt 29.12.2014 due on 13.01.2015

for damages against other in respect of such non-performance and delay in performance and delivery under the contract shall be resumed soon as practicable after such event has come to an end or ceased to exist and the decision of the BHEL as to whether the deliveries, have been so resumed or not shall be final and conclusive. If the performance in whole or part of any obligation under the contract is for extension of time shall be granted for periods, considered reasonable by the Vendor to the BHEL subject to prompt notification by the Vendor to the BHEL of the particulars of the events and supply to the BHEL if required of any supporting evidence. Any waiver of time in respect of particular part and thereof shall not be deemed to be a waiver of time in respect of remaining deliveries.

d. Termination of Contract

If as a result of difficulty in procurement of raw materials or due to force majeure reasons or any other reasons whatsoever the Vendor is unable to keep the delivery schedule of BHEL the extension of time may be granted by the BHEL to the extent considered necessary. Should there be delay in supply beyond the extended date of delivery, it shall be open to the BHEL to terminate the contract in part or full and make other arrangements for executing fabrication elsewhere at the cost and risk of the Vendor.

e. Interpretation

Any dispute or difference of opinion in respect of interpretation, effect of application of this particular condition of the Vendor of the amount recoverable hereunder from the Vendor shall be decided by the BHEL and decision shall be final conclusive.

f. Book Examination Clause:

- a. The Vendor shall, whenever required, shall produce for examination by any officer of the BHEL authorized in that behalf, any cost or other account book, account voucher, receipt letter memorandum, paper or writ or any copy of extract from any such document, and also furnish information and returns verified, in such a manner as may be required in any way relating to the execution of the contract (the decision of such officer of the BHEL on this question and relevancy of any documents, information or return, being final and binding on the parties). The obligation imposed by this clause is without prejudice to the obligation of the contract/ Purchase orders or any orders binding the Vendor.
- b. The Vendor shall, if the authorized officer of the BHEL so required (whether before or after the prices have been finally fixed), extend facilities to the officer of BHEL concerned to visit the Vendor's work for the purpose of the examining the process of manufacture and estimate or ascertaining the cost of production of the articles. If any portion of the work be carried out by the Vendor or any sub-Vendor or any subsidiary or an allied firm or Company, the authorized officer of the BHEL shall have power to secure the books of such Vendor or sub-Vendor or any subsidiary or allied firm or company and the same shall be open for inspection.

g. Set of Clauses

Payment shall be subject to the deduction of any amount for which the Vendor is liable under this contract, or any contract in respect of which Bharat Heavy Electricals Limited, Piping centre, Chennai the BHEL.

h. Laws Governing the Contract:

- a. The contract shall be governed by the Laws of the Government of India in force.
- b. Irrespective of the place of execution of the contract, place of delivery, place of payment under the contract, the contract shall be deemed to have been made at the place at which the Acceptance of the tender has been issued.

i. Jurisdiction of the Court

The Courts of the place from where the acceptance of the tender has been issued shall alone have jurisdiction to decide any dispute arising out of or in respect of the contract.

j. The Global Compact

The Global Compact is a signature initiative of then United Nations Ex-Secretary General Mr. Kofi Annan and Four United Nation Agencies.

- *Office of the High Commissioner for Human Rights.
- *International Labour Organisation.
- *United nations Environment Programme.
- *United Nations Development Programme.

This is a broad based initiative and engages:

Individual Companies

Business Associations

International Labour

Human Rights, Environment and Development Organisations

Academic & Public Policy Institutions and United Nations.

The BHEL is a member of this Global Compact.

As a participating company,

- We have the obligation to Support and respect Human Rights within our spheres of influence.
- Make sure We are not complicit in Human Rights abuses.
- Make sure We are not employing forced or compulsory labour.

**Enquiry for Manufacture of Pipe Clamps-SA387 Grade-91 material on Conversion Basis
with BHEL Material**

Enquiry No : 4601400010 E dt 29.12.2014 due on 13.01.2015

- Refrain from employing Child labour.
- Eliminate discrimination in our hiring and firing policies.
- Support a precautionary approach to environmental challenges.
- Undertake initiatives to promote greater environmental responsibility.
- Encourage development and diffusion of environmentally friendly technologies.

Vendor shall also ensure to fall in line with the above principles.

D. Special Terms and Conditions

- a) BHEL reserves the right to increase or decrease the tendered quantity and split the tendered quantity among more than one tenderer and place orders accordingly in any proportion, based on commitment, requirement and supplier's capability in terms of delivery and quality, or any other reason like contract priorities, logistics etc.
- b) Lowest prices received against BHEL tenders need not be the technically acceptable one and in that case BHEL reserves the right not to consider the same.
- c) Price Format Excel has a formula inbuilt in it. Hence vendors shall enter the rates as applicable in the Excel and print of that may be submitted. DO NOT CHANGE THE FORMULA IN THE PRICE FORMAT. BHEL shall not be responsible for wrong value due to the vendor's mistakes during handling the Excel. Net cash outflow formula is given in the bottom of the Price Format excel.
- d) BHEL reserves the right to negotiate or re float the tender opened if L1 price is not the lowest acceptable price to them inter-alia other reasons.
- e) BHEL reserves the right to negotiate the L1 rate/finalise the tender thro' reverse auction/price bid opening.
- f) BHEL may order on more than one vendor at the lowest acceptable price to BHEL.
- g) All Vendors shall maintain quality system and organization as per BHEL requirement. This will be periodically audited by BHEL.
- h) All welding process shall be approved. Approval for new process should necessarily be obtained before initiating regular production.
- i) BHEL has developed a Vendor Information System site, Vendor shall establish compatible system to interact with BHEL and download the online data through the Internet.
