The transporter shall get permission from Govt. of India, Ministry of Road Transport & Highways or from State Govt.(s) or from local bodies necessitating such requirement relating to Motor Vehicles Act. The transporter will produce such approved documents requiring scrutiny accordingly, before the consignment is loaded.
- 14.3. Transporter shall abide by the notification or guide lines issued by MoRTH from time to time regarding transportation of ODC/OWC.

G-15) PROTECTION / SAFETY OF CONSIGNMENT DURING TRANSIT:

- 15.1. To ensure safe transit, the consignment loading shall be done by BHEL in its warehouse(s). The transporter shall ensure: -
 - a) Placement of vehicles of good and roadworthy conditions having good hydraulic system and joints of vehicle chassis in sound condition.
 - b) That good quality lashing ropes in sufficient numbers, length and diameters and other items required to accompany the vehicle so as to securely lash the consignment as per lashing scheme to be provided /explained by BHEL unit to ensure its safer transit in the same condition and same vehicle. Whenever explicitly mentioned by BHEL; the same should be got certified by BHEL authority.
 - c) If required transporters shall cover the consignment with suitable cover.
 - d) Compliance of all the safety precautions and other instructions required in road transportation e.g. red flags / lamps, pilot, escort etc. as required shall be the responsibility of the transporter.
 - e) Lashing to be proper and safe. The transporter to check the same and to be satisfied before departing from work premises.
 - f) Complaints of unsatisfactory packing or lashing will not be entertained after the vehicle has departed from the loading point.
- 15.2. The transporter shall be solely responsible for the safe custody of the consignments from the time the documents are handed over to him until the consignments are delivered at the destination, duly obtaining acknowledgement of delivery.
- 15.3. Any failure in this regard shall be viewed seriously and BHEL shall be free to take deterrent/penal action on the transporter concerned e.g. Suspension of business forthwith and future business dealings by BHEL and recovery of all losses suffered by BHEL from the transporter.
- 15.4. The transporter will indemnify BHEL against any loss, damage, breakage, shortage and pilferage of any materials while in his custody.

-
- 15.5. Even, in cases where the transporter does not have his branch office or delivery points, all consignments shall be accepted for transportation and deliver at such points. Similarly, the transporter shall arrange for the collection of materials from such points and delivery at any such points.
 - 15.6. Transporter shall not auction any material belonging to BHEL where customer/suppliers have defaulted in taking delivery for various reasons. The transporter will give notice under registered post to BHEL and ask for instruction in the matter. The local manager of the transporter concerned should follow up these cases with the consignee at one end and consignor at the other end.
 - 15.7. Where all measures have exhausted and still the consignment is held by the transporter for a period of one year or more, material shall be rebooked to the Consignor, on freight "To Pay" but no demurrage payable basis without waiting for instructions. In such cases, liability for to & fro freight will rest with BHEL.

G-16) STATUTORY OBLIGATIONS OF TRANSPORTER:

- 16.1. The transporter shall indemnify BHEL against all claims, payments and losses that the company may have to make or suffer on account thereof. The transporter shall whenever required to do so by the company or Govt. officials authorized under law, produce for inspection all forms, register and other papers required to be maintained under the various statutes.
- 16.2. The transporter shall accept liability for compensation in accordance with the provision of the Indian Worker's Compensation Act 1923 read with Employees State Insurance Act 1948, amendments thereafter and or other law for the time being in force for personal injury caused to any workmen by accident arising out of and in the course of this contract.
- 16.3. Should the company be held liable for any loss, damage or compensation to third parties arising from or in relation to transport operations done by the transporters; the transporters shall reimburse such loss, damage or compensation to the company together with the costs incurred by the company on any legal proceedings pertaining thereto.

G-17) INDEMNITY:

- 17.1. The transporter shall have to indemnify BHEL against all claims for injury or damage to any person or property caused by his negligence or negligence of his employees whilst in BHEL premises/sites.
- 17.2. The transporter shall indemnify the company against all payments by way of compensation or otherwise which the company may be called upon to make under the provisions of the applicable Acts to any workmen as aforesaid, and any cost incurred by the company in connection with any claim preferred by such workmen and or against all actions, claims and demands whatsoever in respect thereof or in respect of any loss, injury or damages whatsoever to any third person arising out of or occasioned by the negligent, imperfect or improper performance of this contract by the transporters, their workmen servants or agents.

17.3. The transporters approved and operating under the transportation rate contracts shall further indemnify BHEL against:-

- Observance of Labour & Industrial Laws.
- All claims by way of compensation and all other types of unforeseen claims, which may arise in the course of contract.
- Documentary compliance relating to freight billing.
- Indemnity shall cover the entire transit right after loading to the unloading at destination.

G-18) **TRANS-SHIPMENT:**

- 18.1. Transshipment (change of hydraulic axles) shall be permitted in very special cases & with the prior permission of BHEL only. In case of transshipment, the entire responsibility for safety of goods shall be at the risk and cost of the transporter.
- 18.2. BHEL shall specify the consignments where no transshipment is allowed and this shall be ensured by the transporter.
- 18.3. For all transshipments, detailed information to be furnished by the transporter to BHEL. Damage to the consignment under transportation, if any, shall be made good by the transporter.
- 18.4. Any transshipment anywhere shall be done under strict supervision of the transporter / his representatives to avoid the risk of any damage to the packing case or the consignment being transshipped.
- 18.5. Transshipment damages of the packing cases in all cases shall be made good by the transporter concerned. Transporter shall ensure that the equipment damaged due to transshipment for any reasons are collected from the site of damage back to BHEL free of charge.

G-19) **PLACEMENT OF VEHICLES**

Seven days advance notice for placement of trailer will be given by BHEL OR BHEL suppliers indicating required date of placement of vehicle. The transporters have to place the demanded vehicle within 2 days of demanded date. For delay in placement of vehicle (ie beyond demanded day + 2 days), penalty @ Rs. 1500/- per day shall be recovered from the pending bills of the transporter limited to 5% of freight bill of the demanded consignment.

G-20) **CONSIGNMENT WEIGHT / MEASUREMENTS:**

Payment shall be done based on the weight certified by CDC which will be based on actual weight or design weight when weighment facility is not available. The weight of consignment certified by RTO/any Govt. agency in Challan will also be accepted for payment of freight, limited to plus minus 5% weight variation from design weight to actual weight.

In case of requirement of higher number of axles than that calculated as per weight of consignment because of technical requirement such as

- i) Extra long consignment which overhangs on axles if the axles are deployed as per weight of consignment
- j) Or for transformers transported to test labs in gas filled condition and filled with oil during testing in loaded condition on trailer
- k) Or any other reason

Extra axles shall be allowed with the approval of authority one step higher than the CDC in-charge. In such cases the freight charges calculated as per number of axles deployed shall be acceptable. Chargeable weight in such cases shall be calculated @ 13.5 MT per axle.

The load should be placed in such a way that the distribution on each axle is fairly uniform. The Gross load (weight of axle + weight of consignment) on each axle should not exceed its permissible limit as certified by RTO / Govt. gazette. Gross load on each axle should never exceed 18 MT or as notified by Central/State Govt.

Over hanging should be within the permissible limits as per Motor Vehicle Act.

However under no condition, freight amount for higher slab shall be lesser than the maximum freight being computed for heaviest package for lower slab, under such circumstances higher of the two shall be payable. e.g. Basic freight charges for carrying more than 54 MT shall not be less than freight charges for 54 MT. Similarly basic charges for carrying for distance more than 800 Km shall never be lower than that for carrying to 800 Km.

G-21) **DESPATCH DOCUMENTS:**

- 21.1. While accepting the consignments for transportation, the transporter shall ensure to collect all the necessary documents from the consignor viz.
 - a) Dispatch Advice Note / Challan, (DAN)
 - b) Excise Invoice (Pink/ Duplicate) indicating PO reference,
 - c) Driver /Lorry/Destination Copy of LR along with 'freight bill copy',
 - d) Consignee Copy of LR for door delivery,
 - e) Road Permit/Waybills etc. wherever applicable,
 - f) SMIV/PMIV/Excise Gate Pass, wherever applicable.
 - g) Instructions for Unloading (If not mentioned in DAN)
- 21.2. The transporter shall be responsible for delivering the connected documents particularly original excise gate pass/invoice, counter-foil of Road Permit etc. to the consignee and obtaining acknowledgement of the same.

-
- 21.3. In case the transporter fails to deliver original Excise Gate Pass (duplicate for transporter to claim CENVAT) and any other documents to CRX and counter-foil of the waybill to Consignee, responsibility for loss shall be entirely on transporter.
 - 21.4. All documents related with transportation, required to be shown at various check posts are collected by the transporter so that the consignments are not detained / delayed en-route on this account. Detention / delays on this account will be the transporter's responsibility.

G-22) CONSIGNMENT NOTE CERTIFICATION:

- 22.1. The following information shall invariably be legibly and clearly indicated on the BHEL specific Consignment Note (i.e. LR) by the transporter at the time of loading of the consignment and prior to certification of dispatch by the consignor / customer: -
 - a) Registration No(s). of the vehicle(s).
 - b) Weight, dimensions and No. of the packing cases or liquid quantity in KL.
 - c) Name & address of the consignor with specific destination.
 - d) Description of the consignments with BHEL Purchase Order (PO) reference.
 - e) Distance to destination in Km and rate of freight.
 - f) Dispatch Control Record entry No. and reference to all other relevant information of Dispatch Advice Note, Excise Invoice, and Way Bill/Permit etc.
 - g) Freight details and consignment value.

G-23) TRANSIT INSURANCE:

- 23.1. Transit insurance of the consignment shall be covered under Open Marine Policy of BHEL / Consignee as the case may. However, as per Carriage by Road Act 2007, transporter shall be responsible for any external damages to the consignment during transit.
- 23.2. The contract as entered into between BHEL and the transporter(s) shall in no way nullify, reduce, mitigate or absolve the parties of any responsibility, obligation or liability that may devolve upon them under the Carriage by Road Act 2007.
- 23.3. Position as above shall not absolve the transporter of his responsibility for safe and proper transportation of the goods to the proper destination or his liability to compensate for the damage/ shortage / loss in respect of the consignments transported by him.
- 23.4. The transporter's consignment note (LR) shall be acceptable to insurance company. In addition, the transporter shall get 'LEGAL LIABILITY' from Insurance Company for Insurance Cover.
- 23.5. In case of any damage to the consignment in transit, open delivery certificate and joint inspection memo [JIM] whenever so called for by BHEL / Consignee shall be adhered to by the transporter.
- 23.6. The transporter will be bound under the contract to give shortages / damage / open delivery / joint inspection certificate(s) wherever required for lodging our claim with the underwriters. In case they fail to comply with this, any loss, liability thus arising will rest with the transporter. In case of joint inspection memo (JIM), the transporter should

-
- intimate the BHEL representative authorized to sign the JIM, which should be properly stamped with the name of the person to avoid any dispute later. Manager of Transport Company shall duly attest the signature of the representative.
- 23.7. The transporter will be bound to accept letters / notice / claims from BHEL/ Insurance Co. in accordance with the provision of the Insurance Act.
- 23.8. Transporters shall ensure submission of damage/shortage/loss certificate in the prescribed format, immediately on receiving intimation to the effect under acknowledgement of the concerned official with submission of the 'acknowledged copy' of the certificate on freight billing.
- 23.9. In case a vehicle meets an accident en-route, the transporter shall immediately inform BHEL, furnishing details of the mishap, copy of FIR, photographs and damage report etc. to enable BHEL arrange survey, if required. The transporter shall move such consignment only after specific clearance is given by BHEL.
- 23.10. In case of accident freight charges from loading point to accident place, reloading charges and freight charges from accident place to pickup point will be paid to the transporter if these are paid by the underwriters to BHEL. No freight bill for movement of such consignment shall be entertained till BHEL/Customer's insurance claim is settled.
- 23.11. In case of consignment of anywhere to Jhansi or anywhere to anywhere the transporter shall make available the copy (Scanned or otherwise) of LR to BHEL Jhansi before despatch so that the Insurance company is informed. Also in case of transshipment the transporter should take prior permission and inform the new vehicle number so that Insurance Company can be informed. In case of failure to do so transporter is liable for penalty as decided by BHEL.

G-24) VEHICLE MOVEMENT REPORTING

The bidder shall provide an experienced supervisor among the staff as an escort with a mobile phone, who shall inform the day to day progress of movement of vehicle, to BHEL. **To monitor the movement of consignment closely, transporter shall install a GPS system in the vehicle & shall give access to CDC/CRX of the tracking system through net (by providing web site details, password, User ID etc) before the consignment leaves the pickup point.** Installation of GPS, activation, furnishing the correct access ID, password, web site address should be done before loading of consignment, any delay shall be on account of transporter. It will be the responsibility of transporter that real time tracking data of GPS is available to BHEL through out the journey. In case the GPS is not working due to any technical reason the transporter shall inform the BHEL the status of vehicle on daily basis. If it is found that the GPS is not provided or detached en route, or has stopped working and not repaired/replaced in reasonable time a penalty of 2% of the basic freight shall be levied.

G-25) ROUTE & DISTANCE:

- 25.1. The transporters are advised in their own interest to conduct and update / confirm route on their own before carrying the consignment to avoid any delays en-route. In specific cases, BHEL reserves the right to seek a route survey report from the transporter, for which no separate charges shall be payable by BHEL.
- 25.2. The distance for the purpose of freight admissibility shall be the shortest feasible route exhibited in the latest edition of Motoring Guide of India (MGI), route approved by Ministry of Road Transport & Highway (MoRTH) or the shortest feasible route for the destination. Wherever a particular station is not appearing in MGI, the distance calculated up to the nearest station available in MGI will be suitably increased/decreased based on information from other sources like Railway time table, Project authorities, internet sites such as Google-maps, maps of India etc.
- 25.3. Where longer route becomes necessary due to unavoidable circumstances, Transporter shall submit the details of alternate route with the justification for approval from GM before lifting the consignment. The GPS record should match with the approved route. In case of discrepancy between GPS record and approved route economical route for BHEL shall be accepted for freight charges.
- 25.4. Wherever the consignee or consignor has re-directed the consignment to other destination, the transporter shall obtain such request from concerned authorities in writing and submit it along with freight bill for claiming the distance as per re-directed route.

G-26) ESCORTS:

Wherever BHEL intends to depute an escort for important consignments; he shall be allowed to travel in the same vehicle to the destination free of charge.

G-27) DELIVERY & ACKNOWLEDGEMENT:

- 27.1. The transporter shall be responsible to obtain acknowledgement of delivery of goods from the consignee with signature, name & seal of consignee's representative receiving the material duly specifying date & time, Registration No(s) of vehicle and condition of the consignment on delivery on overleaf / in front of LR/MR submitted along with their freight bill claim. In case of any lapse, processing of the freight bill for release of payment will be made only after due investigation.
- 27.2. The consignee copies of LR's in all such cases may be collected immediately on delivering the consignments to CRX, BHEL.

G-28) RECOVERY TOWARDS IDLE CRANE CHARGES:

As and when cranes are hired by BHEL / its representative(s) / clearing agents and same have to remain idle due to failure of the transporter not providing vehicles in time, in spite of advance intimation, such crane charges would be recoverable from the transporters.

G-29) TRANSIT PERIOD AND PENALTY FOR DELAY IN DELIVERY:

- 29.1. The transit time shall be calculated on the basis of average minimum speed in Km/day. The allowable average speeds shall depend on the load, size and geography of route.
- 29.2. Allowable average speed in Km/Day for calculation of transit period for consignment having height less than or equal to 3500 mm is as following

Weight Class	For Consignment height upto 3500 mm	
	Plain Area	Hilly Area
(M1)- Above 32 MT & upto 54 MT	100	40
(M2)- Above 54 MT & upto 81 MT	90	30
(M3)- Above 81 MT & less than 100 MT	80	30

Allowable average speed for calculation of transit period in hilly area shall be calculated for the distance travelled in hilly portion only.

For consignments having height more than 3500 mm relaxation in minimum average speed shall be give as following:-

For each slab of 300 mm of excess height over 3500 mm, relaxation of 10 % of average minimum speed shall be allowed.

Allowable transit period shall be rounded off to next higher whole number.

In case the reporting at site is on Sunday or Holiday, these days will not be counted in transition period.

Example:-

1. For transporting 60MT consignment having height 3500 mm or less for 850 Km in non-hilly destination @ 90 Km per day, allowable transit period shall be 10 days.
2. For transporting 45MT consignment having height 3500 mm or more to a distance of 700 Km on plain & 100 Km to a hilly destination, the allowable transit period shall be
Average allowable speed for plain shall be $100 - (10\% \text{ of } 100) = 90$ Km per day. Then the allowable transit period for travelling 700 Km in plain area shall be 8 days.
Average allowable speed for hilly area shall be $40 - (10\% \text{ of } 40) = 36$ Km per day. Then the allowable transit period for travelling 100 Km in hilly area shall be 3 days.
Hence the total allowable transit time will be $8 + 3 = 11$ days

For typical designs requiring slow movement in the interest of safety of the consignment additional grace period can be allowed with the approval of GM.

- 29.3. Additional grace period shall be allowed for the following :-
- a) At each railway crossing - 10 working days
 - b) Inter-state check post clearance at state borders - 1 day per check post
 - c) Day of exit and day of entry shall not be counted in transition period.
 - d) In case of delay in completion of documents by BHEL which cannot be attributed to transporter, the grace period upto 15 days shall be allowed with the approval of CDC head not below the rank of DGM. For delay of more than 15 days due to such reasons, grace period can be allowed with the approval of GM.
 - e) In case of delay in deliveries for reasons other than stated in Sl.(d), grace period can be allowed on case to case basis and available documentary proof with the approval of GM.

29.4. **FORCE MAJEURE:**

The following shall amount to force Majeure. Acts of God, Acts of any Government, War, Sabotage, Riots, Civil Commotion, Police Action, Revolution, Flood, Fire, Cyclones, Earth Quakes and Epidemic over which transporter has no control. Mechanical failure shall not come under force majeure.

29.5. Delay attributable to above force-majeure conditions will be reviewed by Head CDC / CRX on representation by transporter on case to case basis for granting relief on merit.

29.6. The transit period shall commence from date of LR. The date of unloading at destination shall be taken as the delivery date. Proof of date of delivery shall be the responsibility of the transporter. In case consignee is reluctant in giving receipt with date & vehicle number, transporter shall immediately send an e-mail to CDC / TRC Department & get the confirmation within 5 days.

29.7. In case of delay, a penalty of 2% of the basic freight charges per week of delay or part thereof subject to a maximum of 10% shall be levied.

G-30) **FREIGHT PAYMENT:**

30.1. Mode of payment of freight will be either on:

- a) "To Pay" [TP] (i.e. to be paid by our Consignee/Customer) basis after receipt of goods at destination, OR
- b) "To be billed" [TBB] (to be paid by BHEL) after satisfactory delivery of goods to Consignee/Customers or to our stores at BHEL JHANSI and production of documentary evidence in support thereof.

30.2. All freight payments for (a) incoming consignments to JHANSI and (b) from one destination to another, under category 'To be billed' against PO will be paid at JHANSI through CRX. For consignment booked against W.O. will be processed by CDC.

30.3. The payment shall be based on the shortest distance by National highway, State highway or other roads, in the order of the preference. List of distances of major cities from Jhansi is enclosed. Alternate routes shall be allowed only on force majeure conditions with approval of GM.

30.4. For Outgoing consignments dispatched from JHANSI under 'To be Billed' category, payment will be made at JHANSI only after submission of acknowledgement from site/customer in the prescribed manner, through CDC. Freight for material dispatched for job work against PO will be processed by CRX.

30.5. All freight payment will be made by Cheque / Electronic Fund Transfer after deducting TDS as per applicable law. Total freight amount will be rounded off to nearest full rupee value for claiming freight charges.

30.6. Payment of freight bills shall normally be made within (sixty) 60 days of presentation of the bill in prescribed format duly supported with the acknowledgement on the LR/GR, in duplicate in the prescribed manner. The consignee's acknowledgement obtained on the LR/GR should clearly indicate the Vehicle Registration Number(s) on

which the consignments have been delivered to the consignee, clearly indicating the date of delivery.

- 30.7. For the outgoing consignments booked on "To Pay" basis, where the transporter has to realize payment from the consignee and the consignee does not make the payment, CDC, BHEL JHANSI will accept the freight bills subject to: -
- Submission of Non-Payment Certificate issued by the consignee to the transporter on Performa as specified by BHEL.
 - Processing of such freight bills shall be done only on endorsement/ authorization by concerned product commercial group and released through Finance (Stores Accounting) of BHEL.
- 30.8. Freight Bills submitted after 90 days from the date of delivery will not be accepted unless transporter explains the delay in writing.
- 30.9. For extra weight carried by the vehicle beyond the capacity due to exceptional circumstances, payment will be made on pro-rata basis.
- 30.10. Freight charges for consignments acknowledged on delivery under damage/shortage/ discrepancy condition(s) shall be paid only after clearance by concerned product commercial in regard to acceptance of consignments by Customer, or settlement of insurance claim by underwriters in case of equipment damage.
- 30.11. Charges levied by Railway authorities as per original receipt for removing of the height barrier and/or prior shutdown to facilitate passed of trailer at railway crossing will be payable to the transporter.
- 30.12. Any levies or cess, if legally applicable on the freight charges shall be reimbursed on production of documentary evidence, along with the freight bills.
- 30.13. In terms of Service Tax applicable under prevailing Act thereto, the transporters in their freight bills will ensure an endorsement of certificate stating that they have not availed CENVAT Credit of duty paid on inputs or capital goods and also they have not availed the benefit under Notification No. 12/2003 ST dated 20/06/2003.

G-31) OCTROI / ENTRY TAX:

- 31.1. The transporter shall obtain Octroi exemption certificates at the time of lifting the consignments, wherever necessary so that BHEL is not put to any loss or disadvantage. Wherever required, the transporter will take the assistance of the concerned product commercial group/ROD to obtain Octroi exemption certificate.
- 31.2. Transporter shall arrange to pay the Octroi duty and entry tax under conditions warranting and the same will be reimbursed to them along with the freight bill on production of true copy of the original certificate duly authenticated by the concerned product commercial group to whom the original has to be handed-over.

G-32) FREIGHT ESCALATION

- 32.1. The rates agreed between BHEL and the transporters will remain firm during the contract. However the rates will increase/decrease by 30% of the percentage increase/decrease in the average retail price of diesel prevailing on the date of tender opening (techno-commercial bid – Part-I). Any increase/decrease so allowed to the transporters will be extra/less and form the part of basic freight. This increase/decrease will be done, only quarterly, as under:-
- 32.2. The rates at which the work is awarded initially will remain firm till the end of that quarter (31st March, 30th June, 30th Sept & 31st Dec) without any PVC. For example, if rate contract is effective from 1st January, rates will remain firm upto 31st March but may change from 1st April and will remain same upto 30th June. If rate contract is effective from 30th March, rate will change from 1st April which will remain same upto 30th June.
- 32.3. The retail sale price(RSP) of diesel applicable for Jhansi district obtained from the office of IOCL/HPCL/Reputed dealers shall be the basic for calculation of Price Change of freight rates
- 32.4. Percent increase /decrease in freight rate shall be 0.30 times of percent increase in average Retail Sale Price (RSP) of diesel w.r.t base rate indicated in tender.
- 32.5. The freight rates prevailing on the date of LR from plant shall be applicable for that consignment.

32.6. **Example:**

If the RSP of diesel are as following

Date	Retail Sale Price in Rs.
As on Base Date	38.00
On 1 st Jan.'12	40.00
On 1 st Feb.'12	42.40
On 1 st Mar.'12	43.50
Average	$(40.00+42.40+43.50)/3=41.97$
Percent Increase w.r.t. RSP on base date	$(41.97-38.00)/38.00=10.44\%$
Percent Change in Freight Rates	$0.30 \times 10.44=3.13\%$

This increase in Freight Rates shall be applicable in period from 1st Apr' 12 to 30th June' 12.

Freight increase on any other account will not be permissible.

G-33) **PERFORMANCE EVALUATION/BUSINESS DISTRIBUTION:**

- 33.1. The performance of the transporters shall be evaluated for each rate contract based upon the performance parameters like timely placement of vehicles, safe & timely delivery, movement reporting, transshipment and timely submission of freight bills.
- 33.2. Business distribution as specified in Tender document may therefore, vary from time to time, depending upon the performance of the transporters.
- 33.3. Preference in allocation of demand will be given to those transporters who are able to place vehicles as per time frame required by BHEL.

G-34) **ARBITRATION:**

Any dispute arising out of this contract shall be referred to the sole arbitration of BHEL, JHANSI. Its award shall be final and binding on the parties. The venue of arbitration in all cases shall be at JHANSI.

G-35) **JURISDICTION:**

In case of any suit or other legal proceedings arising under or relating to the rate contract, the courts at JHANSI only shall have jurisdiction.

Note: The applicability and extent of the provisions under 'Tender & Contract Terms and Conditions' shall be forming an integral part of the tender documents in totality as also the Notice Inviting Tender (NIT) as far as the exact scope and nature of transportation rate contract.

SPECIAL TERMS & CONDITIONS

S-1. QUALIFYING CRITERIA FOR HYDRAULIC TRAILER LOAD

To qualify for hydraulic trailer load, the design weight of single piece consignment should be more than 32 MT.

S-2. MINIMUM CHARGEABLE DISTANCE shall be 300 Kms. Minimum Chargeable distance within the BHEL premises including Township shall be 25 Km. If the trailer is brought back inside the factory premises after exit for correction in lashing or loading, no freight shall be paid.

S-3. LOADING & UNLOADING CHARGES

3.1. BHEL shall be responsible for loading / unloading of all outgoing and incoming consignments.

3.2. If BHEL asks the transporter to unload the outgoing consignments at the project / customer site, unloading charges @ Rs 825/- per MT shall be paid to the transporter.

For any in-transit transshipment unloading / reloading of consignment shall be done by the transporter at his own cost unless cause is attributable to BHEL.

3.3. If the height of the consignment is unable to pass through tunnel, over bridge etc due to excess height and as an alternative low bed trailer or dragging is used as means for crossing that short distance loading, unloading and/or dragging charges as required shall be given on submission of photographs/ video or any other proof or witnessed by BHEL representative with the approval of GM. Transporter shall be responsible for safety of job during this operation and it should be done on prior permission of BHEL.
