LATEST PRICE VALUATION RULES :

- i. The bidder shall provide their prices for the price bid in the E-procurement portal strictly as per the price format annexed herewith.
- ii. BHEL reserves the right to go for Reverse Auction (RA) instead of opening the sealed envelope price bid, submitted by the bidder. This will be decided after techno-commercial evaluation. **ALL BIDDERS TO GIVE THEIR SPECIFIC ACCEPTANCE FOR PARTICIPATION IN RA.** Non-acceptance to participate in RA may result in non-consideration of their bids, in case BHEL decides to go for RA.

- iii. In case BHEL decides to go for Reverse Auction, only those bidders who have given their acceptance to participate in RA will be allowed to participate in the Reverse Auction. Those bidders who have given their acceptance to participate in Reverse Auction will have to necessarily submit 'online sealed bid' in the Reverse Auction. Non-submission of 'online sealed bid' by the bidder will be considered a tampering of the tender process and will invite action by BHEL as per extant guidelines in vogue.
- iv. If the lowest online sealed bid is the starting price, then the lowest bidder in online sealed bid shall be shown as current L1 automatically by the system and no acceptance of that price is required.
- v. In order to have serious bidding in RA, the H1 bidder (whose quote is highest in the online sealed bid) will not be allowed to participate in further RA process in this Enquiry.
- vi. Wherever more than one bidder is H1, all H1 bidders will not be allowed to participate in further RA.
- vii. Time extension of 15 minutes based on the request from the bidder (maximum one request per bidder) on account of inability to bid can be given, provided such requests come before five minutes of auction closing time.
- viii. BHEL reserves the right to treat RA as failed in cases, where no bidder accepts the start price. In such cases, envelope price bids/e-price bids shall be opened and processed accordingly. Online sealed bid prices will not be considered.
- ix. Hence, it is advised to all vendors to submit the envelope price bids/e-price bids correctly.
- x. Punitive action can be taken by BHEL as per the guidelines for the following cases :
 - Not submitting 'online sealed bid' after acceptance to participate in RA.
 - Variation in final RA price and signed price breakup.
