ಭಾರತ್ ಹೆವಿ ಎಲೆಕ್ಟ್ರಿಕಲ್ಸ್ ಲಿಮಿಟೆಡ್
 भारत हेवी इलेक्ट्रिकल्स लिमिटेड

Bharat Heavy Electricals Ltd.,
 (A Government of India undertaking)
 Electronics Division

PB 2606 , Mysore Road Bangalore , 560026 INDIA

CE: PR: 002- Rev 00

GENERAL COMMERCIAL CONDITIONS FOR CONTRACT

These 'General Commercial Conditions for Contract for Purchase' hereinafter referred to as GCC apply to all enquiries, tenders, requests for quotations, orders, contracts and agreements concerning the supply of goods and the rendering of related services (hereinafter referred to as "deliveries") to Bharat Heavy Electricals Limited and any of its units, regions or divisions (hereinafter referred to as "BHEL" or the Purchaser) or its projects / customers.

Any deviations from or additions to these GCC require BHEL's express written consent. The general terms of business or sale of the vendor shall not apply to BHEL. Acceptance, receipt of shipments or services or effecting payment shall not mean that the general terms of business or sale of the vendor have been accepted.

Orders, agreements and amendments thereto shall be binding if made or confirmed by BHEL in writing. Only the Purchasing department of BHEL is authorized to issue the Purchase Order or any amendment thereof.

Definitions: Throughout these conditions and in the specifications, the following terms shall have the meanings assigned to them, unless the subject matter or the context requires otherwise.

- a) 'The Purchaser' means Bharat Heavy Electricals Limited, Electronics division, Mysore road, Bangalore 560 026, a Unit of Bharat Heavy Electricals Limited (A Govt. of India Undertaking) incorporated under the Companies Act having its registered office at BHEL House, Siri Fort, New Delhi-110049, India and shall be deemed to include its successors and assigns. It may also be referred to as BHEL.
- b) 'The vendor' means the person, firm, company or organization on whom the Purchase Order is placed and shall be deemed to include the vendor's successors, representative heirs, executors and administrator as the case may be. It may also be referred to as Seller, Contractor or Supplier.
- c) 'Contract' shall mean and include the Purchase Order incorporating various agreements, viz. tender/ RFQ, offer, letter of intent / acceptance / award, the General Conditions of Contract and Special Conditions of Contract for Purchase, Specifications, Inspection / Quality Plan, Schedule of Prices and Quantities, Drawings, if any enclosed or to be provided by BHEL or his authorized nominee and the samples or patterns if any to be provided under the provisions of the contract.
- d) 'Parties to the Contract' shall mean the 'The Vendor' and the Purchaser as named in the main body of the Purchase Order.

Interpretation:

In the contract, except where the context requires otherwise:

- a) words indicating one gender include all genders;
- b) words indicating the singular also include the plural and words indicating the plural also include the singular;
- c) provisions including the word "agree", "agreed" or "agreement" require the agreement to be recorded in writing, and
- d) "Written" or "in writing" means hand-written, type-written, printed or electronically made, and resulting in a permanent record.

Applicable Conditions:

1. **Price Basis:** All prices shall be firm until the purchase order is executed / completed in all respects. No price variations / escalation shall be permitted unless otherwise such variations / escalations are provided for and agreed by BHEL in writing in the purchase order.
2. **Validity:** The offer will be valid for a period of 120 days from the date of technical bid opening date. Validity beyond 120 days, if required, will be specified in the SCC (special conditions of contract).
3. **Ordering and confirmation of Order:** Vendor shall send the order acceptance on their company letter head within two weeks from the date of Purchase Order or such other period as specified / agreed by BHEL. BHEL reserves the right to revoke the order placed if the order confirmation differs from the original order placed. The acceptance of goods/services/supplies by BHEL as well as payments made in this regard shall not imply acceptance of any deviations.
The purchase order will be deemed to have been accepted if no communication to the contrary is received within two weeks (or the time limit as specified / agreed by BHEL) from the date of the purchase order.
4. **Documentation:** After receipt of Purchase Order, vendor should submit required documents like drawings, bill of materials, datasheets, catalogues, quality plan, test procedure, type test report , O & M Manuals and/or any other relevant documents as per Specification/Purchase Order, as and when required by BHEL/Customer.
At any stage within the contract period, the vendor shall notify of any error, fault or other defect found in BHEL's documents /specifications or any other items for reference. If and to the extent that (taking account of cost and time) any vendor exercising due care would have discovered the error, fault or other defect when examining the documents/specifications before submitting the tender, the time for completion shall not be extended. However if errors, omissions, ambiguities, inconsistencies, inadequacies or other defects are found in the vendor's documents, they shall be corrected at his cost, notwithstanding any consent or approval.
5. **Penalty:**
For delay in documentation: In the event of delay in submission of complete set of documents ((like drawings, bill of materials, datasheets, catalogues, quality plan etc. as called in tender specifications including soft copies wherever applicable) in required sets beyond three weeks (or as agreed/indicated in the Purchase Order) from the date of Purchase Order, penalty at 0.5% (half percent) per week or part thereof, limited to a maximum of 5% (five percent) of the basic material value of the Purchase Order will be applicable.

For delay in delivery: In the event of delay in agreed contractual delivery as per Purchase Order, penalty @ 0.5 % (half percent) per week or part thereof but limited to a max of 10% (ten percent) value of undelivered portion (basic material cost) will be applicable. Delivery will commence from the date of document approval by customer / BHEL or date of issue of manufacturing clearance, whichever is later. The date for which Inspection call is issued by vendor along with test certificates / test reports / Certificate of Conformance / calibration reports, as proof of completion of manufacturing will be treated as date of deemed delivery for penalty calculation. In the absence of furnishing such document indicated above as proof of completion of manufacturing along with inspection call, actual date of inspection will be considered as date of deemed delivery and BHEL will not be responsible for delay in actual date of inspection.

Penalty for delayed documentation/delayed delivery, if applicable, shall be deducted at the time of first payment. If penalty is applicable for duration of less than a week, penalty @ 0.5% (half percent) of the basic material value will be deducted.
6. **Contract variations (Increase or decrease in the scope of supply):** BHEL may vary the contracted scope as per requirements at site. If vendor is of the opinion that the variation has an effect on the agreed price or delivery period, BHEL shall be informed of this immediately in writing along with technical details. Where unit rates are available in the Contract, the same shall be applied to such additional work. Vendor shall not

perform additional work before BHEL has issued written instructions / amendment to the Purchase Order to that effect. The work which the vendor should have or could have anticipated in terms of delivering the service(s) and functionality (i.e.) as described in this agreement, or which is considered to be the result of an attributable error on the vendor's part, shall not be considered additional work.

7. Reverse Auction: BHEL reserves the right to follow REVERSE AUCTION PROCEDURE (ONLINE BIDDING ON NETWORK) before finalising the Purchase order on technically competent bidders, as per the guidelines given in Annexure III. In case BHEL does not resort to Reverse Auction, the price bids and price impacts (if any) already submitted and available with BHEL shall be opened as per BHEL's standard practice.
8. Inspection: Prior written notice of at least 10 days shall be given along with internal test certificates / COC and applicable test certificates. Materials will be inspected by BHEL-EDN-QS/CQS or BHEL nominated Third Party Inspection Agency (TPIA) or BHEL authorized Inspection Agency or Customer / Consultant or jointly by BHEL & Customer / consultant. All tests have to be conducted as applicable in line with approved Quality plan or QA Checklist or Purchase specification and original reports shall be furnished to BHEL-EDN, Bangalore for verification / acceptance for issue of dispatch clearance.
All costs related to inspections & re-inspections shall be borne by vendor. Whether the Contract provides for tests on the premises of the vendor or any of his Sub-contractor/s, vendor shall be responsible to provide such assistance, labour, materials, electricity, fuels, stores, apparatus, instruments as may be required and as may be reasonably demanded to carry out such tests efficiently. Cost of any type test or such other special tests shall be borne by BHEL only if specifically agreed to in the purchase order.
9. Transit Insurance: Transit insurance coverage between vendor's works and project site shall be to the account of BHEL, unless specifically agreed otherwise. However, vendor shall send intimation directly to insurance agency (as mentioned in dispatch instructions issued by BHEL) through fax/courier/e-mail, immediately on dispatch of goods for covering insurance. A copy of such intimation sent by vendor to insurance agency shall be given to BHEL along with dispatch documents. Dispatch documents will be treated as incomplete without such intimation copy. BHEL shall not be responsible for sending intimations to insurance agency on behalf of the vendor.
10. High Sea Sales (HSS): Customs clearance of the consignment landed on Indian Sea / Air ports will be done by BHEL based on the original HSS documents provided by vendors.
Any delay in submission of complete / correct HSS documents to BHEL may incur demurrage charges. All demurrage charges on account of incomplete / incorrect HSS documents submission by vendor will be to vendor's account and all such charges will be recovered from any of the available vendor bills with BHEL.
11. Packaging and dispatch: The Seller shall package the goods safely and carefully and pack them suitably in all respects considering the peculiarity of the material for normal safe transport by Sea / Air / Rail / Road to its destination suitably protected against loss, damage, corrosion in transit and the effect of tropical salt laden atmosphere. The packages shall be provided with fixtures / hooks and sling marks as may be required for easy and safe handling. If any consignment needs special handling instruction, the same shall be clearly marked with standard symbols / instructions. Hazardous material should be notified as such and their packing, transportation and other protection must conform to relevant regulations.
The packing, shipping, storage and processing of the goods must comply with the prevailing legislation and regulations concerning safety, the environment and working conditions. Any Imported/Physical Exports items packed with raw / solid wood packing material should be treated as per ISPM – 15 (fumigation) and accompanied by Phytosanitary / Fumigation certificate. If safety information sheets (MSDS – Material Safety Data Sheet) exist for an item or the packaging, vendor must provide this information without fail along with the consignment.
Each package must be marked with Consignee name, Purchase order number, Package number, Gross weight and net weight, dimensions (L x B x H) and Seller's name. Packing list of goods inside each package with PO item number and quantity must also be fixed securely outside the box to indicate the contents of each box. Total number of packages in the consignment must also be indicated.
Separate packing & identification of items should be as follows.
 1. Main Scope - All items must be tagged with part no. & item description.
 2. Commissioning spares - All items must be tagged with part no. & item description.
 3. Mandatory spares - All items must be tagged with part no. & item description.

12. Assignment of Rights & Obligations; Subcontracting: Vendor is not permitted to subcontract the delivery or any part thereof to third party or to assign the rights and obligations resulting from this agreement in whole or in part to third parties without prior written permission from BHEL. Any permission or approval given by the BHEL shall, however, not absolve the vendor of the responsibility of his obligations under the Contract.
13. Progress report: Vendor shall render such report as to the progress of work and in such form as may be called for by the concerned purchase officer from time to time. The submission and acceptance of such reports shall not prejudice the rights of BHEL in any manner.
14. Non-disclosure and Information Obligations: Vendor shall provide with all necessary information pertaining to the goods as it could be of importance to BHEL. Vendor shall not reveal confidential information that may be divulged by BHEL to Vendor's employees not involved with the tender/ contract & its execution and delivery or to third parties, unless BHEL has agreed to this in writing beforehand. Vendor shall not be entitled to use the BHEL name in advertisements and other commercial publications without prior written permission from BHEL.
15. Cancellation / Termination of contract: BHEL shall have the right to completely or partially terminate the agreement by means of written notice to that effect. Termination of the Contract, for whatever reason, shall be without prejudice to the rights of the parties accrued under the Contract up to the time of termination.
BHEL shall have the right to cancel/foreclose the Order/ Contract, wholly or in part, in case it is constrained to do so, on account of any decline, diminution, curtailment or stoppage of the business.
16. Risk Purchase Clause: In case of failure of supplier, BHEL at its discretion may make purchase of the materials / services NOT supplied / rendered in time at the RISK & COST of the supplier. Under such situation, the supplier who fails to supply the goods in time shall be wholly liable to make good to BHEL any loss due to risk purchase.
In case of items demanding services at site like erection and commissioning, vendor should send his servicemen /representatives within 7 days from the service call. In case a vendor fails to attend to the service call, BHEL at its discretion may also make arrangements to attend such service by other parties at the **RISK & COST** of the supplier. Under such situation the supplier who fails to attend the service shall be wholly liable to make good to BHEL any loss due to risk purchase / service including additional handling charges due to the change.
17. Shortages: In the event of shortage on receipt of goods and/or on opening of packages at site, all such shortages shall be made good within a reasonable time that BHEL may allow from such intimation and free of cost. In case BHEL raises an insurance claim, the cost of material limited to insurance settled amount less handling charges will have to be reimbursed by the Supplier.
Transit Damages: In the event of receipt of goods in damaged condition or having found them so upon opening of packages at site, Supplier shall make good of all such damages within a reasonable time from such intimation by BHEL. In case BHEL raises an insurance claim, the cost of material limited to insurance settled amount less handling charges will be reimbursed.
18. Remedial work: Notwithstanding any previous test or certification, BHEL may instruct the vendor to remove and replace materials/goods or remove and re-execute works/services which are not in accordance with the purchase order. Similarly BHEL may ask the vendor to supply materials or to execute any services which are urgently required for any safety reasons, whether arising out of or because of an accident, unforeseeable event or otherwise. In such an event, Vendor shall provide such services within a reasonable time as specified by BHEL.
19. Indemnity Clause: Vendor shall comply with all applicable safety regulations and take care for the safety of all persons involved. Vendor is fully responsible for the safety of its personnel or that of his subcontractor's men / property, during execution of the Purchase Order and related services. All statutory payments including PF, ESI or other related charges have to be borne by the vendor. Vendor is fully responsible for ensuring that all legal compliances are followed in course of such employment.

20. Product Information, Drawings and Documents: Drawings, technical documents or other technical information received by Vendor from BHEL or vice versa shall not, without the consent of the other party, be used for any other purpose than that for which they were provided. They may not, without the consent of the Disclosing party, otherwise be used or copied, reproduced, transmitted or communicated to third parties. All information and data contained in general product documentation, whether in electronic or any other form, are binding only to the extent that they are by reference expressly included in the contract.

Vendor, as per agreed date/s but not later than the date of delivery, provide free of charge information and drawings which are necessary to permit and enable BHEL to erect, commission, operate and maintain the product. Such information and drawings shall be supplied in as many numbers of copies as may be agreed upon.

All intellectual properties, including designs, drawings and product information etc. exchanged during the formation and execution of the Contract shall continue to be the property of the disclosing party.

21. Intellectual Property Rights, Licenses: If any Patent, design, Trade mark or any other intellectual property rights apply to the delivery (goods / related service) or accompanying documentation shall be the exclusive property of the Vendor and BHEL shall be entitled to the legal use thereof free of charge by means of a non-exclusive, worldwide, perpetual license. All intellectual property rights that arise during the execution of the Purchase Order/ contract for delivery by vendor and/or by its employees or third parties involved by the vendor for performance of the agreement shall belong to BHEL. Vendor shall perform everything necessary to obtain or establish the above mentioned rights. The Vendor guarantees that the delivery does not infringe on any of the intellectual property rights of third parties. The Vendor shall do everything necessary to obtain or establish the alternate acceptable arrangement pending resolution of any (alleged) claims by third parties. The Vendor shall indemnify BHEL against any (alleged) claims by third parties in this regard and shall reimburse BHEL for any damages suffered as a result thereof.

22. Force Majeure: Notwithstanding anything contained in the purchase order or any other document relevant thereto, neither party shall be liable for any failure or delay in performance to the extent said failures or delays are caused by the "Act of God" and occurring without its fault or negligence, provided that, force majeure will apply only if the failure to perform could not be avoided by the exercise of due care and vendor doing everything reasonably possible to resume its performance.

A party affected by an event of force majeure which may include fire, tempest, floods, earthquake, riot, war, damage by aircraft etc., shall give the other party written notice, with full details as soon as possible and in any event not later than seven (7) calendar days of the occurrence of the cause relied upon. If force majeure applies, dates by which performance obligations are scheduled to be met will be extended for a period of time equal to the time lost due to any delay so caused.

Notwithstanding above provisions, in an event of Force Majeure, BHEL reserves for itself the right to cancel the order/ contract, wholly or partly, in order to meet the overall project schedule and make alternative arrangements for completion of deliveries and other schedules.

23. Guarantee / Warranty: Wherever required, and so provided in the specifications / Purchaser Order, the Seller shall guarantee that the stores supplied shall comply with the specifications laid down, for materials, workmanship and performance. Unless otherwise specified, guarantee / warranty period shall be 30 months after the date of delivery of goods or 24 months from the date of commissioning of goods whichever is earlier. The guarantee / warranty period as described above shall apply afresh to replaced, repaired or re-executed parts of a delivery. Unless otherwise specifically provided in the Purchase Order, Vendor's liability shall be co terminus with the expiration of the applicable guarantee / warranty period.

24. Limitation of Liability: Vendor's liability towards this contract is limited to a maximum of 100% of the contract value and consequential damages are excluded. However the limits of liability will have no effect in cases of criminal negligence or wilful misconduct.

The total liability of Vendor for all claims arising out of or relating to the performance or breach of the Contract or use of any Products or Services or any order shall not exceed the total Contract price.

25. Liability during guarantee / warranty: Vendor shall arrange replacement / repair of all the defective materials / services under its obligation under the guarantee / warranty period. The rejected goods shall be taken away by vendor and replaced / repaired. In the event of the vendor's failure to comply, BHEL may take appropriate action including disposal of rejections and replenishment by any other sources at the cost and risk of the vendor.
In case, defects attributable to vendor are detected during first time commissioning or use, vendor shall be responsible for replacement / repair of the goods as required by BHEL at vendor's cost. In all such cases expiry of guarantee / warranty will not be applicable.
26. Liability after guarantee / warranty period: At the end of the guarantee / warranty, the Vendor's liability ceases except for latent defects (latent defects are defects / performance issues notices after the guarantee / warranty has expired). The Contractor's liability for latent defects warranty for the plant and equipment including spares shall be limited to a period of six months from the end of the guarantee / warranty period of the respective plant and equipment including spares or first time commissioning whichever is later but not later than 3 (three) years from the date of shipment.
27. Compliance with Laws: Vendor shall, in performing the contract, comply with all applicable laws. The vendor shall make all remittances, give all notices, pay all taxes, duties and fees, and obtain all permits, licences and approvals, as required by the laws in relation to the execution and completion of the contract and for remedying of any defects; and the Contractor shall indemnify and hold BHEL harmless against and from the consequences of any failure to do so.
28. Settlement of Disputes: Except as otherwise specifically provided in the Purchase Order, decision of BHEL shall be binding on the vendor with respect to all questions relating to the interpretation or meaning of the terms and conditions and instructions herein before mentioned and as to the completion of supplies/work/services, other questions, claim, right, matter or things whatsoever in any way arising out of or relating to the contract, instructions, orders or these conditions or otherwise concerning the supply or the execution or failure to execute the order, whether arising during the schedule of supply/work or after the completion or abandonment thereof. Any disputes or differences among the parties shall to the extent possible be settled amicably between the parties thereto, failing which the disputed issues shall be settled through arbitration. Vendor shall continue to perform the contract, pending settlement of dispute(s).
29. Arbitration Clause: In case amicable settlement is not reached in the event of any dispute or difference arising out of the execution of the Contract or the respective rights and liabilities of the parties or in relation to interpretation of any provision in any manner touching upon the Contract, such dispute or difference shall (except as to any matters, the decision of which is specifically provided for therein) be referred by either party to the sole arbitration of an Arbitrator appointed by the Executive Director/ General Manager of the purchasing unit/ region/ division of BHEL. Vendor shall have no objection even if the Arbitrator so appointed is an employee of BHEL or has ever dealt/ had to deal with any matter relating to this Contract.
Subject as aforesaid the provisions of the Arbitration and Conciliation Act, 1996 of India or any statutory modification or re-enactment thereof and the rules made there under and for the time being in force shall apply to the arbitration proceedings under this clause. It is a term of contract that the party initiating arbitration shall specify the dispute or disputes to be referred to arbitration under this clause together with the amount or amounts claimed in respect of each such dispute. The venue for the arbitration shall be Bangalore, India. The award of the arbitrator shall be a speaking award and shall be final, conclusive and binding on all parties to this contract.
The cost of arbitration shall be borne equally by the parties. Notwithstanding the existence of any dispute or difference or any reference for the arbitration, the vendor shall proceed with and continue without hindrance the performance of the work under the contract with due diligence and expedition in a professional manner.
30. Applicable Laws and Jurisdiction of Courts: Prevailing Indian laws both substantive and procedural, including modifications thereto, shall govern the Contract. Subject to the conditions as aforesaid, the competent courts in BANGALORE alone shall have jurisdiction to consider over any matters touching upon this contract.

31. General Terms: That any non-exercise, forbearance or omission of any of the powers conferred on BHEL and /or any of its authorities will not in any manner constitute waiver of the conditions hereto contained in these presents.

That the headings used in this agreement are for convenience of reference only.

That all notices etc., to be given under the Purchase order shall be in writing, type script or printed and if sent by registered post or by courier service to the address given in this document shall be deemed to have been served on the date when in the ordinary course, they would have been delivered to the addressee.

INSTRUCTIONS TO BIDDERS (Common for all RFQs)

Bidder is requested to read the instructions carefully and submit their quotation covering all the points:

A. GENERAL INSTRUCTIONS:

1. Any Purchase Order resulting from this enquiry shall be governed by the Instructions to Bidders (document reference: CE: PR: 001 – Rev 00), General Conditions of Contract (document reference: CE: PR: 002 - Rev 00) and Special Conditions of Contract, if any, of the enquiry.
2. Any deviations from or additions to the “General Conditions of Contract” or “Special Conditions of Contract” require BHEL’s express written consent. The general terms of business or sale of the bidder shall not apply to this tender.
3. Bidders (also includes the term suppliers / contractors wherever used in this document) are instructed to quote their most competitive price and best delivery, etc. in the offer. Prices should be indicated in both figures & words. **(Please also refer clause 11 under section B)**
4. Regret letter (either through post or by mail) indicating reasons for not quoting must be submitted without fail, in case of non-participation in this tender. If a bidder fails to respond against 3 consecutive tenders for the same item, he will be liable for removal as a registered vendor of BHEL.
5. Procurement directly from the manufacturers shall be preferred. However, if the OEM / Principal insist on engaging the services of an agent, such agent shall not be allowed to represent more than one manufacturer / supplier in the same tender. Moreover, either the agent could bid on behalf of the manufacturer / supplier or the manufacturer / supplier could bid directly but not both. In case bids are received from the manufacturer / supplier and his agent, bid received from the agent shall be ignored.
6. Consultant / firm (and any of its affiliates) shall not be eligible to participate in the tender/s for the related goods for the same project if they were engaged for consultancy services for the same project.
7. If an Indian representative / associate / liaison office quotes on behalf of a foreign based bidder, such representative shall furnish compulsorily the following documents:
 - a. Authorization letter to quote and negotiate on behalf of such foreign-based bidder.
 - b. Undertaking from such foreign based bidder that such contract will be honored and executed according to agreed scope of supply and commercial terms and conditions.
 - c. Undertaking shall be furnished by the Indian representative stating that the co-ordination and smooth execution of the contract and settlement of shortages / damages / replacement / repair of imported scope till system is commissioned and handed over to customer will be the sole responsibility of the Indian representative / associates / agent / liaison office.
 - d. Refer **Annexure X** on “Guidelines for Indian Agents”.
8. In case of imported scope of supply, customs clearance & customs duty payment will be to BHEL account after the consignment is received at Indian Airport / Seaport. Bidders must provide all original documents required for completing the customs clearance along with the shipment. Warehousing charges due to

incomplete or missing documentation will be recovered from the supplier's bill. All offers for imported scope of supply must be made from any of the gateway ports (within the country) indicated. **(Refer Annexure I)**

9. The offers of the bidders who are on the banned list and also the offers of the bidders, who engage the services of the banned firms, shall be rejected. The list of the banned firms is available on BHEL website: **www.bhel.com**
10. Business dealings with bidders will be suspended if they are found to have indulged in any malpractices / misconduct which are contrary to business ethics like bribery, corruption, fraud, pilferage, cartel formation, submission of fake/false/forged documents, certificates, information to BHEL or if they tamper with tendering procedure affecting the ordering process or fail to execute a contract, or rejection of 3 consecutive supplies or if their firms / works are under strike / lockout for a long period.

B. GUIDELINES FOR PREPARATION OF OFFER:

1. Quotation shall be submitted in Single Part Bid, Two Part Bid or Three Part Bid, as called for in the tender:
 - **SINGLE PART BID:** Technical and Commercial Bid with prices along with price summary & filled in BHEL Standard Commercial terms and conditions in a single sealed envelope.
 - **TWO PART BID:** Unpriced offer i.e. "Techno-commercial Bid" with filled in BHEL Standard Commercial terms and conditions in a sealed envelope **along with the copy of the "Price Bid" without the prices** should be enclosed in one cover and the cover must be super scribed "**Techno-commercial offer**) and Priced offer i.e. "Price Bid" containing price summary in a separate sealed envelope and must be super scribed "**Price Bid**". Both these envelopes shall be enclosed in a single sealed envelope super scribed with enquiry number due date of tender and any other details as called for in the tender document.
 - **THREE PART BID:** Pre-qualification Bid (Part-I), Techno Commercial Bid with filled in BHEL Standard Commercial terms and conditions (Part-II), and Price Bid (Part-III). All three envelopes shall be enclosed in a single sealed envelope super scribed with enquiry number due date of tender and any other details as called for in the tender document.

If any of the offers (Part I, Part II or Part III) are not submitted before the due date and time of submission or if any part of the offer is incomplete the entire offer of the bidder is liable for rejection.

2. Supplier shall ensure to super scribe each envelope with RFQ number, RFQ Date, RFQ Due date and time, Item Description and Project clearly & boldly. Also mention on the envelope whether it is "Techno Commercial Bid" or "Price Bid" or "Pre-Qualification Bid". Please ensure complete address, department name and purchase executive name is mentioned on the envelope (before dropping in the tender box or handing over) so that the tender is available in time for bid opening.
3. BHEL standard Commercial Terms and Conditions (duly filled, signed & stamped) must accompany Technical-Commercial offer without fail and should be submitted in original only. Xerox copy will not be accepted.
4. Any of the terms and conditions not acceptable to supplier, shall be explicitly mentioned in the Techno-Commercial Bid. If no deviations are brought out in the offer it will be treated as if all terms and conditions of this enquiry are accepted by the supplier without deviation.
5. Deviation to this specification / item description, if any, shall be brought out clearly indicating "DEVIATION TO BHEL SPECIFICATION" without fail, as a part of Techno-Commercial Bid. If no deviations are brought out in the offer it will be treated as if the entire specification of this enquiry is accepted without deviation.
6. Suppliers shall submit one set of original catalogue, datasheets, bill of materials, dimensional drawings, mounting details and / or any other relevant documents called in purchase specification as part of Technical Bid.
7. "Price Bid" shall be complete in all respects containing price break-up of all components along with all

applicable taxes and duties, packing & forwarding charges (if applicable), freight charges (if applicable) etc. Once submitted no modification / addition / deletion will be allowed in the "Price Bid." Bidders are advised to thoroughly check the unit price, total price to avoid any discrepancy.

8. In addition, bidder shall also quote for erection & commissioning charges (E&C charges), documentation charges, service charges, testing Charges (type & routine), training charges, service tax, etc. wherever applicable. The price summary must indicate all the elements clearly.
9. Vendors should indicate "lump sum" charges (including To & Fro Fare, Boarding, Lodging, Local Conveyance etc.) for Supervision of Erection, Commissioning and handing over to customer. The quotation shall clearly indicate scope of work, likely duration of commissioning, pre-commissioning checklist and service tax (if any).
10. Wherever bidders require PAC (Project Authority Certificate) for import of raw materials, components required for Mega Power Projects, Export Projects or other similar projects wherein supplies are eligible for customs duty benefits, lists and quantities of such items and their values (CIF) has to be mentioned in the offer. Prices must be quoted taking into account of such benefits.
11. All quotations shall be free from corrections /overwriting. Corrections if any should be authenticated with signature and seal. Any typographical error, totaling mistakes, currency mistake, multiplication mistake, summing mistakes etc. observed in the price bids will be evaluated as per **Annexure II** "Guidelines for dealing with Discrepancy in Words & Figures – quoted in price bid". BHEL decision will be final.

C. GUIDELINES FOR OFFER SUBMISSION:

1. Offers / Quotations must be dropped in tender box before 13.00 Hrs. on or before due date mentioned in RFQ. The offers are to be dropped in the proper slot of the Tender Box kept in our reception area with caption "CE, SC&PV, DEFENCE." Tenders are opened on 3 days in a week (Monday/Wednesday/Friday). Tender must be deposited in the slot corresponding to the day (Monday - Box no.4/Wednesday - Box no. 6 /Friday - Box no.8) while depositing the offer. **(This clause will not be applicable for e-tenders)**
2. E-Mail / Internet / EDI offers received in time shall be considered only when such offers are complete in all respects. In case of offers received through E-mail, please send the offer to the email ID specified in the SCC of the tender. (Refer to SCC document of tender)
3. In cases where tender documents are bulky, or due to some reasons tender documents are required to be submitted by hand or through posts/couriers, the offers are to be handed over either of the two officers whose names are mentioned in the RFQ. (Refer to SCC document of tender)
4. Tenders will be opened on due date, time and venue as indicated in the RFQ in the presence of bidders at the venue indicated in the RFQ. In case of e-procurement, bidders can see tender results till seven days after due date and time.
5. Vendor will be solely responsible:
 - a. For submission of offers before due date and time. Offers submitted after due date and time will be treated as "Late offers" and will be rejected.
 - b. For submission of offers in the correct compartment of the tender box based on the day of due date (Monday/Wednesday/Friday). Please check before dropping your offer in the correct tender box.
 - c. For depositing offers in proper sealed condition in the tender box. If the bidder drops the tender in the wrong tender box or if the tender document is handed over to the wrong person BHEL will not be responsible for any such delays.
 - d. For offers received through email etc., suppliers are fully responsible for lack of secrecy on information and ensuring timely receipt of such offers in the tender box before due date & time.
 - e. In case of e-tender, all required documents should be uploaded before due date and time. Availability of power, internet connections, etc. will be the sole responsibility of the vendor. Wherever assistance is

needed for submission of e-tenders, help line numbers and executives of service provider of BHEL may be contacted.

Service provider: M-junction

Website address: <https://bheleps.buyjunction.in/>

Helpline no.: 033-66106426/6217/6013/6046/6176 (9:30 am to 5:30 pm)

9163348283/9163348284/9163348285/9163348286/8584008116 (5:30 pm to 8:30 pm)

Purchase Executive / BHEL will not be responsible for any of the activities relating to submission of offer.

D. PROCESSING OFFERS RECEIVED:

1. Any discount / revised offer submitted by the supplier on its own shall be accepted provided it is received on or before the due date and time of offer submission (i.e. Part-I bid). The discount shall be applied on pro-rata basis to all items unless specified otherwise by the bidder.
2. Changes in offers or Revised offers given after Part-I bid opening shall not be considered as a part of the original offer unless such changes / revisions are requested by BHEL.
3. In case there is no change in the technical scope and / or specifications and / or commercial terms & conditions, the supplier will not be allowed to change any of their bids after Technical bids are opened (after the due date and time of tender opening).
4. In case of changes in scope and/ or technical specifications and/ or commercial terms & conditions by BHEL and it accounts for price implications from vendors, all techno-commercially acceptable bidders shall be asked by BHEL (after freezing the scope, technical specifications and commercial terms & conditions) to submit the impact of such changes on their price bid. Impact price will be applicable only for changes in technical specification / commercial conditions by BHEL. The impact price must be submitted on or before the cut-off date specified by BHEL and the original price bid and the price impact bid will be opened together at the time of price bid opening.
5. BHEL EDN reserves the right to adopt Reverse Auction or standard Price Bid Opening procedure for price evaluation, at its discretion. This will be decided after completion of technical evaluation of tender. **(Refer Annexure III for Guidelines for Reverse Auction).**
6. Un-opened bids (including price bids) will be returned to the respective bidders after release of PO and receipt of order acknowledgement from the successful bidder.
7. After receipt of Purchase Order, supplier should submit required documents like drawings, bill of materials, datasheets, catalogues, quality plan, test procedure, type test report , O & M Manuals and / or any other relevant documents as per Specification / Purchase Order, as and when required by BHEL / Customer.
8. Any deviation to the terms and conditions not mentioned in the quotation by supplier in response to this enquiry will not be considered, if put forth subsequently or after issue of Purchase Order, unless clarification is sought for by BHEL EDN and agreed upon in the Purchase Order.
9. Evaluation shall be on the basis of delivered cost (i.e. "Total Cost to BHEL").
"Total Cost to BHEL" shall include total basic cost, packing & forwarding charges, taxes and duties, freight charges, insurance, service tax for services, any other cost indicated by vendor for execution of the contract and loading factors (for non-compliance to BHEL Standard Commercial Terms & Conditions). Benefits arising out of Nil Import Duty on Mega Projects, Physical Imports or such 100% exemptions (statutory benefits), customer reimbursements of statutory duties (like Excise Duty, CST, VAT) will also be taken into account at the time of tender evaluation. (wherever applicable and as indicated in SCC document of tender)

10. For evaluation of offers in foreign currency, the exchange rate (TT selling rate of SBI) shall be taken as under:

Single part bids: Date of tender opening

Two/three part bids: Date of Part-I bid opening

Reverse Auction: Date of Part-I bid opening

In case of Performance Bank Guarantee (PBG) also, exchange rate will be considered as mentioned above for converting foreign currency to Indian currency and vice versa.

If the relevant day happens to be a bank holiday, then the exchange rate as on the previous working day of the bank (SBI) shall be taken.

11. Ranking (L-1, L-2 etc.) shall be done only for the techno-commercially acceptable offers.

E. INFORMATION ON PAYMENT TERMS:

1. All payments will be through Electronic Fund transfer (EFT). Vendor has to furnish necessary details as per BHEL standard format (**Refer Annexure IV**) for receiving all payments through NEFT. (Applicable for Indian vendors only)
2. In case of High Sea Sales transaction, customs clearance of the consignment landed on Indian Sea / Air ports will be done by BHEL based on the original HSS documents provided by vendors. All warehousing charges due to delay in submission of complete and or correct HSS documents to BHEL will be to suppliers account only. Such recovery will be made out of any of the available bills. (**Refer Annexure V**).
3. Statutory deductions, if any, will be made and the deduction certificate shall be issued. In case vendor does not provide PAN details, the TDS deduction shall be at the maximum percentage stipulated as per the provisions of Income Tax Act. (Applicable for Indian vendors only).
Foreign vendors shall submit relevant details of their bankers like Swift Code, Banker's Name & Address etc.
4. Vendors must submit bills & invoices along with required supporting documents in time. Incomplete documentation / delayed submission of invoice / documents will result in corresponding delay in payment.

F. STANDARD PAYMENT TERMS OF BHEL-EDN

Purchase Orders for indigenouse procurement

(a) SUPPLY WITH E&C:

- 1) 85% of basic value (excluding E&C charges) + 100% of taxes, duties and freight charges will be paid in 45 days from the date of dispatch or 15 days from the date of submission of complete set of documentation whichever is later.
- 2) 15% of basic value (retention money), (excluding E&C charges) will be paid in 15 days from the date of submission of documents against supplementary invoice with proof of completion of E&C along with E & C charges (if any)

(b) SUPPLY WITH SUPERVISION OF E&C:

- 1) 90% basic value (excluding E&C charges) + 100% of taxes, duties and freight charges will be paid in 45 days from the date of dispatch or 15 days from the date of submission of complete set of documentation whichever is later.
- 2) 10% of basic value (retention money), (excluding E&C charges) will be paid in 15 days from the date of completion of erection and commissioning against supplementary invoice with proof of completion of E&C along with supervision charges (if any)

(c) SUPPLY ONLY:

- 1) 100% of PO value with taxes, duties and freight will be paid in 45 days from the date of dispatch or 15 days from the date of submission of complete set of documentation whichever is later.

Purchase orders for import procurement:

(d) SUPPLY WITH E&C:

- 1) 85% of the basic value (excluding E&C charges) will be paid in 45 days, against usance draft of 45 days, from the date of AWB/BOL on submission of complete set of documents.
- 2) 15% of basic value (retention money), (excluding E&C charges) will be paid in 15 days from the date of completion of E&C along with E & C charges against supplementary invoice with proof of completion of E&C (if any).

(e) SUPPLY WITH SUPERVISION OF E&C:

- 1) 90% of the value of the order will be paid on the 45th day, against usance draft of 45 days, from the date of AWB/BOL on submission of complete set of documents.
- 2) 10% of basic value (retention money) will be paid in 15 days from the date of completion of erection and commissioning against supplementary invoice with proof of completion of E&C along with supervision charges (if any).

(f) SUPPLY ONLY:

- 1) 100% of PO value will be paid against usance draft of 45 days from the date of dispatch or 15 days from the date of submission of complete set of documents whichever is later.

LOADING FACTORS FOR PAYMENT TERMS:

- 1) For offers received with requests for negotiation of documents through bank loading will be 15% of basic value (all bank charges to be borne by the seller).
(This loading factor is applicable only for purchase orders for indigenous supply).
- 2) In all cases where credit period is 30 days but not in line with the above mentioned standard payment terms offered loading applicable will be 5% of basic value.
(This loading factor is applicable only for purchase orders for indigenous supply).
- 3) For offers received with Letter of Credit payment term in place of sight draft payment term, loading applicable will be 5% of basic value. Additional loading of 5% will be applicable for payment terms as Letter of Credit with usance of less than 45 days.
(This loading factor is applicable only for purchase orders for imported supply).
- 4) For offers received with Sight Draft payment terms with usance of less than 45 days, loading of 5% will be applicable.
(This loading factor is applicable only for purchase orders for imported supply).
- 5) All payment terms with credit period of less than 30 days for indigenous supply and any other variation of payment terms are liable for rejection.
- 6) Standard payment terms indicated in para F (a), (b), (c), (d), (e) and (f) will not attract any loading.

Note 1: Basic value of Purchase Order mentioned above will include all components of the purchase order and will exclude only taxes, duties, freight and E&C charges (wherever applicable).

Wherever the Purchase Order is split into import portion and indigenous portion of supply the retention money will be 15% or 10% (as applicable) of both purchase order values put together.

Note 2: *If the E&C could not be completed till the end of the Warranty period due to reasons not attributable to the supplier, BHEL may consider releasing the retention money to the supplier against Bank Guarantee for equivalent value valid for an initial period of one year.*

G. Bank guarantee (BG) / Performance bank guarantee (PBG):

1. Bank guarantee (BG) / Performance bank guarantee (PBG) will be applicable as called in the tender documents. Such PBG shall be valid for a period of 36 months + claim period of 6 months for a value equal to 10 % of the basic value of the purchase order. No deviation for the duration of PBG / BG will be permitted.
 - a. PBG shall be from any of the BHEL consortium of bankers (**refer Annexure VI**).
 - b. PBGs from nationalized banks are also acceptable.
 - c. PBG should be sent directly by the bank to the dealing executive mentioned in the purchase order located at the address mentioned in the purchase order. PBG should be in the format indicated. (**Refer annexures VII & VIII respectively**). No deviation to these formats will be allowed.
 - d. Confirmation from any of the BHEL consortium of banks or any of the Indian Public Sector Banks is essential for the acceptance of PBGs issued by foreign banks (located outside India).
 - e. Expired BGs / PBGs will be returned only after expiry of the claim period or on completion of the contractual obligation.
 - f. **Non acceptance for submission of PBG will attract loading as indicated below**
 - i. Loading will be equal to the percentage of value for which BG / PBG is not provided. (Ex: if PBG / BG is given for 3 % of the basic value against 10% specified, loading applicable will be 7% (10 – 3 = 7 %). This value will be added to the quoted price while evaluating the lowest offer.

H. PROVISIONS APPLICABLE FOR MSE VENDORS (MICRO AND SMALL ENTERPRISES)

Vendors who qualify as MSE vendors are requested to submit applicable certificates (as specified by the Ministry of Micro, Small and Medium Enterprises) at the time of vendor registration. Vendors have to submit any of the following documents along with the tender documents in the Part I / Technical bid cover to avail the applicable benefits.

- a. Valid NSIC certificate or
- b. Entrepreneur's Memorandum part II (EM II) certificate (deemed valid for 2 years).
- c. EM II certificate with CA certificate (**in the prescribed format given in Annexure IX**) applicable for the year certifying that the investment in plant and machinery of the vendor is within permissible limits as per the MSME Act 2006 for relevant status where the deemed validity is over.
- d. Documents submitted for establishing the credentials of MSE vendors must be valid as on the date of part I / technical bid opening for the vendors to be eligible for the benefits applicable for MSE vendors. Documents submitted after the Part I / Technical bid opening date will not be considered for this tender.

PURCHASE PREFERENCE FOR MSE VENDORS:

- e. MSE vendors quoting within a price band of L1 + 15% shall be allowed to supply up to 20% of the requirement against this tender provided
 1. The MSE vendor matches the L1 price
 2. L1 price is from a non MSE vendor
 3. L1 price will be offered to the nearest vendor nearest to L1 in terms of price ranking (L2 - nearest to L1). In case of non-acceptance by the MSE vendor (L2) next ranking MSE vendor will be offered who is within the L1 + 15% band (if L3 is also within 15% band).
 4. 20% of the 20% (i.e. 4% of the total enquired quantity) will be earmarked for SC/ST owned MSE firms provided conditions as mentioned in (1) and (2) are fulfilled.

5. In case no vendor under SC / ST category firms are meeting the conditions mentioned in (1) and (2) or have not participated in the tender, in such cases the 4% quantity will be distributed among the other eligible MSE vendors who have participated in the tender.
6. Serial no. 1 to 5 will not be applicable wherever it is not possible to split the tendered quantity / items on account of customer contract requirement, or the items tendered are systems. Such information that tendered quantity will not be split will be indicated in the SCC.

I. INTEGRITY COMMITMENT IN THE TENDER PROCESS, AND EXECUTION OF CONTRACTS:

1. Commitment by BHEL:

BHEL commits to take all measures necessary to prevent corruption in connection with the Tender process and execution of the Contract. BHEL will, during the tender process, treat all bidder / suppliers in a transparent and fair manner, and with equity.

2. Commitment by Bidder(s)/ Contractor(s):

- a. The Bidder(s)/ Contractor(s) commit(s) to take all measures to prevent corruption and will not directly or indirectly try to influence any decision or benefit which he is not legally entitled to.
- b. The Bidder(s)/ Contractor(s) will not enter with other Bidder(s) into any undisclosed agreement or understanding or any actions to restrict competition.
- c. The Bidder(s)/ Contractor(s) will not commit any offence under the relevant Acts. The Bidder(s)/ Contractor(s) will not use improperly, for purposes of competition or personal gain or pass on to others, any information or document provided by BHEL as part of business relationship.
- d. The Bidder(s)/ Contractor(s) will, when presenting his bid, disclose any and all payments he has made, and is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the contract and shall adhere to the relevant guidelines issued from time to time by Government of India/ BHEL.

If the Bidder(s) / Contractor(s), before award or during execution of the Contract commit(s) a transgression of the above or in any other manner such as to put his reliability or credibility in question, BHEL is entitled to disqualify the Bidder(s) / Contractor (s) from the tender process or terminate the contract and/ or take suitable action as deemed fit.

PURCHASE EXECUTIVE

ANNEXURE – II
DISCREPANCY IN WORDS & FIGURES – QUOTED IN PRICE BID

Following guidelines will be followed in case of discrepancy in words & figures-quoted in price bid:

(a) If, in the price structure quoted for the required goods/services/works, there is discrepancy between the unit price and the total price (which is obtained by multiplying the unit price by the quantity), the unit price shall prevail and the total price corrected accordingly, unless in the opinion of the purchaser there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price corrected accordingly.

(b) If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and

(c) If there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (a) and (b) above.

(d) If there is such discrepancy in an offer, the same shall be conveyed to the bidder with target date upto which the bidder has to send his acceptance on the above lines and if the bidder does not agree to the decision of the purchaser, the bid is liable to be ignored.

ANNEXURE-III
GUIDELINES FOR REVERSE AUCTION PROCEDURE

Against this enquiry for the subject item/ system with detailed scope of supply as per enquiry specifications, BHEL may resort to "REVERSE AUCTION PROCEDURE" i.e., ON LINE BIDDING (THROUGH A SERVICE PROVIDER). The philosophy followed for reverse auction shall be English Reverse (No ties).

1. For the proposed reverse auction, technically and commercially acceptable bidders only shall be eligible to participate.
2. Those bidders who have given their acceptance for Reverse Auction (quoted against this tender enquiry) will have to necessarily submit "online sealed bid" in the Reverse Auction. Non-submission of "online sealed bid" by the bidder for any of the eligible items for which techno-commercially qualified, will be considered as tampering of the tender process and will invite action by BHEL as per extant guidelines in vogue.
3. BHEL will engage the services of a service provider who will provide all necessary training and assistance before commencement of on line bidding on internet.
4. In case of reverse auction, BHEL will inform the bidders the details of Service Provider to enable them to contact & get trained.
5. Business rules like event date, time, bid decrement, extension etc. also will be communicated through service provider for compliance.
6. Bidders have to fax the Compliance form before start of Reverse auction. Without this, the bidder will not be eligible to participate in the event.
7. In line with the NIT terms, BHEL will provide the calculation sheet (e.g., EXCEL sheet) which will help to arrive at "Total Cost to BHEL" like Packing & forwarding charges, Taxes and Duties, Freight charges, Insurance, Service Tax for Services and loading factors (for non-compliance to BHEL standard Commercial terms & conditions) for each of the bidder to enable them to fill-in the price and keep it ready for keying in during the Auction.
8. Reverse auction will be conducted on scheduled date & time.
9. At the end of Reverse Auction event, the lowest bidder value will be known on auction portal.
10. The lowest bidder has to fax/e-mail the duly signed and filled-in prescribed format for price breakup including that of line items, if required, as provided on case-to-case basis to Service provider within two working days of Auction without fail.
11. In case BHEL decides not to go for Reverse Auction procedure for this tender enquiry, the Price bids and price impacts, if any, already submitted and available with BHEL shall be opened as per BHEL's standard practice.
12. Bidders shall be required to read the "Terms and Conditions" section of the auctions site of Service provider, using the Login IDs and passwords given to them by the service provider before reverse auction event. Bidders should acquaint themselves of the "Business Rules of Reverse Auction", which will be communicated before the Reverse Auction.
13. If the Bidder or any of his representatives are found to be involved in Price manipulation/ cartel formation of any kind, directly or indirectly by communicating with other bidders, action as per extant BHEL guidelines, shall be initiated by BHEL and the results of the RA scrapped/ aborted.
14. The Bidder shall not divulge either his Bids or any other exclusive details of BHEL to any other party.
15. In case BHEL decides to go for reverse auction, the H1 bidder (whose quote is highest in online sealed bid) may not be allowed to participate in further RA process.

Guidelines for Indian Agents
ANNEXURE - X

- Definition of Indian Agent: An Indian Agent of foreign principal is an individual, a partnership, an association of persons, a private or public company, that carries out specific obligation(s) towards processing of BHEL tender or finalization or execution of BHEL's contract on behalf of the foreign supplier.

In case of yes, vendor to note the following and reply accordingly:

- i. BHEL shall deal directly with foreign vendors, wherever required, for procurement of goods. However, if the foreign principal desires to avail of the services of an Indian agent, then the foreign principal should ensure compliance to regulatory guidelines - which require mandatory submission of an Agency Agreement.
- ii. It shall be incumbent on the Indian agent and the foreign principal to adhere to the relevant guidelines of Government of India, issued from time to time.
- iii. The Agency Agreement should specify the precise relationship between the foreign OEM / foreign principal and their Indian agent and their mutual interest in the business. All services to be rendered by agent/ associate, whether of general nature or in relation to the particular contract, must be clearly stated by the foreign supplier/ Indian agent. Any payment, which the agent or associate receives in India or abroad from the OEM, whether as commission or as a general retainer fee should be brought on record in the Agreement and be made explicit in order to ensure compliance to laws of the country.
- iv. Any agency commission to be paid by BHEL to the Indian agent shall be in Indian currency only.
- v. Tax deduction at source is applicable to the agency commission paid to the Indian agent as per the prevailing rules.
- vi. In the absence of any agency agreement, BHEL shall not deal with any Indian agent (authorized representatives / associate / consultant, or by whatever name called) and shall deal directly with the foreign principal only for all correspondence and business purposes.
- vii. The "Guidelines for Indian Agents of Foreign Suppliers" enclosed at annexure -'A' shall apply in all such cases.

- viii. The supply and execution of the Purchase Order (including indigenous supplies/ service) shall be in the scope of the OEM/ foreign principal. The OEM/ foreign principal should submit their offer inclusive of all indigenous supplies/ services and evaluation will be based on 'total cost to BHEL'. In case OEM/ foreign principal recommends placement of order(s) towards indigenous portion of supplies/ services on Indian supplier(s)/ agent on their behalf, the credentials/ capacity/ capability of the Indian supplier(s)/ agent to make the supplies/ services shall be checked by BHEL as per the extant guidelines of Supplier Evaluation, Approval & Review Procedure (SEARP), before opening of price bids. In this regard, details may be checked as per Annexure-B (copy enclosed). It will be the responsibility of the OEM/ foreign principal to get acquainted with the evaluation requirements of Indian supplier/ agent as per SEARP available on www.bhel.com.

The responsibility for successful execution of the contract (including indigenous supplies/ services) lies with the OEM/ foreign principal. All bank guarantees to this effect shall be in the scope of the OEM/ foreign principal.

---X---

Vendor's Signature with Seal

Guidelines for Indian Agents of Foreign Suppliers

- 1.0 There shall be compulsory registration of agents for all Global (Open) Tender and Limited Tender. An agent who is not registered with BHEL shall apply for registration in the registration form in line with SEARP.
- 1.1 Registered agents will file an authenticated Photostat copy duly attested by a Notary Public/Original certificate of the Principal confirming the agency agreement and giving the status being enjoyed by the agent and the commission/ remuneration/ salary/ retainership being paid by the principal to the agent before the placement of order by BHEL.
- 1.2 Wherever the Indian representatives have communicated on behalf of their principals and the foreign parties have stated that they are not paying any commission to the Indian agents, and the Indian representative is working on the basis of salary or as retainer, a written declaration to this effect should be submitted by the party (i.e. Principal) before finalizing the order.
- 2.0 **Disclosure of particulars of agents/ representatives in India, if any.**
- 2.1 Tenderers of Foreign nationality shall furnish the following details in their offers:
 - 2.1.1 The Bidder(s)/ Contractor(s) of foreign origin shall disclose the name and address of the agents/ representatives in India if any and the extent of authorization and authority given to commit the Principals. In case the agent/ representative be a foreign Company, it shall be confirmed whether it is existing Company and details of the same shall be furnished.
 - 2.1.2 The amount of commission/ remuneration included in the quoted price(s) for such agents/ representatives in India.
 - 2.1.3 Confirmation of the Tenderer that the commission/ remuneration, if any, payable to his agents/ representatives in India, may be paid by BHEL in Indian Rupees only.
- 2.2 Tenderers of Indian Nationality shall furnish the following details in their offers:
 - 2.2.1 The Bidder(s)/ Contractor(s) of Indian Nationality shall furnish the name and address of the foreign principals, if any, indicating their nationality as well as their status, i.e. whether manufacturer or agents of manufacturer holding the Letter of Authority of the Principal specifically authorizing the agent to make an offer in India in response to tender either directly or through the agents/ representatives.
 - 2.2.2 The amount of commission/ remuneration included in the price (s) quoted by the Tenderer for himself.
 - 2.2.3 Confirmation of the foreign principals of the Tenderer that the commission/ remuneration, if any, reserved for the Tenderer in the quoted price(s), may be paid by BHEL in India in equivalent Indian Rupees on satisfactory completion of the Project or supplies of Stores and Spares in case of operation items.
- 2.3 In either case, in the event of contract materializing, the terms of payment will provide for payment of the commission/ remuneration, if any payable to the agents/ representatives in India in Indian Rupees on expiry of 90 days after the discharge of the obligations under the contract.
- 2.4 Failure to furnish correct and detailed information as called for in paragraph 2.0 above will render the concerned tender liable to rejection or in the event of a contract materializing, the same liable to termination by BHEL. Besides this there would be a penalty of banning business dealings with BHEL or damage or payment of a named sum.

Disclaimer Certificate For Deemed Export Benefits

I, (Name & Designation)on behalf of M/s. (Name and address of the supplier) hereby certify that we have supplied the following goods to M/s..... (Name and address of the recipient):

S.No.	Inv. No. & date	Description of goods	Unit	Qty.	Value

1. We are the manufacturer exporters/suppliers and are registered/not registered with Central Excise and have not availed and will not avail CENVAT facility in respect of the input/components used in aforesaid supplies. We have also not availed and will not avail rebate on the inputs/components used in aforesaid supplies.

OR

We are the suppliers and our supporting manufacturer(s) is/are registered/not registered with Central Excise and have not availed and will not avail CENVAT facility in respect of the inputs/components used in aforesaid supplies.

2. We also certify that we have not been issued any Advance Authorization/Duty Free Import Authorization in respect of the aforesaid supplied goods and have not availed any benefit thereon.

3. We further state that we have not drawn nor will draw any benefit for deemed export and we have no objection if M/s..... (Name and address of the recipient) draws the deemed export benefits on the supplies mentioned above. (Required to be given in case benefits are claimed by recipient of goods).

OR

We have not given disclaimer certificate to M/s..... (Name and address of the recipient) and will not give disclaimer certificate, in future, in respect of these supplies for claiming deemed export benefits (Required to be given in case benefits are claimed by DTA suppliers).

GENERAL INSTRUCTIONS TO BIDDERS :

- 1.0 ALL REQUIRED DOCUMENTS AGAINST THIS TENDER / SPECIFICATION SHALL BE SUBMITTED IN ENGLISH ONLY.
- 2.0 Introduction : Bidders are required to offer EPABX system for 2x500 MW Anpara TPS, Unit-8 & 9 for plant wide communication. The bidder shall be totally responsible for the desired performance of the offered EPABX system including survey, design, engineering, manufacturing, testing, supply, installation and commissioning (**Total Turnkey Project**).
- 3.0 In order to accept the Technical offers / proposals from Bidders, certain Pre-qualification criteria are required to be met by Bidder.
- 4.0 In case Bidder does not include the details or meet the requirements of Pre-qualification requirements, their offer will be summarily rejected and Bidder's Technical offers will not be evaluated.
- 5.0 Evaluation methodology : BHEL shall initially open Bidder's PQR documents only as per Section-B of this specification for review & acceptance. Only after acceptance of PQR documents, BHEL shall open Bidder's Technical Offers as per CI 2.0 of above for evaluation. Commercial bids of technically accepted vendors will be processed and overall L1 status will be determined.
 - a. If L1 vendor is already approved, purchase order will be issued by BHEL for the project.
 - b. If L1 vendor is not approved, BHEL will approach the customer for approval of make and model of EPABX system. Formal purchase order will be issued only after acceptance by customer.
- 6.0 Bidders are required to submit offers as detailed below :
 - a. Documents pertaining to Pre-Qualification requirement (CL AA of Section B of this Specification) shall be in a separate cover with reference no. "CE/470/EPABX/PQR/ CI AA of Section B" marked on it.
 - b. Documents pertaining to Pre-Qualification requirement (CI BB of Section B of this Specification) shall be in a separate cover with Reference no. "CE/470/EPABX/PQR/ CI BB of Section B" marked on it.
 - c. Technical offers/proposals for the Project, whose requirement is mentioned in sub-sections of Section-C of this specification, will be submitted in separate cover with Project name & reference marked on it.
- 7.0 Whenever required during evaluation of PQR and Technical offers/bids, vendor is required to be present at BHEL Electronics Division, Bangalore, for discussions. Further in the event of order, during approval of the Vendor document by End users/Customers, Vendor shall accompany BHEL representative for discussions.

REV. No. 00

PAGE 2 OF 2

AA. Pre-Qualification Requirements (PQR) of Bidders for EPABX system, as a part of Offer:

Note : All documents shall be complied clause wise and submitted with proper tagging in following order.

1. Bidder shall submit DOT/TEC certificate for the EPABX system being offered.
2. Bidder shall submit reference list of projects wherein offered system is supplied & commissioned. Reference list shall contain name of end user, latest contact email id and contact telephone number.
3. Bidder shall have successfully installed and commissioned the offered system with minimum 200 lines extended to various buildings such as power plant, township, other industrial area etc. Submit evidence of satisfactory performance of the offered system for at least two years as on date of opening bid, from at least one such end user. Proven Track Record (PTR) shall include at least one installation not earlier than 2005. The following documents are required for acceptance of PTR:
 - 3.1 Minutes of meeting with end-user for commissioning and handing over.
 - 3.2 Un-priced purchase order copy of end user placed on bidder.
 - 3.3 Certificate issued by end user mentioning the date of installation, model number of the supplied system and date issue of end user certificateNote: If the furnished PTR, end user contact details are found wrong/incorrect, the offer will be rejected.
4. The responsibility of complete system including Engineering, selection of components, and Erection and commissioning shall be with original EPABX manufacturer. For this OEM shall submit a letter in original. Further, OEM shall also submit letter indicating availability of service, spares for a minimum of 5 years after supply.
5. If Bidder is not Original Equipment Manufacturer (OEM), then Bidder to include Authorisation letter from OEM for Design, Engineering, Manufacture, Testing, Supply, Erection and Commissioning of the offered system.
6. Submit duly-filled Source Request Form (SRF), which shall be downloaded by Bidder from our website www.BHEL.com.

BB. Along with the documents related to PQR above, following details shall also be included in the Offer:

- 6.1 Technical literature / Manuals of offered EPABX system
- 6.2 Unpriced Purchase order copies of end-user placed by bidder.
- 6.3 Reports of successful erection & commissioning protocols & minutes of meetings
- 6.4 Details of Manufacturing, testing & inspection facility.

Important note: In case Bidder does not submit details mentioned in above clauses or meet the requirements of Pre-qualification requirements, Offers will be summarily rejected and Bidder's technical offers/proposals will not be evaluated. Please read carefully the General Instructions in Section-A of this specifications.

EPABX SYSTEM FOR 2x500 MW ANPARA TPS, UNIT - 8 & 9 CUSTOMER: M/s. UTTAR PRADESH RAJYA VIDYUT UTPADAN NIGAM (UPRVUNL)

1.0 GENERAL

This document covers specifications of EPABX System for 2x500 MW Anpara TPS, Unit-8 & 9 for plant wide communication. The detailed specifications of the EPABX system are given in the following sections. The vendor shall be totally responsible for the desired performances of the offered EPABX system including survey, design, engineering, manufacturing, testing, supply, installation and commissioning (**Total Turnkey Project**).

2.0 INTERCOM TELEPHONE SYSTEM (EPABX)

2.1 System Description:

- 2.1.1 Microprocessor based, fully integrated, modularly expandable digital Electronics EPABX system having capacity of 600 ports expandable to 1000 ports with state of the art technology will be supplied. The system shall be based on Pulse Code Modulation (PCM)/Time Division Multiplexing (TDM). The system will be equipped with necessary electronics cards for trunk lines and extension lines, housed in a weatherproof enclosure, suitable for mounting in a non-air-conditioned area. The EPABX will be equipped with line cards for 24 digital subscriber extensions, interface for 2 ISDN PRI lines, interface for 18 BSNL analog outgoing junction lines, 4 E&M tie lines (2 wire). The telephone system will be stand alone system with one touch line/feature selection and flexible user friendly programmable push buttons. The system will support full duplex voice and data transmission on a twisted pair line. The system will have adequate future expandability.
- 2.1.2 The telephone equipment shall include an onsite EPABX, telephone sets, telephone connecting blocks, termination frames and boxes, and telephone cable. The EPABX shall provide switching hardware for onsite telephones and connection to the local telephone company's lines.
- 2.1.3 The EPABX shall be used for voice transmission. The telephone EPABX and main distribution frame shall be located in an environmentally conditioned space. Telephone connecting blocks shall be located in office areas of the plant premises for connection of telephones. The power supply for the EPABX shall be 48 volts DC derived from the 48 volt DC power supply system.
- 2.1.4 Electronics cards with intelligent processors shall be provided. The system shall have compatibility for analog telephone instruments. The system shall be supplied with the operator console.
- 2.1.5 Plant communications shall be extended to the buildings within power plant premises of 2x500 MW Anpara TPS, Unit-8 & 9. Interconnection to the PLCC equipment, public address system and other EPABX systems is not in the scope of supply.
- 2.1.6 EPABX shall have full self-diagnostic feature. All faults, besides being annunciated on the operator console and audio alarm, shall be displayed on the console.
- 2.1.7 The EPABX shall be provided with 120% capacity main power supply unit with 100% standby power supply unit by providing Dual FCBC charger connected to single set of Battery Bank. On failure of main unit, standby unit shall automatically cut-in. Annunciation (audio and visual) shall be provided for each power supply unit fail and also auto-changeover fail. Changeover time shall not affect the EPABX/its allied systems in any way.

REV. No. 00

PAGE 3 OF 21

COPY RIGHT AND CONFIDENTIAL

The information on this document is the property of Bharat Heavy Electricals Limited. It must not be used directly or indirectly in anyway detrimental to the interest of the company.

2.2 System Design Criterion:

2.2.1 Regulatory Requirements

The offered system shall meet Indian DOT/TEC Standards for designing as applicable.

2.2.2 Functional Constraints

The EPABX and telephone main distribution frames shall be located in a dedicated communication room.

2.2.3 Process Control

Telephone systems shall consist of an onsite EPABX, telephones, termination devices, and telephone cable.

The EPABX provides switching hardware for onsite telephones and local telephone company's lines. The EPABX shall be located in a dedicated room in the plant that is environmentally controlled to meet the EPABX manufacturer's recommendations. The telephone company shall provide the service cable into this room.

2.3 Component Design Criterion:

2.3.1 Description

The EPABX shall be computerized branch exchange type. It shall control, amplify, connect, and disconnect all calls, both onsite to onsite and onsite to offsite.

2.3.2 Sizing

EPABX will be sized to handle 600 handset lines with future expansion capability to 1000 lines. Necessary rack space will be provided in the offered EPABX for future expansion.

2.4 Non Blocking: The system shall have 100% non-blocking feature.

2.5 Processor: Electronic cards with intelligent processor shall be provided. Redundancy processor card shall be provided. The system shall be 100% fault tolerant. It shall have computer compatibility for data transmission. CPU of EPABX shall be 32 bit microprocessor.

2.6 System Programming:

2.6.1 Local programming via V.24 (RS-232C) interface or Web-Browser based management suite (via V.24 or LAN connection).

2.6.2 Remote programming via V.22 modem or Internet connection.

2.7 System Upgradability: It shall be possible to incorporate / integrate new feature in the EPABX system by adding necessary hardware modules and software in future.

2.8 Environmental Specifications: Exchange shall be housed in preferably in air-conditioned environment.

2.8.1 Temperature: +5 Deg C to +45 Deg C

2.8.2 Humidity: EPABX shall be able to operate in 80% humidity.

2.9 Protection against voltage fluctuations:

2.9.1 Short Circuit Protection

a. EPABX shall withstand a permanent short circuit between two wires of a Line.

b. EPABX shall withstand a permanent earthing of one or two wires of each line through a low resistance (<1 Ohm)

2.9.2 Krone make MDF shall be with integrated Protection module for all trunk and GD tube for all extensions shall be provided.

2.10 System Features

- a) Extension to extension dialing: It shall be possible to establish internal calls automatically by dialing any No. without assistance of the attendant.
- b) Direct outward dialing: It shall be possible to establish external calls automatically by dialing any No. without assistance of the attendant (subject to class of service).
- c) Provision of DID & DISA: It shall have facility for direct inward dialing and direct inward station access.
- d) Direct outwards Station Access (DOSA): Any Extn. Can access the trunk lines of the system through personal pass code to make outward calls from outside. All DOSA calls remain in account of that particular Extn.
- e) Direct Station Selection (DSS): Just pressing a single key the operator or Extn. can directly call an Extn. Or access the trunk line without hassles of pressing 3 digits.
- f) Multi Level Voice DISA: When ordered as an extra feature/card, this shall enable the systems to provide auto attendant service to outside callers to directly access the desired extension by surpassing the operator. The caller would be stepwise guided by multi-level voice messages. Multi level voice DISA shall be required as a standard feature of EPABX system.
- g) Access to Exchange Network: It shall be possible for an extension to get access to public network with or without the attendant in such cases. Facility shall exist for the attendant to either dial the required No. or to merely extend the junction to the extension and permit the subscriber to dial the No.
- h) Privacy of call: Full privacy of conversation shall be available on all calls whether established directly or by the attendant. A warning tone of a specified frequency shall be applied when trunk offering facility is exercised by the attendant on an extension user.
- i) Class of Service: It shall be possible to allow an extension control over the telephone usage by providing him suitable class of service.
- j) The coding technique to be used is ALAW/CODEC per channel.
- k) System would have provision for Automatic Last No. Redial up to 20 times on Junction Line.
- l) During night, when the board is shut, external lines would be linked to any pre-defined extensions.
- m) Provision for connecting recorded voice/ answering to make available extensions to an incoming call without the help of operator.
- n) Flexible Numbering Scheme: System would have provision for Flexible Numbering plan up to four digits for extensions.
- o) EPABX shall be ISDN ready and shall provide subscriber ports/ LAN Interface for switched computer data connectivity for 36 Subscriber using V 24/ equivalent Interface Digital phone by addition of suitable hardware in future.

A4-11

PURCHASE SPECIFICATION

PS4702093

REV. No. 00

PAGE 5 OF 21

- p) Universal Port Configuration: All ports of the system would be identical to facilitate flexible configuration of the system as per user needs.
- q) Discriminate Ringing: The system would support discriminate ringing to indicate internal & external calls.
- r) Multiple Consoles: The system would support multiple No. of consoles for EPABX Systems.
- s) Mixed Station Dialing: To support all the features irrespective of type of telephone instruments i.e. DTMF or DECADEIC.
- t) Versatile ASMDR: The system would support ASMDR, which is a call accounting application that can record & print up to at least 3500 calls without dedicated printer.
- u) Power Failure Transfer: In the case of Power Failure all P&T/ CO lines become available on the pre-set Extensions.
- v) Programmable Class of service the system would support programmable class of service for P&T (STD/ISD/Local) dialing as per need.
- w) Direct call Billing in Rupees: The system would support direct call billing (near value) through parallel/serial port printer without computer.
- x) Call billing printout: The system would support versatile multiple combinations of direct printout options with total amount viz, Extension wise, Trunk wise. Today's call print out, group wise printout, particular date, particular month, particular time, particular phone etc.
- y) Calling Line Identification (CLIP): The incoming calling number is displayed on Key/Analog Phone even if the call is transferred by the operator, it is compatible to DTMF (Optional).
- z) Remote Maintenance: The system programming can even be done from remote locations.
- aa) IP Telephony Features: The proposed EPABX shall be VoIP ready by plugging IP interface card for future up gradations.

2.11 Extension Features

- a) Automatic Call Back: Facility shall exist for an extension user on encountering a busy signal on a called extension, to invoke the automatic call back feature by dialing a code before hanging up. When both the calling and called parties are free, the call would be automatically put through on no answer the call may be disconnected after a specified period. (This facility would be available throughout the network if more than one EPABX are interconnected in a Private Network).
- b) Call Forwarding: An extension with this class of service shall be able to transfer all incoming calls, temporarily to another pre-selected extension. Such requests shall be registered by dialing a code followed by the extension No. facility shall also exist for cancellation of a request registered earlier. This facility would be available throughout the network if more than one EPABX are interconnected in a private network.
- c) Consultation Hold: An extension engaged on an external call (incoming or outgoing) shall be able to hold the call while making internal call for private consultation. The external subscriber shall not overhear such consultation. There must be facility of music during hold condition.

PAGE 6 OF 21

- d) Brokers Call: An extension engaged on an external call (incoming or outgoing) shall be able to hold the call while making another call than alternate between the two. The other party shall not over hear such consultation. There must be facility of music during hold condition. This facility would be available throughout the network if more than one EPABX are interconnected in a private network.
- e) Automatic Call Transfer: It shall be possible for an extension user to transfer incoming calls to another extension with or without help of the attendant. This facility would be available throughout the network if more than one EPABX are interconnected in a private network.
- f) Executive/Secretary: A combination of call forwarding, consultation & hold to provide for executive to selectively answer calls. This facility would be available throughout the network if more than one EPABX are interconnected in a private network.
- g) Executive Override: There must be facility offering priority to 5 Min. extensions to override ongoing conversations. This facility would be available throughout the network if more than one EPABX are interconnected in a private network.
- h) Access to Paging: Extensions and attendant shall have dial access to a loudspeaker or any other type of paging system where such a system exists.
- i) Conference Call: This shall enable subscribers to set up telephonic conference involving at least 5 parties. One of the extension user or by the attendant may set up the conference call. This facility would be available throughout the network if more than one EPABX are interconnected in a private network.
- a) Call Pick-Up: It shall be possible for an extension user to pick-up incoming calls of 6 to talk to each other at the same time on a conference circuit. One of the extension user or by the attendant may set up the conference call. This facility would be available throughout the network if more than one EPABX are interconnected in a private network.
- b) Call Re-Routing: It shall be possible for a call to be rerouted, without help of the attendant, to other predefined extensions when certain conditions when certain conditions apply. This facility would be available throughout the network if more than one EPABX are interconnected in a private network.
- c) Auto call Disconnection: The system would facilitate to fix the time of call beyond which shall be automatically disconnected.
- d) Dynamic STD Lock: The system would support that individual extension can lock outward dialing (STD/ISD/Local/mobile) by a personal secret pass code to prevent misuse by others.
- e) Paging on Key Phone: The caller can activate speaker phone of the called extension to communicate in urgency in own voice when Extn. is idle.
- f) Call Name & Extension No. on Display (Internal CLI): Name as well as Extn. No. of the caller is displayed on the key phone, facilitating to respond accordingly.
- g) Background Music: The key phone user can enjoy the light background music channeled from system when voice DISA Card incorporated.
- h) Auto- Answer/ Auto-Off: Key phone can be programmed for auto answer after pre-set No. of incoming rings. The key phone is automatically disconnected when caller disconnects.

2.12 Call Billing Software

Call billing software shall be provided with dedicated personal computer with TFT colour monitor, dedicated printer. Using this Call Billing software, it shall be possible to read from screen, obtain a print out of call made, called station, date of each call, duration of each call, number of metered call, extension / wireless / fax set from which call was made, time at which call was made. The EPABX system shall be provided with minimum two USB memory devices with provision and facility including software to store/retrieve all the above parameters to/from a USB memory device.

The Call Billing software shall also have facility for printing all/selected parameters listed above at regular time intervals as well as facility to browse on screen/print any of the above parameters in any desired format eg. Number of calls made from a particular extension for a given period of time (selectable). Software security shall be provided to prevent unauthorized personnel gaining entry to above system. All the parameters shall be capable of being stored for a minimum period of 3 months. Erasure of this information shall only be after adequate warning alerting operator to take back up. None of the stored data shall be lost for failure of power supply.

2.13 Voice mail/Voice processing

- a. The PBX shall support PC based or integrated voice mail system with minimum 72 hours storage capacity of 4 ports scalable to at least 12 ports by addition of suitable hardware in future.
- b. The voice mail system shall support voice mail and email.
- c. The PABX shall be able to transfer all calls to voice messaging with transfer of relevant information over IP.
- d. The same port shall be used for PABX integrated messaging, automated attendant and for internal and external message notification.
- e. The PABX shall provide for immediate call-back to the sender of the message.
- f. The PABX shall provide identification of the sender of the message (caller ID) as well as the receiver of the message (Caller ID).
- g. The Integrated Voice Mail system shall not consume any ports of the EPABX system.
- h. The Voice Mail system shall support Remote Retrieval of messages.
- i. The Integrated Voice Mail system shall also have integrated Auto Attendant facility for Welcome messages, Directory Assistance etc.

2.14 EPABX Power Supply

- 2.14.1 The EPABX shall be supplied with 48 V DC Battery and FCBC.
- 2.14.2 One (1) 48 V DC Maintenance free Valve regulated Lead acid (MF-VRLA) battery of adequate AH capacity with 10% margin suitable for ten (10) hours uninterrupted service of exchange with ultimate capacity including its allied systems. (Battery sizing for required power load considering full load condition and electrical factors such as K factor, aging factor, design margin etc, is to be furnished by vendor)
- 2.14.3 One (1) no dual float-cum-boost charger (FCBC) of suitable capacity to supply power to the exchange. The battery charger shall be suitable for the battery specified above. (Charger sizing calculation considering EPABX in full load condition and battery load, is to be furnished)

3.0 TELEPHONE INSTRUMENTS

3.1 Operator Console (Stand-alone):

Following features shall be available for operator console. One spare port operator console shall be provided.

- a. The operator console shall have soft / feather touch keys with easy to view display and busy lamp field for extensions. It shall have easy handling facility for all internal & external calls.
- b. Subscriber calling
- c. Call hold

Telephone sets shall be of following types:

- a) Desk top/wall mounted type push button operated decadic type (ordinary)
- b) Digital telephone sets having no separate power feeding and shall support integrated voice and data communication

Telephone sets shall be compact. The body of the telephone sets shall be of injection molded plastic for strength & durability. Telephone sets shall provide for side tone balance, impedance level matching, protection against surges, transients etc. Telephones shall have features like tone ringer, last number redial facility etc. All telephone sets shall be suitable for decadic / DTMF signaling. The microphone and receivers of telephone sets shall be of electromagnetic / piezoceramic type. Telephones shall have speaker facility.

Make : Desktop/wall mounted telephone : Beetel / BPL

4.0 MAINTENANCE & DIAGNOSTICS STATION

PC and printer with following specifications shall be provided for maintenance, Call billing & Diagnostics of EPABX.

Printer: One No of dot matrix printer (Epson / TVS / Wipro/HP).

UPS: One No of UPS with 10 hours backup (min. 1.5 KVA) for all PCs and printer (APC/Emerson/DB Power/Hirel) (UPS battery sizing for required power load to be furnished by vendor.)

PC: One no of computer with minimum Intel i3 processor, 2.0 GHz minimum with latest Intel Chipset (IBM / HP / Dell / Compaq/HCL)

- a. Shall operate in non-AC environment of 0-50 Deg C
- b. 230 V /240 V AC single Phase
- c. L2 cache, minimum 512K at full processor speed
- d. RAM 4GB minimum.

- j. Three button mouse (optical)
- k. 56 KBPS internal modem
- l. Pre-loaded Windows 7 latest release with media, antivirus software and other required software/driver
- m. All components shall be windows 7 professional certified
- n. Furniture for each computer and printer etc.
- o. Portable USB storage device 16GB-2 Nos

5.0 TECHNICAL DATA OF EPABX AND OTHER ASSOCIATED EQUIPMENT

5.1 EPABX

- 5.1.1 Make: **Ericsson-Aastra / Alcatel / Unify-Siemens / Tadiran / Matrix / Karel / Clisso / any other make approved by DOT/TEC**
- 5.1.2 Type/ Model no: PCM/TDM (as per supplier's model)
- 5.1.3 Number of connecting lines (Analog subscribers): 600 no
- 5.1.4 Number of P & T lines (Analog Trunks): 18 no
- 5.1.5 Number of Digital subscriber lines : 24 no
- 5.1.6 System configuration: Redundant CPU
- 5.1.7 FCBC - Power Supply
 - a. Power requirements: As per requirement of proposed EPABX
 - b. Type of Battery: 48 V DC Maintenance free VRLA

5.2 Main Distribution Frame (MDF)

- 5.2.1 Make & Type: Krone
- 5.2.2 Material construction: metal Sheet , closed type wall / floor mounted
- 5.2.3 Number of lines: Shall be supplied as per requirement

5.3 Sub-Distribution Frame (SDF)

- 5.3.1 Make & Type: Krone
- 5.3.2 Material & construction. : metal Sheet, closed type wall
- 5.3.3 Number of ways: Shall be supplied as per requirement

5.4 Junction Boxes

- 5.4.1 Make & Type: Krone or as per industry standards
- 5.4.2 Material & construction: light weight metal sheet, closed wall mounting type
- 5.4.3 Number of ways: varies from 10 pair to 100 pair. Shall be supplied as per requirement.

5.5 Cables

- 5.5.1 Cables for outdoor area: Jelly filled cable (DOT/TEC Approved cables shall be supplied)
 - 5.5.1.1 Make: Delton /Paramount/ Polycab/ Finolex/Cords
 - 5.5.1.2 Diameter: 0.63 mm
- 5.5.2 Cables of Indoor area: Unarmored PVC
 - 5.5.2.1 Make: Delton/ Paramount/ Polycab/ Finolex/Cords
 - 5.5.2.2 Diameter: 0.5 mm

5.6 Battery & Charger

- 5.6.1 Make & Type:
Charger- Amarraja, Tirupati / Caldyne, Kolkata/ Chhabi Electricals, Jalgaon / HBL Power Systems, Hyderabad
Battery- Exide Industries Limited, Kolkata / M/s. Amara Raja Batteries Limited, Kolkata/ M/s. HBL NIFE Power Systems Ltd., Hyderabad
AH capacity: will be suitable to meet the EPABX load for 10 hours.
- 5.6.2 DC voltage: 48 VDC
- 5.6.3 Charger: Float cum Boost
- 5.6.4 Rating: will be suitable to meet the EPABX requirements

6.0 SCOPE OF SUPPLY

6.1 Digital Electronic Private Automatic Exchange (EPABX):

The proposed EPABX shall have necessary hardware and software for following features.

- 6.1.1 P&T lines (Analog trunk lines): 18 No.
- 6.1.2 Digital subscriber line : 24 No
- 6.1.3 Analog Subscriber lines : 600 No
- 6.1.4 Desktop Push button operated decadic type Telephone Set: 600 No
- 6.1.5 Digital telephone set : 24 No
- 6.1.6 Interface card for 2 no ISDN PRI lines
- 6.1.7 Interface card for 4 no E&M tie lines (2-wire)
- 6.1.8 Interface card for PA system / Walkie Talkie (min 2 ports)
- 6.1.9 Operator console (Stand alone or PC Based): 1 No
- 6.1.10 Maintenance and Diagnostics PC: 1 No
- 6.1.11 Dot Matrix Printer: 1 No
- 6.1.12 Call Billing Software: 1 no
- 6.1.13 4 port integrated/PC based voice mail and voice guidance system
- 6.1.14 Dialup modem for remote Maintenance:1 no
- 6.1.15 Maintenance free VRLA Battery (48 V DC) for 10 hours backup: 1 set
- 6.1.16 Dual FCBC: 1 set
- 6.1.17 Dial tester : 2 nos
- 6.1.18 Lineman handheld telephone sets: 2 nos
- 6.1.19 Krone tool : 2 nos
- 6.1.20 PVC & Jelly filled telephone cables: 1 Lot
- 6.1.21 MDF, JBs, PVC pipes and accessories: 1 set
- 6.1.22 Earthing material: 1 set
- 6.1.23 Other EPABX items and miscellaneous items: 1 set

6.2 Cables

Telephone cables of both FRLS PVC type & Jelly filled type shall be used as per the requirement for cabling of telephone instruments with in power plant premises of 2x500 MW Anpara TPS, Unit-8 & 9.

- 6.2.1 PVC Type (Unarmoured)
 - 6.2.1.1 The cables shall be FRLS 0.5 mm. dia annealed tinned electrolytic copper conductor, PVC insulated, colour coded and twisted into pairs, laid up, taped, PVC inner sheathed, and overall PVC sheathed conforming to DOT/TEC specification.
 - 6.2.1.2 The cable sizes shall be standardized in terms of the number of pairs, which shall be 10 pairs, 5 pairs, 2 pairs and 1 pair. For indoor, PVC telephone cables run through PVC conduits, the telephone cables shall be drawn through PVC conduits fixed along wall/column.
- 6.2.2 Jelly Filled Type (Armoured)
 - 6.2.2.1 The cables shall be 0.63 mm dia annealed high conductivity electrolytic copper, polythene insulated, color coded, twisted into pairs, laid up, jelly filled, polythene

PAGE 11 OF 21

sheathed, galvanized steel tape armored, overall polythene sheathed etc. conforming to DOT/TEC specification.

6.2.2.2 The cable sizes shall be standardized in terms of the number of pairs, which shall be 100 pairs, 50 pairs, 20 pairs, 10 pairs and 5 pairs. For outdoor, the Jelly filled telephone cables shall either laid directly buried underground or existing cable trays.

6.2.3 Power Cables

Interconnecting power cables between battery charger, battery and the telephone exchange shall be heavy duty 1100 volts grade multicore stranded copper/aluminium conductor, PVC insulated, FRLS, extruded PVC inner sheathed, galvanized round steel wire/ strip armored and extruded PVC overall sheathed conforming to IS:1554 as revised and amended up to date.

6.3 Main Distribution Frame (MDF), Sub Distribution Frame (SDF) / Junction Boxes (JB)

6.3.1 The MDFs, SDF/junction boxes shall be sheet steel or die-cast aluminium enclosed, corrosion resistant, dust and weather proof complete in all respects with inspection covers, terminal strips etc. The covers shall be gasketed.

6.3.2 The MDFs shall be installed indoor. The MDFs shall be complete with requisite number of test jack assemblies. All incoming & outgoing telephone cables to/from MDF in the telephone Exchange room for the subject EPABX type exchange shall be terminated on the MDF in Telephone Exchange Room for which suitable connecting facilities shall be provided on the MDF in Telephone Exchange Room.

6.3.3 The Junction boxes shall be of galvanized steel or die-cast aluminium alloy construction. It shall be complete with double compression type cable glands suitable for terminating or looping armoured signal/power cables and earthing stud. It shall be suitable for wall/ column/ structure mounting. The quantity of indoor and outdoor JB's shall be as per requirement.

6.4 Sockets, Matching Plugs for connection of telephone sets

Heavy duty, flush mounted, indoor type, RJ-11 sockets (**Telephone Rosette Box – flush mounted**) shall be provided for mounting on wall/furniture. Wiring for each telephone set shall be terminated to the 2 pin socket to which the respective telephone set shall be connected through matching plugs.

6.5 Nameplate

Nameplates shall be furnished for identification of devices and circuits. All junction boxes, switches, controls and indications shall be permanently and legibly marked in English as to their functions.

6.6 Consumables and Hardware

6.6.1 The contractor shall furnish all consumables, hardware and erection material as required for the complete installation.

6.6.2 These material shall include but not limited to

6.6.2.1 Consumables: welding rods & gas, oil & grease, cleaning fluids, paints, cotton waste, electrical tape, soldering material etc.

6.6.2.2 Hardware: bolts, nuts, washers, screws, brackets, supports, hangers, saddles, cleats, clamps etc.

6.6.2.3 Materials: conduits and accessories, junction boxes, terminal blocks, connections, lugs, ferrules, brass glands, ground wires etc.

6.7 Methods, Material and Workmanship

All work shall be done in a first class, neat and workmanlike manner by mechanics / electricians skilled in the trade involved.

PAGE 12 OF 21

COPY RIGHT AND CONFIDENTIAL
The information on this document is the property of Bharat Heavy Electricals Limited. It must not be used directly or indirectly in any way detrimental to the interest of the company.

6.8 Erection Tools and Tackles

The supplier shall arrange all tools, tackle, implements, scaffoldings, ladders etc, which are required for handling and erection of the equipment and materials.

6.9 Excavation and Back Filling

- 6.9.1 The Contractor shall perform all excavation and backfilling as required for buried cable and ground connections.
- 6.9.2 Excavation shall be performed up to the required depth such sheeting and shoring shall be done as may be necessary for protection of the work.
- 6.9.3 All excavation shall be backfilled to the original level with good consolidation.

6.10 Cleaning up of Work site

- 6.10.1 The Contractor shall, from time to time, remove all rubbish resulting from execution of his work. No materials shall be stored or placed on passage driveways.
- 6.10.2 Upon completion of work, the Contractor shall remove all rubbish, to scaffoldings, temporary structures and surplus materials etc. to leave premises clean and fit for use.

6.11 Grounding / Earthing

All metal enclosures, conduits, junction/pull boxes shall be grounded in compliance with I.E. rules. Separate ground earthing shall be provided for the EPABX system.

6.12 AC & DC Distribution box, Circuit Breakers, Distribution Boxes and Accessories

Supplier shall include all the required AC & DC Distribution box, Circuit breakers, Junction boxes and accessories for power supply cabling of complete system.

7.0 SPARES

Quantity of spare trunk cards and extension cards shall be 10% of the population in the offered EPABX.
 FCBC control card – 1 set
 Fuses - 100% of total quantity

8.0 INSTALLATION AND COMMISSIONING

Erection and commissioning of the Telecommunication equipments (EPABX, FCBC, Battery bank, Telephone instruments, cabling etc) is in the scope of supplier. Supplier has to quote for erection and commissioning of the EPABX system as lump sum (EPABX, FCBC, Battery, Operator Console, grounding/ Earthing, MDF etc). Vendor has to supply of all the required cables and do cable laying for all the telephones at site by quoting for the same. For cabling vendor has to quote laying charges as per Table 4.

The vendor shall perform survey of site for cable estimation after the site is ready. After cable estimation, vendor shall prepare layout and erection drawings showing location of all system equipment & components, cable routing, cable scheduling in cable trays/ racks/ trenches/ buried underground, conduits routing along with distribution schemes of the system. Vendor should submit the above mentioned drawings to BHEL for approval.

After SAT (Site Acceptance Test) at site, the vendor shall furnish to BHEL "AS BUILT" layout and erection drawings along with distribution schemes properly incorporating changes / alterations/field modifications, if any, as carried out at field.

9.0 CABLING/WIRING GUIDELINES

- 9.1.1 Distribution of telephone system shall be done by cables generally laid on ladder type cable trays.
- 9.1.2 In the buildings and areas where ladder type cable trays shall be available 15 meters of telephone cables, however, shall be run through PVC conduits from the nearest available cable trays to

The information on this document is the property of Bharat Heavy Electricals Limited. It must not be used directly or indirectly in any way detrimental to the interest of the company.

- individual telephone sets and group of telephone sets, junction boxes, sub-distribution frames etc. depending on the location of telephone sets for termination & connection.
- 9.1.3 In the buildings and areas where, cable trays are not available for distribution of Telephone cables average 100 meters of telephone cable shall be run through PVC conduits for termination & connection of each telephone sets within the buildings/areas from the entry point of cabling to such buildings and areas.
- 9.1.4 In the cases of telephone cables for entering a particular building/area, where cable trays are not available, for a part of the main cable running outside the building, the telephone cables shall be laid directly buried underground for that part.
- 9.1.5 For telephone cables laid on ladder type cable trays, the telephone cables shall be clamped at an interval of 300 mm. Aluminium Tags for Cable identification shall be provided at regular interval of 20 meters throughout the route.
- 9.1.6 For telephone cables run through PVC conduits, the telephone cables shall be drawn through conduits fixed along wall/column. Conduits shall be installed as per relevant IS code. Conduit supports shall be provided in the conduit runs at an interval of 1000 mm for horizontal runs and 750 mm for vertical runs. All conduits, junction/pull boxes shall be securely fixed and grounded.
- 9.1.7 For Telephone cables laid directly buried underground, the telephone cables shall be laid by excavating trench in normal soil up to a depth of 1mtr unless otherwise specified, providing 75 mm of sand or riddle earth both above and below cable, providing precast concrete slab on top and bricks on sides for cable protection against damage and back filling. The precast concrete slabs on top as specified above shall be marked "Telephone Cable". Route marker to be provided on top of the ground.
- 9.1.8 Straight through joints in underground cables shall be avoided. The cables shall be terminated through tag blocks fitted inside outdoor type completely weatherproof junction boxes.
- 9.1.9 Distribution of communication system in Central Control Rooms, Control Equipment Rooms, Shift Charge Engineer Rooms, SWAS Rooms, ESP Control Rooms, other areas/Control Rooms and various rooms of Technical Office Building, shall be through PVC pipes/casing fitted on the walls. The telephone cabling & wiring in each such rooms & areas shall be terminated to two pin sockets, to which respective telephone sets shall be connected with matching plugs.
- 9.1.10 Underground buried cables shall be jelly filled type.
- 9.1.11 Identification tags for all junction boxes, MDF, SDF shall be provided.

10.0 DOCUMENTATION & TOOLS

In the event of order, the supplier shall provide each 6 sets of following documents to BHEL Immediately after award of order for main equipment.

- Layout drawing indicating dimensions of all equipments, power supply requirements
- Bill of material
- OGA drawings and Technical Data Sheets with Catalogues of all items
- Manufacturing Quality Plan document shall be prepared by vendor in consultation with BHEL and shall be submitted to M/s. UPRVUNL for final approval.

After manufacturing clearance from BHEL

- Test Certificates and reports for all the items as per agreed manufacturing quality plan (MQP) document.

After site survey and before installation and commissioning

- Telephone cable schedule and routing drawings covering all the plant buildings interconnections.

After SAT at site, the vendor shall furnish to BHEL "AS BUILT" layout and erection drawings along with distribution schemes, cable schedule properly incorporating changes/ alterations/ field modifications, if any, as carried out at field.

PAGE 14 OF 21

The supplier shall provide each one sets of following documents to BHEL and 4 sets shall be sent along with the system to site after technical datasheets customer approval / dispatch clearance of the main equipment.

- a) O&M manuals
- b) Technical Catalogues of the equipments
- c) Programming manual
- d) Installation and commissioning instruction
- e) General maintenance documents

11.0 SPECIAL NOTES

- a) POINT WISE CONFORMATION FOR THE ENTIRE SPECIFICATION SHALL BE FURNISHED AT THE TECHNICAL OFFER STAGE IT SELF AFTER FILLING IN THE TABLE 1, 2, 3 AND 4 AND CHECK LIST. DEVIATION IF ANY SHALL BE LISTED OUT CLEARLY.
- b) Any other hardware required but not mentioned in the specifications but important to make complete system functional, shall be in the scope of supplier.
- c) Supplier shall submit catalogues of the offered product, EPABX configuration drawing with BoM along with technical bid.
- d) Supplier shall submit dimensions of the equipments to be supplied.
- e) Boarding and lodging charges at site: shall be borne by the supplier.
- f) Supplier shall mention in his offer the nearest authorized service center for reporting any malfunctioning of EPABX system.

12.0 TRAINING

Supplier shall offer training for the staff of M/s. UPRVUNL for operation and maintenance of the telecommunication system.

13.0 WARRANTY

Supplier shall offer standard 3 years warranty as per tender document.

14.0 AFTER SALES SERVICE AND SPARES

Supplier shall confirm availability of spares and after sales service support for the offered system for minimum 5 years.

15.0 BILL OF MATERIAL

Supplier shall submit bill of material as per table 5 and cable BoM as per Table 3.
