

**TITLE: SPECIFIC TECHNICAL PRE – QUALIFYING REQUIREMENTS (PQR)
FOR SUBMITTING TECHNICAL OFFER FOR SUPPLY OF METAL
EXPANSION BELLOWS FOR 2X500 MW NEW NEYVELI TPP**

1. The bidder should have designed, manufactured, tested, inspected and supplied metal expansion bellows (Gimbal / Hinged) with minimum size of 1600 NB.
2. Bidders to meet Technical PQR for minimum size of 1600 NB for Gimbal or Hinged bellows. The bidders (who are not registered vendors of BHEL-PEM for this package) shall furnish following documents for assessing Bidder's specific technical pre-qualification along with the technical offer:
 - a) Bidder's experience list for this package in the enclosed format as Annexure-2.
 - b) Product/ package should have been successfully in use for at least two years in power plant or having similar applications in other industries. For this the supplier has to submit either of following supporting documents:
 - i) Copy of minimum two performance certificates along with copy of related purchase order from different End-user or Customer specifying that the product is running successfully for 2 years from date of commissioning.
 - ii) Minimum two purchase orders from two different Customer or Purchaser (i.e. 2 Nos of PO from each customer) placed with a minimum gap of 2 years from date of supply of first order and placement of second order. The supplier to submit relevant documents such as MDCC/MRC/LR copy or other supporting documents which confirms the successful execution and delivery of order.
 - iii) One performance certificate as per sl. No. (i) above from one customer and minimum two purchase orders from another Customer or Purchaser as per sl. No. (ii) above (i.e. 2 purchase orders should be placed with a minimum gap of 2 years from date of supply of first order and placement of second order).
 - c) Approved drawings, technical data sheets of which the bidder has furnished (under point no. 2b) the performance feedback/ purchase orders for reference purpose.
3. The bidder should have in-house facilities for carrying out all tests as per BHEL QP requirement, which is enclosed with the technical specification. In case the bidder does not have the above testing facilities, he shall have a permanent tie up for the testing with any Govt. approved lab or test house or third party inspection of TUV/Lloyd/BVQI etc.
4. The bidder shall have well established quality systems in the company and shall be able to demonstrate the implementation of same. ISO certification in this regard shall be considered for preference.
5. Technical PQR shall not be evaluated for PEM registered vendors without any technical limit & PEM registered vendors with technical limit but falling within enquiry technical scope. The bidders, who are already registered with BHEL-PEM with technical limit may also quote for items which fall outside their technical limit and for which they are not registered with BHEL-PEM. In this case, vendor to submit the documents mentioned above.
