**10.0 PRICE VARIATION:**

Prices will be **firm** for total contract period and extended period, if any, and no price escalation / price variation will be applicable.

**11.0 OVER ALL CONTRACT PRICE VARIATION**

The quantity of individual item can vary to any extent or may be deleted for which no compensation will be payable to the contractor and the rates will remain firm. Also the rate of each item remains firm as long as the variation in the total value of work executed under the contract including extra items if any remains within plus/minus 30 percent of the contract value. In case the actual value of executed work including extra work on completion of work becomes less than 70% of the basic/original contract value then the following method shall be adopted.

The actual executed value shall be raised by 7% (For arriving at the final payment against work executed) subject to the condition that total value of work executed plus increase by 7% as above shall be limited to 70% of the basic/original contract value. The rate quoted shall be firm irrespective of any upward variation in the contract price.

## **12.0 OVER-RUN COMPENSATION-**

If the contract is extended beyond the contract period (including grace period) for any reason (including due to extra work/additional quantity) other than those attributable to the contractor or force majeure conditions, the contractor will be compensated by payment of over-run charges at the rate of 0.2 percent (point two percent) of the executed contract value per month after the expiry of grace period. Executed value as on last day of respective month(s) will be taken for purpose of calculation of overrun compensation.

The over run compensation will be payable for the eligible period of time extension on account of reasons attributable to BHEL only. No over run will be payable for the extension on account of reasons attributable to contractor and/or force majeure conditions.

Part of Extension attributable to the contractor, if any, in total contract extension shall be exhausted first i.e. immediately after end of grace period. This shall be followed by Extension on account of force majeure conditions, if any and lastly on account of BHEL.

The compensation will be payable for the extended eligible period in months and days as applicable.

Any compensation paid to the contractor against over run charges during the eligible extended period of the project will be recovered from the contractor or any payment on this account payable to the contractor will be cancelled if further extension is required due to the reasons attributable to the contractor or situation of risk & cost arises due to failure of the contractor to complete the work.

If the delay is attributable to the contractor LD will be imposed as per the provision in the contract.

**Total Over Run Compensation shall be limited to 10% of the executed contract value as certified in Final Bill. For this purpose executed contract value excludes PVC, ORC, Supplementary/Additional Items and Extra Works done.**

**Grace period-** The grace period will be defined in the Tender Document based on the calculation as one month for every six month (or part thereof) of the contract period. The prices quoted by the contractor will remain firm till the contract period plus the grace period including extended period if any.

## **13.0 UNLOADING, STORAGE AND WATCH & WARD**

- 13.1 The contractor shall be responsible for safe receipt, unloading, storage, watch and ward , erection, testing and commissioning of the material/ equipment supplied by BHEL required for successful completion of Transmission line work under this NIT.
- 13.2 Watch and ward by authorized agency for the safe custody of the materials at site shall be responsibility of the vendor.
- 13.3 The watch and ward for the erected items will also be arranged by the vendor till taking over by BHEL.
- 13.4 It is the responsibility of the vendor to dismantle and take away all the materials of his office accommodation as soon as the project is handed over to BHEL and debris are cleared off.

**14.0 DELAY AND EXTENSION OF TIME**

If, in the opinion of the Engineer, the work is delayed

- i) by reason of abnormally bad weather, or
- ii) by reason of serious loss or damage by fire, or
- iii) by reason of civil commotion, local combination of workmen, strike or lockout, affecting any of the trades employed on the work, or
- iv) by delay on the part of the agency or tradesman engaged by the BHEL in executing work not forming part of the contract, or
- v) By reason of any other cause which in the absolute discretion of the Engineer is beyond the contractor's control, then in any such case, the Engineer (or higher authority) may make fair and reasonable extension in the completion dates of the individual items of work of the contract as whole. Such extension which will be communicated to the contractor by the Engineer in writing shall be final and binding on the contractor. No other claim in this respect for compensation, idle labour or otherwise howsoever is admissible. Upon the happening of any such event causing delay the contractor shall immediately give notice thereof in writing to the Engineer but shall nevertheless use constantly his best endeavour to prevent or make good the delay and shall do all that may reasonably be required to the satisfaction of the Engineer to proceed with the work.
- vi) In case of delay in completion of work BHEL reserve the right to grant time extension under the following options depending upon the performance of the vendor:
  - a. Time extension without levy of LD in case it is found that delay is not attributable to the vendor.
  - b. Time extension with deduction of applicable LD in line with Liquidity Damage clause if the delay is solely attributable to the vendor.
  - c. In case facts of delay is not settled, BHEL reserve the right to grant provisional time extension for delay in completion of total work or part thereof and running/ interim payments to the vendor will be released without deduction of LD subject to submission of additional Bank guarantee equivalent to maximum LD amount valid till completion of work under their scope and grant of final time extension..

During provisional time extension period ORC/ PVC (if any) shall not be payable to the contractor. The Final Delay analysis shall be prepared on completion of the work. In case of delay is not attributable to contractor as per final delay analysis the ORC/ PVC (if any) shall be released along with the final bill without any interest charges attributable to BHEL.

In case of delay attributable to contractor, LD shall be deducted for that period in line with clause "Compensation/ LD/ Penalty for delay in execution" of conditions of contract and balance ORC/ PVC (if any) shall be released along with the final bill without any interest charges attributable to BHEL.

PVC/ ORC shall be governed by respective clauses in the NIT.

**15.0 RISK & COST:**

In case successful bidder fail to start the work or fails to comply with terms & conditions of the Work Order / LOI, BHEL reserves the right to the work done, whether by itself or from any other agency, at risk and cost of the successful bidder. Rights of BHEL shall be as per B.7 of ' Conditions of Contract'.

**16.0 RESPONSIBILITY OF CONTRACTOR IN RESPECT OF BUILDING AND OTHER CONSTRUCTION WORKER STATUTORY RULES / REGULATIONS (IF APPLICABLE)**

It shall be mandatory for the contractor to comply with Building and Other Construction Worker (Regulation of Employment and Conditions of Service) Act, 1996 and Rules of 1998 read with Building and other Construction Workers welfare Cess act, 1996 and Cess Rules.
