- 5. Unloading scope of 2 Nos generator stators under sr. No. 2 above may be excluded from the scope by the time of evaluation of this tender depending upon site conditions, in such case highest discount offered by any bidder shall be deducted from rates quoted under 01.a and 01. b and evaluation shall be against such net of discount basis.**
- 6. Even though 2 no. Generator stators and 12 MT would have been unloaded and stacked at site, the vendor shall be responsible for accounting and further MM services such as material issue accounting, reconciliation, insurance claims management if any and for which vendor may load the expenses in lumpsum rates in 01. a and 01. b.**
- 7. Due to nature of MM involving identification of material under detailed verification scope, it is likely that the sum of the material may be more easily identifiable on the basis of CBM information. However CBM shall not be relevant as far as settlement of invoices of MM, E&C scope of work is concerned.**
